Tariff and Development Board Notice No. 405—Inquiry Concerning Protection for New Zealand Industry Producing Chlorine of Tariff Item 28.01.100

1. In a letter dated 18 December 1973, the Minister of Customs informed the Board that Government agreed with the recommendation contained in the Board's report No. 226 that a further review of the chlorine industry was necessary. Accordingly the Minister requested the Board to undertake a further inquiry and report in March 1975 as to the nature and extent of protection, if any, it considers necessary for the New Zealand industry manufacturing chlorine, the Tariff provisions for which are set out in the attached Schedule.

2. For the purpose of taking evidence the Board will hold a public hearing in the Hearing Room, Eighth Floor, Cumberland House, Upper Willis Street, Wellington, on Tuesday, 25 March 1975, commencing at 10.30 a.m.

3. Any person who intends to tender evidence should lodge, in typewritten form, 14 copies of public evidence and 12 copies of confidential evidence, to be presented under oath at the public hearing, at the Board's office no later than 24 February 1975. In preparing this evidence the "Notes for Information and Guidance of Interested Parties" prepared by the Board may be of assistance. Copies of these notes may be obtained from the Board's office.

Dated at Wellington this 10th day of December 1974.

F. E. BEAUFORT, Secretary, Tariff and Development Board.

AUDITORS' REPORT TO MEMBERS OF BANK OF NEW ZEALAND SAVINGS BANK LTD.

We have obtained all the information and explanations that we have required. In our opinion proper books of account have been kept by the company so far as appears from our examination of those books. In our opinion, according to the best of our information and the explanations given to us and as shown by the said books, the balance sheet and the profit and loss statement are properly drawn up so as to give respectively a true and fair view of the state of the company's affairs as at 31 March 1974, and of the results of its business for the year ended on that date.

According to such information and explanations, the accounts, the balance sheet, and the profit and loss statement give the information required by the Companies Act 1955, in the manner so required.

HUNT DUTHIE AND CO.,
Chartered Accountants and Auditors.

Wellington, 10 May 1974.

SALE SALE SALE

We are offering the following surplus books at a reduced rate enabling those interested in purchasing them at well below their normal retail price.

THE PHYSICAL ENVIRONMENT CONFERENCE 1970

Reports, papers, and proceedings.

This document on the physical environment will not only prove useful to students and teachers alike, but will renew interest in national and international environmental matters.

Although for some the delay in this publication's becoming available may seem to have diminished its usefulness this is not the case. It provides an opportunity to re-examine New Zealand's situation.

The questions that should be asked are: what action has been taken on the recommendations since the conference, has anything changed at all?

This book on the conference covers all aspects of the environment and is an ideal reference source.

NATURE STUDY

By D. BEGGS

1966. 269 pages, illustrated with line drawings and photographs.

This handbook is primarily a guide for teachers, to assist them in teaching methods which will stimulate and hold children's interest, enabling teachers and children to move into new research and work together on projects.

Chapters cover in detail over 100 plant species, mammals, birds, insects, and other small animals. There is also a chapter on nature study in the infant room, and one on school gardens.

A worth-while reference book. Originally published by the Department of Education.

CHALLENGE FOR HEALTH

By F. S. MACLEAN, B.A., M.D.(CAMB), D.P.H.(N.Z.)

1964, 470 pages, photo plates.

In this interesting book the author describes the history of public health in New Zealand.

Included is an account of the 1900 world pandemic of bubonic plague and its effects in New Zealand. After this epidemic the Department of Public Health was set up, and took independence from local authorities in the matters of public health.

This book tells also of the improvements in sanitary conditions throughout the country and the attempts to improve the health of the Maori people.
