No member shall be a member of any other Exchange nor shall he be associated in any way directly or indirectly with a Stock Exchange that is not affiliated with the Stock Exchange Association of New Zealand.

*Objects*

3. The objects and purposes of the Exchange are to provide, regulate, and maintain a suitable building, room, or rooms in Christchurch for the promotion and facilitation of dealing in stocks, shares, bonds, debentures, and negotiable securities; underwriting and company flotations; to establish just and equitable principles in the transaction of business; to adjust controversies between its members; and to maintain uniformity in its rules and usages. Its funds are to be applied only for the purposes and objects herein set forth.

*New Zealand Stock Exchange Association Rules*

4. All persons who are members or non-member partners at the date of adoption of these rules and all persons subsequently making application for membership or approval as non-member partners shall be bound on election by the rules of the Stock Exchange Association of New Zealand and such rules will be deemed to be part of these rules.

*Members*

5. The number of members shall be limited to 30, exclusive of country members, or such other number as may be decided by members in general meeting.

6. Any licensed broker carrying on business at a distance of not less than 20 miles from the Christchurch Central Post Office may be elected a country member by this Exchange; provided that this Exchange is the nearest metropolitan Exchange to his place of business. A country member shall be elected annually and shall pay an annual fee payable in advance. The privileges of country membership shall expire on the 31st day of December of each year. Country members shall have the privilege of doing business with any member of any affiliated Exchange, but shall not be entitled or eligible to attend any meetings of the Exchange except as a guest, and shall not be entitled to vote or hold office or have any voice in the control, management, or affairs of the Exchange.

Such portion of these rules as deal with membership, management, meetings, election of members, interest in and transfer of membership and funds of the Exchange, shall not apply to country members unless otherwise specifically stated in the particular rule.

A country member shall be subject to the rules of the Exchange, and he shall be deemed to be on the roll of the Exchange. The election of country members shall be carried out in the same manner as prescribed in the case of ordinary members. New applicants for country membership shall pay an entrance fee.

7. A candidate for membership must, except as otherwise provided, make written application and pay the entrance fee. The application must be signed by two members of 12 months' standing as proposers. He must prove to the satisfaction of the Committee that he is able to discharge all his liabilities and make good, from his own means, deficiencies in any of his transactions to the extent of \$10,000 or such larger sum as the members may determine by resolution, or procure a guarantee to the satisfaction of the Committee. The Committee may thereupon, and not otherwise, submit the name of the candidate for election by the members. The name of the candidate shall be notified in writing to members at least 7 days before the day of election. The ballot shall be taken at a general meeting after such 7 days have expired.

8. The Committee may at any time call upon any member to satisfy it that he is still able to make good, from his own means, deficiencies in any of his transactions to the extent of \$10,000 or such larger sum as the members may determine by resolution, or procure a guarantee to the satisfaction of the Committee. Failure to satisfy the Committee of the requirements of this rule shall result in suspension or exclusion from membership.

No account shall be taken of the cost or value of the membership in arriving at the total of a member or applicant for membership's assets for the purposes of this rule and the preceding one.

*Transfer of Membership*

9. Any member may propose a candidate for membership in his stead, provided he at the time of such proposal lodge with the Secretary the resignation of his own membership. In the event of such candidate being rejected the member may again propose a candidate, until a candidate proposed by him shall be elected. Pending the election of a candidate proposed by him, the member shall retain his membership and all the privileges thereof; but as soon as a candidate proposed by him shall be elected the resignation of such member shall take effect.

10. The executors or administrators of any deceased member shall have the same privilege as that possessed by a resigning member of nominating a candidate, who may be proposed for membership in the place of the deceased member.

11. On transfer of a membership under these rules, notification of same shall be given to the Secretary in writing within 7 days.

12. The election of any candidate for admission to membership by virtue of his purchase of a membership from a member or the executors or administrators of a deceased member shall not be proceeded with until all claims, which

the Exchange or any member or members thereof may, under these rules, have or have had against the said member or deceased member, shall have been satisfied.

13. At any time after the resignation, retirement, or death of any member who is indebted to the Exchange, or to any member or members thereof, the Committee may sell and transfer the membership of the said late member, subject to the purchaser being duly elected. The Committee shall apply the proceeds in the first place, in payment of the amount due to the Exchange for any subscription, fine, or other liability owing by the late member; in the second place, in payment of the claims or the indemnification of any member or members who may, at the time of such resignation, retirement, or death, be creditors of the said member; and lastly, in payment of the balance, if any, to the resigning or retiring member, or the executors, or administrators of the deceased member, as the case may be.

14. The exercise by the Committee of the power contained in the preceding rule shall supersede all other rights of transfer of membership.

