PURSUANT to section 29 of the Wildlife Act 1953, the Minister of Internal Affairs hereby gives notice that he has approved amendments to rules 8 and 9 of the rules of the Southland Acclimatisation Society, and those rules shall hereafter read as follows.

COUNCIL

8. (1) The Society shall be governed by a Council of 18, which number shall include the President and two Vice-Presidents. The members of the Council shall be elected from and by the general membership and shall not be eligible for election unless they have their principal place of residence within the district.

(2) The President and two Vice-Presidents shall be elected by the Council from the members thereof at the first meeting of the Council which shall be held within 30 days of the general meeting at which the election for councillors was held. The President and Vice-Presidents shall hold office until their successors are elected by the Council in accordance with this rule. They shall be eligible for re-election.

(3) At each annual general meeting the six councillors who have been longest on the Council without being re-elected shall retire but shall be eligible for re-election.

(4) (a) Any President or Vice-President failing to attend the Council meetings for a period of 3 months without leave of absence shall thereupon cease to be a member of the Council; and in the case of such vacancy or of a vacancy occurring by the death or resignation of the President or any Vice-President, the remaining members of Council shall appoint another member of the Council as President or Vice-President in the place and stead of the deceased, resigned, or absenting President or Vice-President, provided that such vacancy shall not be supplied by the Council except after 7 days' notice given of the new President and/or Vice-President proposed to be appointed.

(b) Any members failing to attend the Council meetings for a period of 3 months without leave of absence shall thereupon cease to be a member of the Council; and in the case of such vacancy or a vacancy occurring by the death or resignation of a member of Council, then the unsuccessful candidate first in order at an election held within 12 months prior to the occurrence of the vacancy shall become a member of the Council but shall be a member of the Council only until the next succeeding election of councillors provided such candidate shall be available for appointment and has obtained not less than 50 per centum of the votes given to the lowest in order of the successful candidate at such election.

(c) In the event of no election having been held within 12 months prior to the occurrence of the vacancy as provided for in rule 8 (4) (b) or a casual vacancy or vacancies, provision for filling which is not made in rule 8 (4) (b), then the remaining members of Council may appoint another member of the Society in the stead of the deceased, resigned, or absenting member until the next succeeding election, provided that such vacancy shall not be supplied by the Council except after 7 days' notice given of the new member to be proposed.

(5) Where any member of the Council ceases to have his principal place of residence within the district he shall be deemed to have retired as a member of the Council as from the date of such cessation and his seat shall be filled in terms of rule 8 (4) (b), 8 (4) (a), or 8 (4) (c), as the case may be.

(6) When any member of the Council ceases to be a member of the Society he shall vacate his office which shall then be filled in terms of rule 8 (4) (a), 8 (4) (b), or 8 (4) (c), as the case may be.

(7) The vacancies occurring by the operation of clauses 2, 3, 4 (b), or 4 (c) of this rule shall be filled by ballot as herein-after provided.

ELECTION OF COUNCIL

9. The election of councillors shall be by postal ballot conducted in the following manner:

(a) The Secretary shall, on or before the 30th day of September, advertise once in each of three daily newspapers circulating in the district, all vacancies to be filled at the annual general meeting and calling for nominations to fill all such vacancies.

(b) Nominations for office shall be in writing signed by the proposer and the seconder and containing the nominee's written acceptance, and all shall be members of the Society on the 10th day of October prior to the election. Nominations must be in the hands of the Secretary not later than 5 p.m. on a day to be fixed by him, being a day between the 11th day of October and the 31st day of October.

(c) Not less than 14 clear days before the date of the annual general meeting, the Secretary shall forward to each member a ballot paper containing the name, occupation, and address of every nominee for office. The names of retiring councillors offering themselves for re-election shall be indicated by an asterisk. The ballot papers shall contain clear instructions on how to vote and state that the voting papers are returnable to the Secretary, and must be received by him on or before a day to be fixed by him and notified on the ballot paper, such day to be within 3 months of the end of the Society's financial year.

The instruction on how to vote shall contain the following instruction:

"Each member shall leave uncanceled the name of any candidate for whom he desires to vote, and shall strike out the name of any candidate for whom he does not desire to vote. Each member shall vote for the full number of candidates required to fill all positions, and any voting paper failing to comply shall be classified invalid."

(d) Any ballot paper received by the Secretary after the specified date shall be enfaced with the particulars of the date and time of receipt by the Secretary, and shall be disregarded in counting the ballot and may be destroyed at the expiration of 1 month after the date of the annual general meeting.

(e) When in an election there are more than six seats to be filled as a result of an appointment or appointments to a casual vacancy or vacancies in terms of rule 8 (4) (b) or 8 (4) (c), then the six candidates polling the highest number of votes shall hold office for 3 years; the candidate polling the seventh highest number of votes shall take the seat having the longest unexpired term, and hold office for the balance of such term; the candidate polling the eighth highest number of votes shall take the seat having the second longest unexpired term, and hold office for the balance of such term and so on.

(f) On receipt of the completed ballot papers (other than those received after the specified date), the Secretary shall hand them unopened to two scrutineers appointed by the Council, and receive a receipt from them for the total number

of ballot papers. The scrutineers shall then in the presence of each other, count the ballot and deliver to the Secretary prior to the opening of the annual general meeting, a certificate signed by each of them declaring the result of the ballot papers under sealed cover. The certificate of such scrutineers shall be conclusive. In the event of a tie for the last vacant seat on Council, the matter shall be decided by lot. The ballot papers may be destroyed on the expiry of 1 month from the date of the annual general meeting.

(g) The Chairman of the meeting shall, immediately following the adoption of the annual report and balance sheet, read out the names of the members successful in the ballot and the number of votes received by each candidate, and declare them elected to the Council for the prescribed period of office.

