AUDITORS' REPORT

I, the undersigned, being the auditor of the Bay of Plenty Savings Bank, appointed in terms of section 29 (3) of the Trustee Savings Bank Act 1948, report:

1. I have examined the books, accounts, and vouchers of the bank and have received all the information and explanations required.

2. I have verified the cash, investments, securities, and assets of the bank as at 31 March 1970.

3. The general manager has certified that, to the best of his knowledge and belief, all requirements of the Trustee Savings Bank Act 1948, and regulations thereunder have been complied with.

In my opinion, the above balance sheet and profit and loss account are properly drawn up so as to give respectively a true and fair view of the state of the bank's affairs as at 31 March 1970, and of the results of its business for the year ended on that date.

J. L. GREGORY, F.C.A., Auditor.

13 May 1970.

NOTES TO THE ACCOUNTS

NOTE 1. Government Stock—It is the bank's policy to amortise the discounts and premiums on Government stock securities over the term of the investment on a straight-line basis, and to show the value of the stock in the balance sheet at cost price plus amortised discount to date. In accordance with the policy the sum of \$3,117 has been transferred to the profit and loss appropriation account for this financial year.

AUDITORS' REPORT

We have examined the balance sheet of Taranaki Savings Bank as of 31 March 1970, and the related profit and loss account for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and profit and loss account present fairly the financial position of Taranaki Savings Bank at 31 March 1970, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
