1. Subparagraphs 1 (a) to (h) (as so amended) inclusive are hereby deleted and the following subparagraphs are substituted therefor:

"(a) All of the Land Districts of the North Island, including all outlying Islands, but excluding the Counties of Mangonui and Great Barrier and the Borough of Kaitia.

2. Subparagraph 2 (c) is hereby deleted and the following paragraph is substituted therefor:

"(c) From any place or site within the above-described infected area to any other place or site within the infected area with the exception of the bringing or removal of all species of pine, Douglas fir, and larch from the under-mentioned areas into other parts of the infected area, such under-mentioned areas being the following:

Dated at Wellington this 21st day of August 1973.

A. P. THOMSON, Director-General of Forests.

NOTES

1. This amendment comes into effect upon first publication in a newspaper circulating in the infected area constituted. Its purpose is to extend the previously declared "infected area".

2. It is an offence to remove plants or Christmas tree material (branches, etc.) out of the "infected area", if these are of exotic pine, Douglas fir, or larch species and have not been treated as specified by an authorised forest officer.

3. The "infected area" is now generally the whole of the North Island excluding the Kaitia Borough and the Mangonui and Great Barrier Counties. In the South Island the "infected area" is all that land in Nelson and the Marlborough Sounds to the west of the Wairoa Valley and the Westland Land District north of Harihari. Movement within the "infected area" is authorised with the exception that untreated exotic pine, Douglas fir, and larch material may not be moved from the areas listed in paragraph 2 (c) of the declaration (which is generally the large area lying between Auckland City and Wellington City and the area east of the main ranges between Wairoa and Takapau) into other parts of the "infected area".

4. Inquiries should be addressed to the nearest Conservator of Forests.
