No. 528-534

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for decisions in respect of the following books: *Glory* by Russ Emery, *Maiden Voyage* by James Harvey, *Nephew of Nippon*, Vol. 1, by Peter Nagai, *What The Teacher Taught* by Charles Morton, *A Party for Laura Lee* by L. L. H., *Hot Set* by F. D. Phillips, *The Ballad of Bubblegum Park* by Danny, all published by Venice Publishing Corporation, California.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer. No submissions were made.

## DECISION OF THE TRIBUNAL

IN the first four of these novels incidents of sexual depravity and exploitation abound. In the other three the incidents are neither as numerous nor as extreme but the treatment of the sexual behaviour of the characters has a similar persistent appeal to prurient excitement.

All seven books deal with sex in a gross way and they have nothing else to offer.

The Tribunal classifies these books as indecent.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Rakehell Patriot* by Arthur Yuill, published by Bilife Publications Incorporated, Delaware.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THIS is stated to be an edition in the modern version by Bruce Lord of a novel by Arthur Yuill privately printed in England in 1789 or 1790. As an introduction the book contains an account by Havelock Ellis written in 1935 of the difficulties he encountered in arranging publication of his well-known book *Man and Woman*. This has no relevance to the story but is apparently intended to give credence and acceptability to the purposes of the publishers in resurrecting the book. The publishers claim that the book has interest and merit as an authentic account of life in an earlier period.

The novel relates the sexual exploits and aberrations of an English earl in the time of the American Revolution. The historical setting is simply a vehicle for the presentation of depraved sexual practices as exciting aristocratic living. The fact that the book has been translated into modern English (to quote the publishers) robs it of any claim to scholarly interest as a period work.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Only a Boy*, anonymous, published by Collectors Publications, California.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THIS is a cheaply produced, poorly printed, slim paperback of under 60 pages containing firstly, an anonymous account of a young boy's seduction by a woman over twice his age, and secondly, a short work, in question and answer form, called *The Whores Catechism* by one Mary Wilson. Neither work has any literary or artistic merit and while, particularly in the case of the second work, their corrupting influence may be small, both works deal with matters of sex in a manner that is injurious to the public good.

The Tribunal classifies this book as indecent.

R. S. V. SIMPSON, Chairman.

No. 538

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Secretary for Justice for a decision in respect of the book *The Intimates* by Ricki Francis, published by Scripts Publications, Australia.

Mr Moody appeared on behalf of the applicant. There was no appearance of the publisher's representative in New Zealand. No submissions were made.

## DECISION OF THE TRIBUNAL

THE author of this paperback, Ricki Francis, has written a number of books, the characters in which inhabit a grubby world of vice, viciousness, and depravity. None of the individuals portrayed in *The Intimates* is pleasant or wholesome. Nevertheless, the characters are not drawn without some skill and understanding, and while sexual urges provide the motivation behind the action of the story, with homosexuality a prime interest, there is not the gross obsession with physical detail which typifies spurious portrayals of this kind of life. The book is not one which would tend to corrupt and would be unlikely to interest most young readers.

The dominant effect of the book as a whole is a feeling of revulsion against the scenes depicted and of compassion for the actors in them.

The Tribunal classifies this book as not indecent.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Teenagers* by Jean Dor, published by Montemartre Press, Los Angeles.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. A written submission was made by the importer.

## DECISION OF THE TRIBUNAL

THIS paperback contains translations of two French pseudo-autobiographies—the one of an adolescent boy, the other of an adolescent girl. They have no literary merit and their clear purpose is to provide flimsy vehicles for recounting sexual episodes of gross indecency.

The Tribunal classifies this book as indecent.

R. S. V. SIMPSON, Chairman.

No. 539

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Business As Usual* by Soliman Peters, published by Collectors Publications, California.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THIS novel, described in the foreword as a "classic French work of erotic realism", has no redeeming features to commend it. It is a crude and debasing account of the sexual exploits of a young French businessman and a few people in his circle. The characters are brought into the story for one purpose only—as vehicles for prurient obsessions—and the book is degrading.

The Tribunal classifies this book as indecent.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *For Me And My Friends* by David Rottenberg, published by Grove Press Incorporated, New York.

There was no appearance on behalf of the applicant. Mr Campbell appeared on behalf of the importer and made submissions.

