In accordance with the provisions of the Tariff and Development Board Act, the Minister of Customs requested the Board to undertake an inquiry and report on what form of permanent protection, if any, it considers necessary to protect the New Zealand industry in relation to the importation of marine jet units, for the propulsion of vessels, whether or not mounted on motors, and classified within Tariff item 84.08.200.

Copies of this statement can be obtained from the undersigned. Parties intending to make representations or requests about the exemption from import licensing of goods at present not so exempt are asked to take into account the statement in the 1972 Financial Statement (page 19) that "the Government has also decided that where the industry is to be exempted from import licensing there should be provision in appropriate cases for a phase-out period which in general will be for up to three years".

4. Any person who intends to tender evidence should lodge, in typewritten form, 14 copies of public evidence and 12 copies of confidential evidence, to be presented under oath at the public hearing, at the Board's office no later than Thursday, 26 April 1973.
