A copy of these rules shall be exhibited in each totalisator agency in a position readily accessible to the public.

3. Commencement and Application of These Rules

These rules shall come into operation on the day of publication in the *Gazette*, as from which date any earlier rules shall be deemed to be revoked, provided, however, that any matter which had originated under the said rules hereby revoked shall enure for the purpose of these rules as fully and effectually as if it had originated under these rules.

These rules shall apply to all persons investing or attempting to invest at or through any totalisator agency declared by the Board to be open for receiving investments from the public.

4. General Conditions Relating to Investments at or Through Totalisator Agencies

(a) *Rules of Racing*—Investments made at a totalisator agency are deemed to be accepted for transmission to the totalisator on the course subject to the rules of racing, more particularly the provisions in respect of the entry, acceptance, bracketing, withdrawal, or disqualification of horses, to the running of races, to the powers of the stewards or any other tribunal authorised under the rules of racing, and to the operation of the totalisator, including the calculation of dividends.

(b) *Unit of Investment*—The unit of investment for win and place betting shall be \$1 and for doubles betting 50c.

(c) *Dividends*—The dividend for an investment of 50c will be a half of the dividend declared on the totalisator for an investment of \$1 except that fractions of 10c shall not be paid unless such fraction exceeds 5c in which case 5c shall be paid.

(d) *Brackets and Alterations Thereto*—Subject to the special provisions of rule 10B relating to investments on the doubles totalisator, in so far as they may apply, the following provisions shall apply to investments made on any horse included in a bracket:

- (i) Where horses are bracketed on the totalisator all investments received by the Board in respect of any such horse or horses will be invested on the totalisator number of the bracket containing such horse or horses irrespective of the numbering in the official race card or in notices as exhibited by the Board pursuant to rule 5 (f).

(ii) Where a horse in such bracket is scratched, the investments shall remain on the horse or horses remaining in the said bracket, except that when the investments received by the Board on the horse or horses that are scratched can be identified and withheld or withdrawn from the totalisator, a refund will be made of such investments and the investors thereof shall have no interest in the dividend that may be payable in respect of the horse or horses remaining in the said bracket. Where such scratching is made at such time or in such manner that the investments cannot be recovered from the totalisator, they shall remain invested on the bracket:

(iii) Where the Board exhibits in its notices a bracket, but the horses shown in the bracket are allotted separate numbers on the totalisator, then all investments received by the Board on such horses so shown as a bracket shall be refunded and the investors thereof shall have no interest in the dividend or dividends that may be payable in respect of such horses.

(e) *Rejection of Investments*—The person in charge at any totalisator agency, unless otherwise directed by the Board or the General Manager of the Board, shall be entitled to reject at any time and without giving any reason therefor part or all of any investment.

(f) *Refund of Investments*—(i) *Scratchings*: Subject to the provisions of rule 10B herein relating to investments on the doubles totalisator, if a horse, including a bracketed horse, is scratched, the investor may at his option nominate a substitute or apply for and receive a refund at the totalisator agency where the investment was made, up to 15 minutes before the time of closing for the receipt of investments for the race concerned at that agency. If the investor does not nominate a substitute or apply for and receive a refund as aforesaid he shall nevertheless be entitled to a refund of his investment, subject, however, in the case of bracketed horses, to the provisions of rule 4 (d) (ii).

(ii) *No Place Pool*: Amounts received for transmission and investment on the place totalisator for any race will be refunded if by reason of the number of starters the place totalisator is not operated for that race.

(g) *Minors*—Investments by or on behalf of persons under the legal age of majority will not be accepted.

(h) *Race Meetings for Which Investments will be Accepted*—Investments at or through any totalisator agency will be accepted only for such race meetings or races as the Board from time to time shall direct in respect of any such totalisator agency.

(i) *Investments Received on Meetings Subsequently Postponed*—(i) All investments received in respect of a race meeting which is postponed to a later date will be retained by the Board and will be invested on that later date in accordance with the original instructions.

(ii) No refund of such investments will be made unless application is received at the totalisator agency where the investment was made not later than the time which is there specified as the closing time for the race concerned on such later date.

(iii) In the event of a race meeting being abandoned all investments will be refunded. The provisions of this paragraph shall apply to all investments whether by cash, by telephone or by post.

(j) *Method of Investing*—Investments will be accepted:

(iii) Subject to the provisions of rule 8 hereof by postal instructions accompanied by a cash remittance.

Investments or instructions by telegraph will not be accepted under any circumstances.