15. Candidates shall be elected by the members by ballot. One negative vote in five shall exclude. No ballot shall be valid unless at least one-third of the total members of the Exchange entitled to vote do actually vote. No rejected candidate shall be again proposed for election within the space of 12 months after his rejection.

16. The resignation of a member who does not at the time of lodging such resignation propose a candidate for membership in his stead, shall not take effect unless it be accepted by the Committee.

*Deceased or Ex-Members have no Claim on Assets*

17. Members who resign or cease to be members from any cause whatever, or the executors or the administrators of any deceased member, shall have no claim on the assets of the Exchange.

*Forfeiture and Disposal of Interest in Membership*

18. Any member expelled from the Exchange shall forfeit to the Exchange all interest whatsoever in his membership, and shall cease to have any claim whatever on, or to the property or funds of, the Exchange, and the Committee may, at their discretion, sell and transfer such forfeited membership, subject to the purchaser being duly elected.

19. The Committee shall apply the proceeds in the first place, in payment of the amount due to the Exchange for any subscription, fine, or other liability owing by the late member; in the second place, in payment of the claims or the indemnification of any member or members who may, at the time of such expulsion, be creditors of the said member; and the balance, if any, shall be disposed of as provided by these rules.

*Rights and Privileges of Members—Personal*

20. The rights and privileges of every member shall be personal to himself and shall not be transferable by operation of law nor by his own act except as provided in these rules.

*Interest in Membership*

21. Every member shall have an interest in his membership, but he shall have no power to, and shall not, encumber or assign the same by way of mortgage, and the Exchange shall have a preferential lien thereon for any debt or debts owing by the said member to the Exchange or to any member or members thereof.

22. Certificates of Membership shall be issued by the Committee, bearing the Official Seal of the Exchange and the signatures of the Chairman, Vice-Chairman, and Secretary. Each member shall sign a receipt acknowledging this Certificate to be the property of the Exchange. Every Certificate of Membership shall remain the property of the Exchange and the Committee shall be at liberty at any time to call for and compel its production and delivery. Any person ceasing to be a member shall, upon application by the Committee or by the Secretary, return his Certificate of Membership for cancellation.

23. Every member or country member and every approved non-member partner at the date of adoption of these rules shall be bound by these rules. Every candidate for election as a member or country member and every candidate for approval as a non-member partner shall, when making application for election or approval, agree in writing to be bound by these rules.

*Non-Member Partners*

24. If a member enters into partnership with any person who is not a member of the Exchange, then the member shall ensure that within 1 month after the formation of the partnership such partner as proposed for the approval of the

Exchange by a ballot in the manner hereinbefore provided, as if such partner were a candidate for admission to membership. In the event of such partner not being approved by the Exchange, the member shall dissolve the partnership with the partner who has not been approved. Failing the dissolution of such partnership within 1 month after the taking of the ballot, the member or members remaining in partnership with the partner who has not been approved shall be deemed to have retired from the Exchange and to be no longer a member or members.

An approved partner shall have the right to attend all trading meetings of the Exchange and to make quotations and purchase or sell shares. He shall not be entitled to attend or vote at any general meeting of the Exchange. Every rule regulating or relating to transactions between members, or between members and non-members, or to the obligations of members to other members or non-members, or to the Exchange as to the conduct, business practice, or ethics of members, shall bind an approved partner as if he were a member.

The members at a general meeting may, on the recommendation of the Committee, resolve to withdraw the approval of any partner who has been guilty of conduct which, in the opinion of the Committee, would demand his expulsion if he were a member of the Exchange, and in such case the same consequence shall follow as if such withdrawal were a disapproval of that partner by the Exchange on an original application for his approval.

#### Authorised Clerks

25. Without limiting the powers of a member under these rules, the Chairman or Vice-Chairman may grant a member permission for a clerk in his service to attend the official meetings, for the purpose of making quotations and the purchase and sale of shares on behalf of such member and in his stead, but for no other purpose. Such authorised clerk shall be subject to the rules and usages of the Exchange, but shall not have a vote at any meeting, or any voice in the management of the Exchange. The Chairman or Vice-Chairman may withdraw the permission at any time.

26. A clerk so admitted to official meetings shall be deemed to be the agent of his employer, and the member on whose application he is admitted shall be responsible for all the transactions of the said clerk.

27. A clerk shall not be eligible for admission unless he be at least 20 years of age.

28. A member may, by a letter addressed to the Secretary, withdraw the authority to his clerk to act, but his responsibility shall continue until such withdrawal shall have been notified to the members in writing.