(h) Unless at a meeting of the Council, held prior to the Secretary calling for nominations in accordance with rule 9 (a) hereof, it should be resolved that this rule shall not apply to that election, then each candidate shall supply to the Secretary a personal statement having reference to his candidature, such personal statement shall be, as nearly as may be, biographical in form and shall consist of not more than 40 words nor less than 20 words in addition to the candidate's name, occupation, and address. The Secretary may then take such steps as he deems necessary to promulgate such statements to members.

(i) Subject only to the provision of rule 9 (h) hereof, no canvassing or touting shall be allowed. Any breach of this rule by any candidate or with his acquiescence or consent shall be deemed to disqualify the candidate from election. Disqualification of any candidate under this rule shall not operate to invalidate the voting paper under rule 9 (c) hereof, but the votes thereon for the disqualified candidate shall be disregarded.

Notice to Make Returns of Income Under the Land and Income Tax Act 1954

PURSUANT to the Land and Income Tax Act 1954, the Commissioner of Inland Revenue gives notice as follows:

1. Returns of income for the year ended 31 March 1971 (or other approved balance date) are required from:

- All companies, all partnerships, all persons in business (including farming) or in a profession, all persons in partnership, and all trustees, executors, and administrators, notwithstanding that by reason of a loss being incurred for the year or carried forward from a previous year, no taxation is payable.
- Every person whose total income from employment exceeded \$2,600.
- Every person who derived interest and/or investment or building society dividends over \$100 in the aggregate and whose total income (after deducting \$100 of that interest and/or investment or building society dividends) exceeded \$275.
- Every person who derived assessable income other than income from employment and whose total income exceeded \$275. Except that no return is required where the total income did not exceed \$1,070 and consisted exclusively of Universal Superannuation and/or company dividends.
- Every person who paid provisional tax in respect of income for the year ended 31 March 1971.
- Every person to whom section 104 of the Land and Income Tax Act 1954 applies. Section 104 relates to aggregate assessments of husbands and wives and in general terms now applies only where—
 - Income is derived by one spouse under a transfer or settlement of income by the other spouse and the assets producing the income are retained by or can revert to the other spouse.
 - Income is diverted from one to the other by permitting the use of assets or by the performance of services.
- Every person who received withholding payments. Note however, that a return is not required where a person does not come within any of the classes referred to in (a) to (f) above inclusive and the only withholding payments received were—
 - Juror's or witness's fees, and/or
 - Not in excess of \$24 in the aggregate and consisting of one or more of the following classes: Honoraria; fees for contributions to newspapers, journals, etc., or for radio or stage presentations; modelling or demonstrating goods or appliances; theatre, stage concert, and radio performances; payments for election-day services.
- Every unincorporated body which derived assessable income.
- Every absentee who derived income from New Zealand.
- Trustees of superannuation funds.

2. Returns are required to be furnished by posting or delivering the same to the office of the Inland Revenue Department nearest to the place of residence of the taxpayer, or if the taxpayer's records are held in another office of the Department, then to the latter office.

3. Returns are due on:

- 7 June 1971 when income was derived from salary, wages, superannuation (not Universal), pensions, taxable allowances, etc., and—
 - No other income whatsoever was derived, or
 - The other income derived consisted exclusively of not more than \$200 in total from dividends, net rents, interest (after \$100 exemption).
- 7 August 1971 in all other cases or within 2 months of balance date, whichever is the later. No action for failure to furnish a return due on 7 August 1971 will be taken if it is furnished by 7 September 1971.

The return to be used is IR 5 (green print) in the case of paragraph 3 (a) above. The IR 3 return should be used in all other cases.

In addition to IR 3, farmers are to complete supplementary return IR 3F and persons in business or in a profession are to complete supplementary return IR 3B. Companies are to use IR 4, estates and trusts IR 5A, and superannuation funds IR 44. Each form indicates the classes of taxpayers who are to use that form and, where applicable, the due dates for payment of provisional tax. Generally, the first instalment of provisional tax must accompany the return when furnished and is due on 7 August 1971. It must be paid on or before 7 September 1971 in order to avoid the 10 percent additional tax for late payment. The second instalment is, in general, due on 7 February 1972 with a 10 percent additional tax if not paid by 7 March 1972. In some cases a third instalment is, in general, due on 7 May 1972 with a 10 percent additional tax if not paid by 7 June 1972. Taxpayers who are not required to furnish (and do not furnish) a final return by the expiration of 1 month after the due date for payment of the first instalment of provisional tax, are required to furnish an interim return IR 5B unless they have been otherwise advised. This return is to be furnished not later than 1 month after the due date for payment of the first instalment of provisional tax. Fuller details are given in the interim return form.

4. All return forms are available at district offices of the Inland Revenue Department, and forms other than interim return forms, are also available at post offices. Company returns are available at post offices in urban areas with a population of 5,000 or more not having an Inland Revenue District Office.

5. Any person or company failing to furnish a return within the prescribed time is liable to a fine not exceeding \$200 and not less than \$4.

6. Any person who is not required under paragraph 1 to furnish a return and who has derived income from employment may elect to furnish a return using IR 5 if he requires an adjustment:

- Because he paid life insurance premiums.
- Because he considers that tax deductions made from his income were excessive.
- Because he was entitled to exemptions which were not included in his tax code during the year.
- Because he is entitled to deductions from income.

7. Any person furnishing a return of income who derived income taxed at time of payment should securely attach all tax deduction certificates (IR 12, IR 13, or IR 55) to the return form.

Dated at Wellington this 14th day of April 1971.

D. A. STEVENS, Commissioner of Inland Revenue.