Credit betting will not be permitted.

(k) *Failure to Record Investments on the Totalisator*—Subject to the application of any other rule in the circumstances of the case, where details of an investment otherwise properly received have not been recorded on the totalisator owing to a failure in the means of or error in transmission or to other circumstances beyond the reasonable control of the Board, there shall be paid on such investment if for win or for place the same dividend as is payable on course for a like investment or, if such investment be for the doubles totalisator, such dividend as is payable pursuant to the provisions of rule 10c herein.

5. Provisions Relating to Investments by Cash

(a) Cash investments will be accepted only during the hours advertised at each totalisator agency for the acceptance of such investments, but the person in charge of such totalisator agency may declare at any time that the office is closed for receiving cash investments.

(b) Only bank notes or coins or such other instruments for payment of money as the Board may determine from time to time shall be accepted.

(c) Before an investment will be accepted the investor must indicate clearly the race meeting, the race, the horse code number or numbers, the amount of the investment and whether for win, place, or double, and such other information as may be required to identify the investment to be made.

(d) On acceptance of the investment, investors will be issued with a written or printed ticket which must be presented when claiming any dividend or refund due in respect of such investment.

(e) Tickets will show the amount invested in dollars or dollar units for win and place and in dollars or dollar units and/or fractions of a dollar and/or in cents for doubles and may likewise show the total amount invested and/or such other information as may be necessary to identify the investment recorded.

Tickets will be printed, written, stamped, punched, or marked to show the code letters or abbreviation designated for the race meeting concerned, the date or week designated for such meeting, the number of the race concerned other than for a double, and the code number allocated by the totalisator agency to the horse or horses on which the investment is made.

(f) (i) Notices shall be exhibited at all totalisator agencies showing the horses known to be accepted for those race meetings for which the Board will be receiving investments, the date and code letter or abbreviation of each such race meeting, the numbers of races and the code numbers allotted to the horses therein, and the distinguishing mark of any double or other combination of races or form of investment as may be necessary for the proper identification of investments.

(ii) Investments shall be receivable in respect of only those races and meetings and the horses accepted therefor for which such notices are exhibited.

(iii) Notwithstanding anything in clause (g) herein where a ticket has been issued and there is recorded thereon the wrong race number or in respect of the meeting either the wrong date or the wrong designation for such meeting or either of such particulars is omitted, the Board in its sole discretion may, if it is satisfied that such record or omission is an error and it is manifest that the investment was intended for a particular race or meeting, treat the investment as intended for that race or meeting and the investment shall be deemed to be made accordingly.

(g) (i) Subject to the following provisions of this clause the investor shall be deemed to accept the ticket issued to him unless he applies forthwith after issue thereof to have any error or omission rectified.

(ii) Subject to the provisions of the next succeeding sub-clause (iii) herein, if the investment as indicated on the ticket is one which cannot be recorded on the totalisator or is one for which notices are not exhibited at the agency in accordance with clause (f) herein at the time the ticket is issued, the investor shall be entitled only to a refund.

(iii) Where the ticket is issued for a doubles investment and in respect of the second race of such double there is either no horse code number recorded or the number recorded is not one included on the totalisator, the investor shall be deemed to accept the ticket as issued and in the event of the horse selected winning the first race of the double the Board will place the investment in the second race of the double on the favourite as would be determined in accordance with the provisions of rule 10B (ii) and the investor shall be entitled only to such dividend if any as may be derived therefrom.

(iv) Subject to the provisions of the last preceding sub-clause (iii) and the rule 5 (f) (iii), where the ticket is incomplete as to any of the required particulars or the ticket or any of the required particulars thereon are in the opinion of the Board ambiguous, the investor shall be entitled only to a refund.

(v) If the ticket is issued and the details of amounts of individual investments recorded thereon do not agree with the recorded total of the amounts on the ticket, the details shall prevail and the ticket shall be treated accordingly.

(ii) Depositors will use only the telephone numbers notified to them.

(iii) The person in charge may refuse to accept any deposit or, having accepted such, may refund the deposit or any balance thereof at his discretion and without giving any reason therefor. He may restrict acceptance of deposits or telephone instructions to those received from persons connected to particular telephone exchanges.

(iv) Subject to the special provisions relating to doubles investments, investments or the cancellation of investments may be made by telephone at any time during the business hours of the totalisator agency up to the closing time of that agency for the race concerned.

(v) A separate record will be kept of each deposit account and of the investments made against it.