- (a) If the clerk of any member commits any violation of any usage of the Exchange, or of the letter or spirit of these rules, the Committee, in addition to its powers over such member conferred by these rules, may at its discretion call upon such member to dismiss such clerk from his employment within such time as the Committee thinks fit.
- (b) Without the permission of the Committee first had and obtained, no member shall at any time during a period of 2 years from the date of a direction of the Committee under paragraph (a) of this rule employ any clerk dismissed by a member in accordance with its terms.
- (c) Any member who is called upon under the provisions of this rule to dismiss any clerk, and who fails to do so within the time mentioned in the Committee's requisition, shall be liable to be dealt with by the Committee under the provisions of these rules.
- (d) Before the Committee gives any direction under this rule, any member or employee of a member to whom the direction applies shall have a right to be heard by the Committee and may be represented at the hearing by his solicitor or counsel.
- (e) Any decision by the Committee under this rule shall be subject to a right of appeal, by a member or his employee concerned, to the Committee of the Association.

#### Defaulters

29. The Committee shall suspend for such period as it shall think fit, and may also fine or recommend for expulsion, any member who shall fail to pay when due any debt incurred by him to another member. Should the Committee decide to recommend the member's expulsion, they shall report accordingly to the members at a special general meeting called for that purpose. It shall be competent for the said special general meeting to confirm the Committee's recommendation and expel the member so brought before them,

or deal with him by fine or suspension from membership. A member who becomes insolvent or assigns his estate for the benefit of, or compounds with, his creditors, shall *ipso facto* cease to be a member, and shall forfeit to the Exchange all interest in his membership and in the funds and property of the Exchange, notwithstanding that he may not be at the same time a defaulter on the Exchange.

30. The Committee shall have power to order that all open transactions, including time bargains, between any member unable to meet his engagements and other members shall be closed within a time to be named by the Committee. Such transactions shall be closed accordingly by the Chairman buying or selling in the market on account of the member in default such stock or shares as he may have contracted to sell or purchase. The Chairman shall charge current rate of brokerage to the defaulter, and such brokerage shall be the property of the Chairman. Members shall, without delay, render full statements of account to the Committee.

31. Should it come to the knowledge of any member of the Exchange that a broker, either in Christchurch or elsewhere, has failed to meet his engagements, the said member must at once report the circumstances to the Chairman who shall bring the matter before the Committee at its first meeting for decision as to what action shall be taken. Any member failing or neglecting to report to the Chairman as above specified shall be liable to be fined a sum not exceeding \$400, or to be suspended at the option of the Exchange.

Nothing in this rule shall be deemed to require any member who is also a member of the Fidelity Fund Board to disclose information which is confidential to that Board.

32. The Committee shall have power to investigate the accounts of members with a member in default, and to reject or require the correction of any items which they may deem unsatisfactory.

33. Members, creditors of a member in default, shall have a preferential claim on all surpluses in the hands of other members resulting on the closing of transactions open at the time of default, and also on all moneys which may become payable to a member in default out of funds in the hands of the Committee from the estate of another member in default. All surpluses in the hands of members resulting on the closing of open transactions with a member in default shall be paid to the Committee.

34. The Committee shall distribute as soon as possible amongst members, creditors of the member in default, the surpluses received from other members on his account, and all moneys due to him out of funds in the hands of the Committee from the estate of another member in default.

#### Distribution of Assets of Ex-Members

35. The Committee, in dividing amongst members, creditors of a late member, the proceeds received by them on sale of a membership, after deducting all liabilities due to the Exchange, or in dividing any surpluses received by them from members on account of a defaulting member's estate, or in dividing any moneys due to him out of funds in the hands of the Committee from the estate of another member in default, shall not necessarily distribute the same pro rata, but may, in their discretion, give preference either wholly or in part to claims of recent date over claims of longer standing which were not divulged to the Committee at the time they arose.

36. Claims on the estate of a resigning, retiring, or deceased member, that do not arise from transactions under these rules, shall not be recognised by the Committee until all claims that have arisen from transactions under the rules shall have been satisfied.

37. A member shall not, without the consent of the Committee being first obtained, employ in his business a former member who has made default or who has been expelled from membership for any reason, unless such person shall have made an arrangement with his creditor satisfactory to the Committee.

#### Non-Members—Failure to Meet Engagements

38. Non-members shall pay for all stocks or shares purchased on their account before 2 o'clock on the day following the purchase, unless an agreement be made in writing to the contrary.

Should a purchaser, not a member, fail to pay the amount due on his purchase as provided by this rule, either the seller or his broker, or the purchaser's broker shall be at liberty, at any time thereafter, at his or their option, either to sue such purchaser for breach of contract, or to re-sell the securities in any manner and upon such terms and conditions as he or they may think proper and to sue for the difference and all loss and expense consequent upon such re-sale,

whether the same shall be made immediately on such failure to pay as aforesaid or at any time thereafter; and all damages which the seller, or his broker, or the purchaser's broker may sustain thereby shall be recoverable by him, or them, from the purchaser as and for liquidated damages, and it shall not be necessary to give notice of any such re-sale.