## DECISION OF THE TRIBUNAL

THIS is an unpleasant and unwholesome book. The young people it depicts live in a hopeless world of sexual involvement with each other and their lives are meaningless, frustrated, and empty. In the descriptions of episodes in the youthful "narrator's" life, there is an indication of some understanding of the difficulties of the young in trying to cope with the growing-up process, but the obsession with sex (and in part drugs) is so great as to make the purpose of the book suspect. Most of the sexual encounters are recounted coarsely and in gross detail, and the dominant effect is an attempt to appeal to prurience.

The Tribunal classifies this book as indecent.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for decisions in respect of the following books: *House of Shame* by Max Stauffer, *The Impossible Transplant* by Russ Miller, *Journey to Eros* by Patrick Doyle, *Lament for a Loser* by Leonard Sands, *The Last Affair* by Lyle Forbes, *Love him to Death* by John Mitchum and *One for the Money* by Douglas Dean, all published by Greenleaf Classics Incorporated, California.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer. No submissions were made.

## DECISION OF THE TRIBUNAL

THESE seven paperback novels of American origin have a variety of plot and character but share in common a relentless attention to the endless detail of continual sexual encounter—heterosexual, homosexual, lesbian, bisexual. Their air of unreality is matched only by the tedium involved in reading them, and none possesses any redeeming feature which could lead the Tribunal to any other conclusion than to declare them to be indecent.

The Tribunal classifies these books as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Freedom to Love* by Phyllis and Eberhard Kronhausen, published by Grove Press Incorporated, New York.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THIS book consists of the script of a film made by the well-known American husband-and-wife team of sexual psychologists, Phyllis and Eberhard Kronhausen, liberally illustrated with stills from the film. At the end are a series of transcripts of interviews (some with people like Hugh Hefner, founder of *Playboy*, and Kenneth Tynan, the dramatic critic) parts of which were used in the film. The film is a plea for complete sexual freedom. By itself the text would not be objectionable, but the selection of stills and sequences used spoil the total effect and appear often to have been chosen (particularly the cartoons) to arouse prurient interest.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for decisions in respect of the books *Canine Sexualis* by W. W. Waive, published by Publishers Export Co. Incorporated, California, and *1001 Ways to Make Love* by Tuli Kupferberg, published by Grove Press Incorporated, New York.

There was no appearance of the applicant nor of the publisher's representatives in New Zealand. Mr Campbell appeared on behalf of the importer of *1001 Ways to Make Love*. No submissions were made.

## DECISION OF THE TRIBUNAL

SECTION 16 of the Act provides that the Tribunal shall announce its decisions and give reasons for them in writing. These two books depict sex in a manner that is injurious to the public good. They warrant no further comment.

The Tribunal classifies these books as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Screw Reader* by Jim Buckley and Al Goldstein, published by Lyle Stuart Incorporated, New York.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer and made submissions.

## DECISION OF THE TRIBUNAL

THIS hardback book is a selection of articles, cartoons, and photographs from an American newspaper called *Screw, The Sex Review*. If sold in New Zealand it would retail at a price in excess of \$13.

The book is written in a racy and flippant style and its contents cover every form of sexual activity and perversion. Many of the photographs, cartoons, and drawings are objectionable and depraved and the same can be said of a large part of the text. Taking into consideration the matters referred to in section II (1) of the Act, the Tribunal is of the opinion that it would be injurious to the public good to allow this book to be freely available.

Mr Campbell informed the Tribunal that the book had not been ordered by his company but he suggested that it might be of interest to clinical psychologists. The Tribunal cannot see any professional value in the book.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *They Pose for Profit* by Neill Elliott, published by Greenleaf Classics Incorporated, California.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer. No submissions were made.

## DECISION OF THE TRIBUNAL

THIS paperback book claims to recount case histories of young girls who are attracted to the "big city" to stardom as models, but instead fall into the clutches of sexual pervers and professional pornography racketeers. The cases are sordid and some depraved. The credentials of the writer are not given and there is no evidence of the authenticity of the case histories. The book has nothing to commend it.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Variations in Modern Marital Behaviour* by John F. Trimble, Ph.D., published by Venice Publishing Corporation, California.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer. No submissions were made.