(vi) Dividends and refunds will be credited to depositors' accounts as soon as practicable on the day of the race concerned or thereafter.

(vii) No instructions or amendments to previous instructions will be acted upon unless received by telephone.

B. PROCEDURE FOR OPENING OR RENEWING A DEPOSIT ACCOUNT

(i) Application to open a deposit account must be in writing giving the information required in the form required by the Board and must be signed by the applicant.

(ii) The application must be accompanied by a deposit of at least \$4.

(iii) Subject to any determination of the Board in respect of any type of cheque, or other instrument for payment of money when a cheque is received as a deposit no investment against that deposit will be accepted until the cheque is cleared.

(v) The depositor may be allotted or required to nominate a code, and to give instructions as to the balance, if any, to be carried forward in his account from time to time.

(vi) Any depositor desiring to renew or increase his deposit may do so by forwarding or paying the additional amount to the totalisator agency concerned or so authorised and by advising his account number and name.

(vii) At the option of the Board any depositor may be required to submit a further application amending any or all of the particulars required to be given. The depositor may also revoke the original application and replace it by a new one on satisfying the Board that there is reasonable need of it for its own protection. In either case any amounts standing to the credit of the depositor will be transferred to his credit in the new account.

(ii) The depositor is required to supply the following information—the race meeting, the race at that meeting and the name or code number of the horse, the amount of the investment, and whether for win, place, or doubles, and/or such other information as may be required to identify the investment to be made.

E. PROVISIONS APPLICABLE WHERE ERROR IS MADE IN THE GIVING OR RECORDING OF TELEPHONE INVESTMENTS

(i) *Where the Error Results in an Incorrect Investment Being Made*—Prima facie the investment will be deemed to be that which is recorded so that the investor shall suffer the loss or receive the benefit as the case may be.

Where, however, the error results in a loss to the investor who alleges that the error was due to the mistake or other default of any servant of the Board, or of any agent or of any servant of any agent, the Board will inquire into the circumstances and if in its sole discretion the Board is satisfied that such error was due either to the wilful default or to the negligence of such servant or agent, the Board will refund the amount invested but shall not be liable to any dividend which would have been payable had the correct investment been made. Application for a refund must be made promptly after notice of the error is received or deemed to be received by the investor. Notwithstanding the foregoing, the Board shall have a discretion to pay part or all of the dividend which would have been due but for the error.

(ii) *Where the Error Results in no Investment Being Made on the Totalisator*—If at the totalisator agency where the deposit lies there is a record in writing of an investment having been made, the Board will accept it as such even if the investment has not been transmitted to the totalisator.

Statements will be deemed to be received by the depositor at the time such statement would be delivered in the ordinary course of post.

(iv) Any claim in respect of an alleged inaccurate entry in the depositor's statement of account must be rendered to the totalisator agency within 4 weeks after the statement has been received or is deemed to be received by the depositor; otherwise the claim will not be admitted by the Board.

(v) In any case in which a depositor has not requested particularly that a statement of account should be sent to him the depositor is required to agree the balance of his account with the telephone operator at the totalisator agency at least once in every 4 weeks. No claim in respect of an alleged incorrect balance will be admitted by the Board if the depositor has failed to agree the balance at least once in the 4 weeks immediately preceding the claim.

(vi) If the depositor's account has not been operated for a period of 12 months the Board may close the account and may in its discretion retain the amount standing to the credit of the account or remit the same to the depositor.

8. Provisions Relating to Investments by Post

A. GENERAL

Subject to any determination of the Board as to any type of cheque or other instrument, cheques and other instruments can be accepted only if there is sufficient time to enable it to be cleared before the closing time for acceptance of the investments for which the cheque or other instrument is remitted.

(iv) If a remittance is received for an amount net to the Board other than in complete units of investment, the person on duty at the totalisator agency concerned may be in his sole discretion either reject the investment altogether or accept it up to the multiple next below the net amount so received by the Board. The amount due to the investor in accordance with the exercise of the discretion as aforesaid shall be refunded to the investor by the Board less exchange or poundage.

The investor shall be bound by such interpretation.

(iv) Investments against dividends or refunds payable or to become payable on previous investments will not be accepted.

(v) The Board may accept part of any investment instructions where the acceptance of the whole is not permitted under these rules.

(vii) The Board shall not be bound to acknowledge receipt of or compliance with instructions for an investment.

