*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Secretary for Justice for a decision in respect of the book *Die 64 Besten Sexfotos* by Andre de Dienes, published by Stephenson Verlag, Flensburg, Germany, and in respect of the book *Nude Photography* by Andre de Dienes published by Seven Seas Publishing Pty. Ltd.

Miss Bryson appeared on behalf of the applicant. There was no appearance of the publisher's representative in New Zealand. No submissions were made.

DECISION OF THE TRIBUNAL

BOTH these books by Andre de Dienes consist of photographs of the female nude taken in the open air; the former has no text, the latter only a little, and that silly. In decisions 103 and 111 the Tribunal has classified similar works by this photographer as indecent, mainly on the ground that there was in the contrived and blatant poses more evidence of prurience than of aesthetics. Perhaps in the two books now before us the balance is the other way. Certainly arbitrary selection of pages for display would not be in the public interest. Taking each book as a whole we think a restriction is sufficient.

The Tribunal classifies these books as indecent in the hands of persons under the age of 18 years.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Book of the Bed* by Lars Hendle, published by Fitzwilliam Publishing Co., London.

There was no appearance of the applicant. Mr Downey, solicitor, appeared on behalf of the publisher's representative in New Zealand and made submissions.

DECISION OF THE TRIBUNAL

THIS "photographic guide to sexual intercourse" deals with such refinements of the subject as "synaesthesia, positionology and the teleology of positions". The text is pretentious and smart, providing poor excuse for the proliferation of close-ups and smalls; the models and their posturings are equally repulsive.

The Tribunal classifies this book as indecent.

R. S. V. SIMPSON, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *Freewheelin Frank* by Frank Reynolds, published by Grove Press Incorporated, New York.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

DECISION OF THE TRIBUNAL

THIS is a paperback edition, published in 1968, of what purports to be an autobiographical account of membership of the San Francisco gang of bikies known as Hell's Angels. The gang secretary, Frank Reynolds, tells his story to the American author and playwright, Michael McClure. We have not been able to check on its authenticity. The way of life portrayed is crude, cruel, violent, sordid, and ugly.

The Tribunal has classified a number of novels set in the same kind of environment. We refer to three of these, published by the New English Library Ltd. of London. In decisions No. 350 and 500 the novels *Chopper*, *England's King of Angels* and *The Bikers* were classified as indecent in the hands of persons under 18 years of age. The third novel, *The Run*, was, in decision No. 582, classified as indecent. *Freewheelin Frank* is more appropriately classified with the first two than with the third. In fact it has a greater ring of truth and more penetrating insight into the unrestrained and violent emotional storms that drive gang members into such anti-social behaviour than any of the three. We feel that it would be wrong to deny access to it by mature readers, but the possibility of emulation by the immature for "kicks" makes an age restriction desirable.

The Tribunal classifies this book as indecent in the hands of persons under the age of 18 years.

R. S. V. SIMPSON, Chairman.

No. 587

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Dice Man* by Luke Rhinehart published by Panther Books Ltd., London.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

DECISION OF THE TRIBUNAL

THIS long novel is centred on an American psychiatrist (same name as the author, oddly enough) who hits on a new form of therapy—using a dice to determine one's actions. Six possible courses of action are decided on, the die is cast, and whichever course it indicates is carried out. It is not running your life purely by chance, of course, because you control the six alternatives, and they can be innocuous or dangerous. The plot becomes highly involved, with the die almost elevated into a new religion, at times there is a fairly strong sexual content.

The novel has some literary skill, and the basic idea is developed in a quite entertaining way. It does not appear to the Tribunal to be one which is likely to cause harm, nor to offend many. The Tribunal classifies this book as not indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Secretary for Justice for a decision in respect of the book *The Lure of Lesbos* by Jago Jones published by Franklin Publishing Co.

Miss Bryson appeared on behalf of the applicant. There was no appearance of the publisher's representative in New Zealand. No submissions were made.

## DECISION OF THE TRIBUNAL

THIS paperback novel which we note is a "Adult Special" is about the lesbian relationship of three women. The story is thinly contrived and tedious to read. There is an endless detail of lesbian sexual encounters which leads us to declare the book as indecent.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Secretary for Justice for a decision in respect of the book *Advance Sexual Joys* by Gilbert Oakley, D.Psy., published by Bens Books Ltd., London.

Miss Bryson appeared on behalf of the applicant. There was no appearance of the publisher's representative in New Zealand. No submissions were made.

## DECISION OF THE TRIBUNAL

THIS paperback written by Dr Oakley who is a specialist in sexology gives detailed advice on how to make the best possible use of the function of the orgasm and describes and advises on sexual techniques for men and women.

At the end of the book there are 44 photographic illustrations of coital postures which are detailed in the text of the book. The photographs are not posed suggestively and the text is informative.

Because of the adult nature of its contents some restriction should be placed on it.