39. In the event of any person, not a member, failing to meet any engagement with a member of the Exchange, the member may apply to the Committee to have such person posted as a defaulter. The Committee shall enquire into the case and, if satisfied that such default has been made, shall post the said person and announce to the members that he is in default.

40. A member shall not transact business for a non-member who has been announced to the members as a defaulter, unless such person shall have made an arrangement with his creditor or creditors satisfactory to the Committee.

#### *Management*

41. The management of the Exchange shall be vested in a Committee consisting of the Chairman, Vice-Chairman, the immediate past Chairman and four other members, and such Committee shall have (subject to these rules) the direction and control of the affairs of the Exchange, and they shall forthwith provide a Common Seal for the Exchange, and they shall have power from time to time to destroy the same and substitute a new seal in lieu thereof, and they may make regulations for the use and safe custody of the Common Seal, provided always that every instrument to which the seal shall be affixed shall be signed by at least two members of the Committee and counter-signed by the Secretary or some other person appointed by the Committee.

42. In the event of any member of the Committee other than and excepting the Chairman and Vice-Chairman being absent from three consecutive meetings of the Committee, without leave of the Chairman or, in his absence, the Vice-Chairman, his seat thereon shall be declared vacant. Meetings of the Committee shall be held at such place and at such times as the Committee for the time being shall determine.

43. The Committee shall be elected annually at the annual general meeting by a majority of the members of the Exchange present and voting and shall hold office until the election of the new Committee at the annual meeting in the following year. A Chairman and Vice-Chairman shall be elected at the annual general meeting and shall hold office until the election of a new Chairman and a new Vice-Chairman at the annual meeting in the following year. Each such election shall be by ballot and the persons elected shall take office immediately after the close of the annual general meeting at which they are elected. At each general meeting the Chairman, Vice-Chairman, and all other members of the Committee shall retire and be deemed to have vacated office, but each of them shall be eligible for re-election to the office which he has vacated. Any member desiring to be or become a candidate for office must be proposed by one member and seconded by another member, and the nomination must be lodged with the Secretary 21 clear days at least before the day fixed for the annual meeting, otherwise such member shall not be deemed to be nominated.

The names of the retiring members eligible for re-election and of candidates who have been proposed, shall be notified in writing to all members with the notice of the annual general meeting.

44. A member of the Committee shall not at any meeting take any part in any proceedings relating to any complaint concerning such member, or otherwise having reference to the conduct of such member, or relating to any other matter in which such member has a special interest, and such member shall not be entitled to vote at any subsequent meeting of members dealing with any such subject or matter.

45. A member of the Committee shall not take part in any of its meetings pending the investigation of a charge affecting himself.

46. The surviving or continuing members on the Committee, notwithstanding any vacancy in their number, may act until the vacancy be filled up.

47. At meetings of the Committee all questions shall be decided by a majority of the members present.

#### *Secretary*

48. The Committee may from time to time appoint a Secretary who shall hold office during their pleasure and at such remuneration as they may from time to time fix.

49. In the absence of the Secretary from any meeting, or in case of his suspension, the Chairman shall carry out his duties or may appoint another member to do so.

#### *Treasurer*

50. The Secretary shall keep the accounts and act as Treasurer and shall have the custody of all books and papers. He shall present at each annual general meeting a statement of the finances of the Exchange to the end of the previous year, duly audited.

#### *Chairman*

51. The Chairman, or in his absence the Vice-Chairman, shall preside at all meetings of the Exchange and of the Committee, but in the event of both being absent the members present shall elect a Chairman for that occasion.

52. The Chairman of any meeting shall have entire control thereof and shall regulate the order and manner in which the business shall be conducted. The decision of the Chairman shall be final in all cases submitted to him.

53. In all cases, at any meeting when on a division the votes are equal, the Chairman shall have a second or casting vote.

54. In the event of any member or members obstructing the business of the meeting or being guilty of any breach of etiquette, of which the Chairman shall be the sole judge, the Chairman shall have power to inflict such fine, not exceeding \$10, as he may deem advisable.

#### *Occasional Vacancy*

55. Any occasional vacancy in the Committee, or in the position of Chairman or Vice-Chairman, shall be filled at a special general meeting of members to be summoned by the Committee for that purpose without unnecessary delay.

#### *Power of Committee to Procure Information Relative to Matters under Investigation*

56. Members and their clerks when required so to do by the Committee, shall attend any meeting of the Committee and then and there shall give such information as may be in their possession relative to any matter under investigation.

57. *Alteration of Rules*

Any proposed alteration, amendment, or repeal of these rules must be passed by a three-quarters majority of those members present and voting.