C. PAYMENT OF DIVIDENDS AND REFUNDS

(i) In respect of investments by post dividends and refunds due will be posted on the earliest convenient day next after the day of the race meeting concerned.

(ii) If in any case the Board is in doubt to whom or to what address any dividend or refund from the Board should be sent, the Board shall retain the amount payable and the person who claims to be entitled thereto must apply in writing, or, if so required, in person to the totalisator agency to which the investment was sent, and submit proof to the satisfaction of the Board of his right to the amount held by the Board.

Posting the remittance shall be deemed delivery to the investor.

(ii) All exchange or poundage will be payable by the investor.

(v) Neither the Board nor any servant or agent of the Board shall be responsible for any loss arising from the unauthorised use of a depositor's account.

10. Special Provisions Relating to Doubles

A. GENERAL

(i) Any person making an investment at or through a totalisator agency shall be deemed to accept, subject to any necessary modification in regard to investments off the course, the regulations for the operation of the doubles totalisator on the course adopted by the New Zealand Racing Conference and the New Zealand Trotting Conference respectively, and for the time being in force.

(ii) Every person intending to invest on the doubles totalisator is required, at the time of making such investment, to nominate the horse code numbers he selects for each race of the prescribed double. In addition he must give the information as to the race meeting, amount invested and other matters required in making cash, telephone or postal investments for win or place.

(iii) Dividends will be paid or credited to the investor in the same manner as dividends in respect of other investments by cash, by telephone, or by post.

(iv) Investments on the doubles totalisator will not be accepted prior to the publication of acceptances.

B. PROVISIONS RELATING TO THE SCRATCHING OF HORSES FROM A DOUBLE

(i) *Where a Horse in the First Race of the Double is Scratched*—(a) If a horse, including a bracketed horse, is scratched from the first race, the investor may at his option nominate a substitute or accept a refund at the totalisator agency where the investment was made up to 15 minutes before the advertised time of closing for the receipt of investments for the double.

(b) Where a horse is scratched at any time before the first race and the investor has not substituted another horse, the investor where a refund is or but for the provisions of part C of this rule would have been obtained from the totalisator, will be entitled to a refund except in the case of a bracket when any one of the horses in such bracket starts, and in such event the investment will be deemed to remain on the starter represented by such bracket.

(ii) *Where a Horse in the Second Race of the Double is Scratched*—(a) If a horse, including a bracketed horse, is scratched from the second race, the investor may at his option and at the totalisator agency where the investment was made, accept a refund up to 15 minutes before the advertised time of closing for the receipt of investments for the double, or provided that the investment was not made through a machine connected directly to a computer, if the investment was made against a telephone deposit account nominate a substitute up to 15 minutes before the advertised starting time for the first race, if the investment was made by cash, nominate a substitute up to 15 minutes before the advertised starting time for the first race provided that the totalisator agency at which the investment was made is still open for receiving cash investments.

(b) Where a horse which is bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or nominated a substitute as afore-

said, then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

(c) Where a horse which is not bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or substituted another horse, the Board will substitute for the scratched horse the favourite for such race as determined by that part of the double investments received by the Board for separate totalisator numbers in the second race which were coupled with the winner of the first race and ascertained after the time of closing for receipt and substitution of investments for such double and as recorded before this adjustment takes place.

"Favourite" as determined in the foregoing may be a horse or those horses included in a bracket to which a separate number is allotted on the totalisator.

(d) *Board's Substitution in Second Race where Two or More Horses are Equal Favourites*—In the event of two or more horses being equally determined as favourites in the second race in accordance with subclause (ii) (c) herein, the favourite for the purpose of such subclause will be the equal favourite first appearing in the list of runners in the totalisator records for that race at the time this adjustment takes place.

(e) *Board's Substitution in Second Race Where Investment on Scratched Horse is Only Investment for That Race*—In the event of the scratched horse being the only horse in the second race for which the Board has received doubles investments which were coupled with the winner of the first race, then the horse next above the scratched horse in the totalisator records for such race will be substituted for that scratched horse, and if there is not a horse next above in that race the horse next below the scratched horse in the totalisator records for such race will be substituted for the scratched horse.

(f) *Substitution of Chosen Favourite to be Final*—For the purpose of this rule the decision made by the official of the Board as to which horse shall be substituted for a scratched horse in the second race shall be binding upon the Board and upon the investor.

(g) *Brackets*—Where no bracket is shown in the notices exhibited by the Board but a horse is required to be bracketed with another horse on the totalisator, no bracket shall be deemed to exist unless both horses come under the orders of the starter. Where such a horse is scratched from the race, the Board shall substitute in accordance with subclause (ii) (c) herein.