The Tribunal classifies this book as indecent in the hands of persons under the age of 18 years.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by Seven Seas Publishing Pty. Ltd. for a decision in respect of the book *Sexual Harmony in a Motor Car* by Elizabeth Indigo, published by Fitzwilliam Publishing Co., London.

There was no appearance of the applicant. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THIS is a book of a 100 photographs and in 3 languages all about sexual intercourse inside and on top of a car. The introduction says that "as driving now is little enough fun, and making love is, Fitzwilliam Press have produced this diverting little guide to add variety and invention" to your drive. If it were as funny as it could well be, the humour might have saved it. It is however merely ridiculous, and in our view obscenely so.

The Tribunal classifies this book as indecent.

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by Seven Seas Publishing Pty. Ltd. for a decision in respect of the book *The Truth About Incest* by Daniel Hasokes, published by Riverhaven Ltd., London.

There was no appearance of the applicant. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THIS book deals with the historical, social, and personal aspects of the subject. The cover picture and blurb give a false impression of sensationalism. It is a popular but serious study, written responsibly and without undue or salacious dwelling on the details of case histories.

The Tribunal classifies this book as not indecent.

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the magazine *Modern Sunbathing* published by Seven Seas Publishing Pty. Ltd.

There was no appearance of the applicant nor of the publisher's representative in New Zealand. Accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THERE are some characteristics of this magazine which do not usually belong to a nudist magazine: almost all the photographs are of young women; some are decorated, some posed provocatively. But there is no distortion, no appeal to prurience, no perversion or crudity. The articles are slight but harmless.

The Tribunal classifies this book as not indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by Hutchinson Publishing Group Ltd. for a decision in respect of the book *A Pictorial Guide to Sexual Fulfilment* by Dr Robert Chartham, published by David Bruce and Watson Ltd., London.

There was no appearance of the applicant and accordingly no submissions were made.

## DECISION OF THE TRIBUNAL

THIS is yet another book in the copious Chartham series. It is large, stiff-covered, gold-on-white, and sealed in polythene. A general introduction is followed by 70 photographs each with detailed comment. The matter is straightforward and Dr Chartham's careful spelling out of lovemaking could be a help to the unimaginative or the bored. Because of the adult nature of the subject an age restriction seems appropriate.

The Tribunal classifies this book as indecent in the hands of persons under the age of 18 years.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Photographic Manual of Sexual Intercourse* by L. R. O'Conner, published by Pent-R Books Incorporated, New York.

There was no appearance of the applicant. Mr Downey appeared on behalf of the publisher's representative in New Zealand and made submissions.

## DECISION OF THE TRIBUNAL

THIS manual is a paperback reprint of an American ready seller and makes the unlikely claim that it is "America's first complete sex course in one volume". It is cheap in everything except the price, though poor quality alone is not ground for declaring it indecent. Of more significance is the subject matter and while some of the text is helpfully explanatory much of it is inappropriate in tone and reference; in particular two chapters of detail and photographs on oral-anal sexuality are unnecessarily explicit. The book as a whole appears to lack integrity and honesty of purpose.

The Tribunal classifies this book as indecent.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the book *The Art of Sensual Massage* by Gordon Inkeles and Murray Todris, published by Straight Arrow Books, San Francisco.

There was no appearance of the applicant. Mr Taylor, the importer, appeared and made submissions.

## DECISION OF THE TRIBUNAL

IN submissions made on behalf of Alister Taylor Publishing Ltd., Mr Taylor described this book as a massage instruction manual, likely to sell at about \$4.25; well-designed, containing photographs which illustrate the steps in the techniques explained. Mr Taylor claimed that "photographs of fully nude persons appear only when absolutely necessary"; in fact this has been absolutely necessary everywhere except in the brief appendix. As the submission rightly went on to point out, however, nudity is not regarded by the Tribunal as indecent.

Mr Taylor further submitted that "the book has no sexual content". Apart from the circumstance that all the photographs are of young man/young woman activity (which superficially gives impression of sexual content), there is a section of the book entitled "Erotic Massage". But again, sexual content does not in the view of the Tribunal constitute indecency.

Mr Taylor made offer of expert witnesses to support the validity of the book as "teaching a skill which has a clear medical and personal benefit". The Tribunal thinks this evidence unnecessary as the point is obvious.

Mention was also made of the high reputation of the publishers (Straight Arrow Books), of the large sales of the book in America, and of the pending British edition by a "very well-established and conservative publisher". We regard these points as interesting but not strictly relevant.

This book appears to fulfill the author's intention to provide a "book of pleasure" in which the techniques of massage are described in order to teach a method of rediscovery of "touch, the oldest and truest form of communion". There is nothing objectionable in content, tone, format, or photography.

Mr Taylor made an application for costs which was considered by the Tribunal. It was decided not to make an order for costs.

The Tribunal classifies this book as not indecent.

R. S. V. SIMPSON, Chairman.