## DECISION OF THE TRIBUNAL

THIS is a book purporting to deal objectively and helpfully with marital practices. Its author is described as a well-known marriage counsellor in Washington and much of the writing is responsible enough. There is, as so often in such books, a wealth of case histories reported in great detail, often with insufficient commentary. In addition, there is in this book a lack of balance in that the variations seem to be largely anal, bestial, and group activity. It could be interpreted as approving and encouraging forms of behaviour not at present acceptable here to law or to society. Dr Trimble has already written a bestseller on *The Group Sex Scene* and this popularising of his specialist knowledge may lead him to recount the more lurid and bizarre stories. Premature reading of such could well have a corrupting influence on those without sufficient experience to provide the necessary perspective.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *My Love Life* by Frank Harris, published by Boone Enterprise, France.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

IN 1967 (decision 50) the Tribunal considered the five-volume *My Life and Loves* by Frank Harris and classified it as not indecent. The content of this present book (published in Nice in 1931) is similar. Harris is the same shrewd enterprising Don Juan with the same literary and political connections; beside his sentimental reminiscences he gives some picture of the society of the time, especially in its literary and political aspects. The main preoccupation of the author is his sexual exploits but although these are frank and repetitive they do not exhibit cruelty or perversion, and the tone in which they are recounted is never objectionable.

The Tribunal classifies this book as not indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Sons of Priapus* by Krystofalus Voyager, published by Greenleaf Classics Incorporated, California.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer. No submissions were made.

## DECISION OF THE TRIBUNAL

THE worship of every phallic pleasure through the brotherhood of Priapus, the Greek god of fertility, is the nub of this modern novel. The settings are in Rome and the islands of Greece and as the title suggests, the practice of homosexuality is the chief occupation of the characters. Their perverted and depraved practices are described in detail and it is not in the interest of the public to allow this book to be available for general reading.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Alphabet of Copulation*, anonymous, published by Argyle Books, Los Angeles.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer and made submissions.

## DECISION OF THE TRIBUNAL

SUPPOSEDLY a collector's piece of rare Victoriana, this publication is in text and illustration an ugly, perverted, and debased treatment of sex. It has no redeeming feature.

The Tribunal classifies this book as indecent.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Love in the Open Air* by Tuppy Owens, published by Cand Haven Ltd., London.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer and made submissions.

## DECISION OF THE TRIBUNAL

THIS is an illustrated account of the uses of fences, stone walls, metal roads, tree trunks, drinking troughs, and car bonnets in achieving sexual enjoyment. There are captions, most of them cheaply facetious and some bearing little relevance to the photographs. This volume is labelled *1. Spring* and is part of a four-season series devised by a zoology graduate. It is a silly book in poor taste and is unsuitable for display to children but is unlikely to have a corrupting influence on adults.

The Tribunal classifies this book as indecent in the hands of persons under the age of 18 years.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Secretary for Justice for a decision in respect of the book *Sweet Humiliation* by Christel and *Dusky Flesh* by Francoise Noule, published by Montmartre Press, Los Angeles.

Mr Moody appeared on behalf of the applicant. There was no appearance of the publisher's representative in New Zealand. No submissions were made.

## DECISION OF THE TRIBUNAL

*Sweet Humiliation* by Christel and *Dusky Flesh* by Francoise Noule, published by Montmartre Press, are contained in a paperback book and, according to the cover, are "translated from the privately printed French edition" and "for entertainment of adults only sale to minors prohibited".

Both stories recount sexual activities of a perverted and degrading nature. There is no literary or social merit and they have not been written with any honesty of purpose.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Erotiek Inbeeld Heterosexualiteit*, anonymous, published by Aquarius Amsterdam, Holland.

There was no appearance of the applicant. Mr Campbell appeared on behalf of the importer and made submissions.

## DECISION OF THE TRIBUNAL

THIS book is one of a series dealing with sexual life including, if the advertisement on the cover is any guide, the sadistic perversions.

The text is not clinical or academic but consists of a slight story of two young lovers enjoying a day on the beach. This "story" is the occasion for profuse illustration in photographic plates (both in colour and in black and white) of all the nuances of erotic delight. While there is nothing corrupting in these pictures there seems very slight justification for spelling out in such explicit form the intimacies of sexual desire and satisfaction. There comes a point where stimulus to the imagination passes over into the stultifying of it, which perhaps happens here.

The tone, however, is sincere and natural enough; the only ground of objection could be the illustrations of oral sex, but these are few.

Because of the adult nature of its content some restriction should be placed on the sale and display of this book.

The Tribunal classifies this book as indecent in the hands of persons under the age of 18 years.