(iii) *Method of Substitution of Cancellation*—(a) Investments made by telephone may be substituted or cancelled by telephone.

(b) Investments by cash may be substituted or cancelled only in person on presentation and exchange of the original ticket issued.

(c) Investments made by post may not be substituted or cancelled at any time.

C. TRANSMISSION OR OTHER FAILURE PRIOR TO THE CLOSING OF THE TOTALISATOR

When because of failure in the means of transmission or by reason of other unforeseen circumstances part or all of the details of investments received for the doubles totalisator cannot be recorded on that totalisator on course, the following provisions shall apply:

(i) *Failure Prior to the First Race of the Double*—(a) If an estimated 90 percent or more of such investments can be transmitted to the totalisator they shall be so transmitted, and as to the remainder not transmitted the Board will pay, in respect of those investments on the winner of the first race of the double coupled with the winner of the second race of the double, dividends at the rate declared and paid by the totalisator in respect of that double.

Provided that if in respect of such 90 percent or more of investments there is not an investment on every starter in the first race or if transmission to the course totalisator has commenced but there is a failure at any time before verification of the total investments intended to be transmitted has been received from the Board's representative at the totalisator, then in either such event the circumstance as set out in subparagraph (b) herein shall be deemed to apply.

(b) If it is estimated by the Board that less than 90 percent of the off-course investments on a double are available for transmission or if 90 percent or more of the total of such investments cannot be transmitted to the totalisator, the Board will hold all off-course investments on the double and will establish a separate off-course pool in respect thereof.

From all investments in the pool there shall be deducted and paid the same statutory deductions as would be due if the moneys had been invested on the totalisator, and the balance shall be available in dividends to be determined in the same manner as applies for the determination of the doubles dividend on course.

(ii) *Failure Prior to the Second Race of the Double*—(a) If details of the selections for the second race of the double in respect of 90 percent or more of the investments that were on the winner of the first race are available and can be transmitted to the totalisator, such shall be transmitted, and the Board will pay on all investments on the winner of the first race coupled with the winner of the second race of the double such dividends as are declared and paid by the totalisator.

Provided that if in respect of such 90 percent or more of investments there is not a selection on every starter in the second race or if transmission to the course totalisator has commenced but there is a failure at any time before verification of the total selections intended to be transmitted has been received from the Board representative at the totalisator, then in either such event the circumstances as set out in subparagraph (b) herein shall be deemed to apply.

(b) If less than 90 percent of the details of the selections for the second race of the double are available for transmission or if 90 percent or more cannot be transmitted to the totalisator before it closes for the second race of the double any Inspector of Totalisators on the course shall require that no dividend will be declared or paid until all details necessary for the declaration of the dividend having regard to the provisions of this subclause and of subclause (a) herein can be transmitted to the totalisator.

(iii) For the purpose of determining the percentages referred to in clauses (i) and (ii) the Board will classify totalisator agencies and other offices or groups of either according to the amount or proportion of investments for the doubles totalisator received therein in respect of the first race of a double at previous race meetings conducted by the club or in respect of previous race meetings in the same district.

(iv) The Board may from time to time vary the percentages of investments referred to in this rule 10c.

11. Closing Time for Capital Investments

In each totalisator agency there will be displayed the closing times for acceptance of investments at that agency for all races at all race meetings in respect of which investments may be accepted.

12. Special Provisions Relating to Investments on Races Outside New Zealand

(i) Subject to the express provisions of this rule the foregoing rules shall apply with necessary modifications and shall be deemed to be accepted by the investor in respect of any investment received at or through any totalisator agency on a race outside New Zealand.

(ii) The Board shall allot code numbers to the horses in the race. If in the race there are more than 24 horses accepted for that race then the Board will create sufficient brackets to meet the position bracketing the first horse in excess of 24 with the twenty-fourth and working up from there, but if possible shall not bracket any such horses with any horse or horses already bracketed in the Board's notices. Irrespective of any brackets on the totalisator or elsewhere or required by any rules of racing the brackets exhibited in the Board's notices in respect of that race shall be final and binding. Brackets so exhibited shall be deemed to be brackets for all purposes of these rules except that the horses shall not be deemed to be identifiable for the purposes of rule 4 (d) (ii).

(iii) (a) After deducting all refundable amounts and all other lawful deductions the Board shall calculate dividends on the basis of the balance of the investments notified to the Board's principal collating centre for that race before the start of the race but excluding any investments which are received for transmission to any totalisator at any race meeting conducted by a racing club.

(b) The dividends shall be calculated in the case of horse races in accordance with the relevant rules or regulations or resolutions of the New Zealand Racing Conference and in the case of trotting races in accordance with the relevant rules or regulations or resolutions of the New Zealand Trotting Conference.

(c) As soon as practicable after the amount of the dividend calculated on the basis of the unit of investment is ascertained it shall be declared by exhibiting a notice of the amount on a public notice board at the Board's registered office and such declaration shall be final and binding on all investors.

13. Special Provisions Relating to Special Doubles

A. GENERAL

(i) Subject to express provisions of this rule the foregoing rules shall apply with necessary modifications and shall be deemed to be accepted by the investor in respect of any investment received at or through any totalisator agency on a special doubles investment.

(ii) (a) The net pool available for doubles dividend or dividends shall be the amount of the investments notified to the principal collating centre for the special double before the start of the first race thereof after deducting all refundable amounts and other lawful deductions. The Board will calculate the dividend or dividends payable to investors in accordance with the amounts reinvested on the horse or horses in the second race of the double, as notified to the principal collating centre for that race before the start of the second race. Any investments which are received by the Board for transmission to any totalisator at any race meeting conducted by a racing club shall be excluded from any calculation under this paragraph.

(b) The calculation of the doubles dividend or dividends will be made when the second race is a horse race in accordance with the relevant rules or regulations or resolutions of the New Zealand Racing Conference and when the second race is a trotting race in accordance with the relevant rules or regulations or resolutions of the New Zealand Trotting Conference.

(c) As soon as practicable after the amount of the doubles dividend or dividends calculated on the basis of the unit of investment is ascertained it shall be declared by exhibiting a notice of the amount on a public notice board at the Board's registered office and such declaration shall be final and binding on all investors.

(d) Dividends will be paid or credited to the investor in the same manner as dividends in respect of other investments received by the Board by cash, by telephone, or by post.

(iii) Every person intending to invest on a special double may be required at the time of making such investments to nominate the horse code number he selects for each race of the special double simultaneously or as the Board may decide may make separate selections in each race before the advertised times of closing for the receipt of each selection in the same way as on course in which case the investor shall be bound by the rules of racing which the Board has directed to apply to that special double or generally. In addition he must give the information as to the race meeting or meetings, amount invested, and other matters required in making cash, telephone, or postal investments for doubles investments on the totalisator.

(iv) Investments on special doubles may be accepted prior to the publication of acceptances for each race thereof as may be notified from time to time in totalisator agencies.

B. PROVISIONS RELATING TO THE SCRATCHING OF HORSES IN A SPECIAL DOUBLE

(i) Where a horse in the first race of a special double is scratched:

(a) If a horse, including a bracketed horse, is scratched from the first race, the investor may at his option nominate a substitute or accept a refund at the totalisator agency where the investment was made up to 15 minutes before the advertised time of closing for the receipt of investments for the special double.

(b) If a horse is scratched at any time before the first race and the investor has not substituted another horse, the investor will be entitled to a refund except in the case of a bracket when any one of the horses in such bracket starts, and in such event the investment will be deemed to remain on the starter represented by such bracket.

(ii) Where a horse in the second race of the double is scratched:

If both races of the double are held on the same day—

(b) Where a horse which is bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or nominated a substitute as aforesaid then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

If both races of the double are not held on the same day—

- (a) If a horse including a bracketed horse is scratched from the second race the investor may at his option and at the totalisator agency where the investment was made, accept a refund up to 15 minutes before the advertised time of closing for the receipt of investments for the double or provided that the investment was not made through a machine connected directly to a computer nominate a substitute up to two hours before the advertised starting time for the second race.
- (b) Where a horse which is bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or nominated a substitute as aforesaid then the investor will be deemed to have selected the remaining horse or horses in the bracket as his starter in the second race.

C. SUBSTITUTION OF FAVOURITE IN SPECIAL DOUBLES

Where a horse which is not bracketed with a horse that starts is scratched from the second race at any time and the investor has not accepted a refund or substituted another horse, or where the investor has not nominated his selection for the second race separately when this applies, the Board will substitute for the scratched horse or nominate for the second race, as the case may be, the favourite for that race as may be determined by applying the provisions of paragraph (c), (d), (e), (f), and (g) of rule 10B with all necessary modifications.
