Royal Commission to Inquire Into and Report Upon the Future Use of Rangatira B and Rangatira C Blocks

ELIZABETH THE SECOND, by the Grace of God Queen of New Zealand and Her Other Realms and Territories, Head of the Commonwealth, Defender of the Faith:

To Our Trusty and Well-beloved the HONOURABLE SIR TREVOR ERNEST HENRY, of Auckland, a Judge of the Supreme Court:

GREETING:

WHEREAS in December 1955 the Maori Land Court by means of partition orders divided certain Maori freehold land on the northern shores of Lake Taupo, being various subdivisions of the Rangatira block, into numerous parcels, whereof (*inter alia*) one group of parcels was designated as Rangatira B1 to B612 and another group of parcels was designated as Rangatira C1 to C953:

And whereas for various reasons the two groups of parcels above referred to were never effectively designated on the ground or used:

And whereas there has been in respect of each group of parcels numerous proceedings before various tribunals and at the present time the land referred to above as Rangatira B1 to B612 (hereinafter in these presents referred to as Rangatira B) is held under titles designating it as Rangatira B1 to B623 and the legal title is vested in certain trustees upon certain trusts for the effective roading and survey of the parcels but (for various reasons) the trustees have been unable to carry out the trusts and the land remains idle:

And whereas the land referred to above as Rangatira C1 to C953 (hereinafter in these presents referred to as Rangatira C) is now held under titles designating it as Rangatira C1 and C2 and (for various reasons) the trustees have been unable to carry out the trusts and the land remains idle:

And whereas the beneficial owners of Rangatira B and Rangatira C are at present unable to use and occupy or otherwise deal with their interests and the land remains substantially idle and produces no benefit to the owners and it is desirable that some action be taken in the interest of the beneficial owners and in the public interest to put the land in a position where it can be effectively used and dealt with:

Now, KNOW YE, that We, reposing trust and confidence in your impartiality, knowledge, and ability, hereby nominate, constitute, and appoint you the said the HONOURABLE SIR TREVOR ERNEST HENRY to be a Commission to inquire and report generally on the action (if any) which should be taken, whether by or pursuant to legislation or otherwise, to enable the land known as Rangatira B and Rangatira C to be used effectively or otherwise dealt with by the owners thereof or for their benefit in such a way as will be to their best advantage and in the public interest:

And, in particular, but not so as to limit the scope of the last preceding paragraph:

- (a) To inquire and report whether, having regard to all the circumstances, the present ownership and title position of Rangatira B, including the trusts existing in respect thereof, is fair and equitable as among the persons beneficially interested therein, in the light of the ownership position as it existed immediately before the making of the partition orders of 1955, and whether the existing division of the land into parcels and the provision for roads, reserves, and other normal requirements is adequate in terms of the recognised principles of subdivisional planning, and whether the whole arrangement is capable of being put into practical and economic effect:
- (b) If it be reported that the current ownership and title position of Rangatira B is not fair and equitable as among the persons beneficially interested or that the arrangement is not capable of being put into practical and economic effect, then to recommend what ownership and title position would best do justice among the owners and enable the practical and economic use of the land in conformity with modern subdivisional requirements, whether this might involve a return to any earlier ownership and title position (but not earlier than that existing immediately before the making of the partition orders of 1955) or a modification of the existing ownership and title position or a completely new ownership and title position:
- (c) To inquire and report whether, having regard to all the circumstances, the present ownership and title position of Rangatira C is fair and equitable as among the persons beneficially interested therein, in the light of the ownership and title position as it existed immediately before the making of the partition orders of 1955, and whether the present ownership and title position, including the trusts existing in respect thereof, would conduce to the

effective use of the land in the best interest of the beneficial owners and in the public interest:

- (d) If it be reported that the current ownership and title position of Rangatira C is not fair and equitable as among the persons beneficially interested or that it is not conducive to the effective use of the land as aforesaid, then to recommend what ownership and title position would best do justice among the owners and enable the practical and economic use of the land in conformity with modern subdivisional requirements, whether this might involve a return to any earlier ownership and title position (but not earlier than that existing immediately before the making of the partition orders of 1955) or a modification of the existing ownership and title position or a completely new ownership and title position:
- (e) If any change in the ownership and title position of any land is recommended, to propose any legislative provisions or other action necessary to effect the change or permit it to be effected:
- (f) To inquire into and report on such other matters, if any, as in your opinion are relevant to the general question of the future use of the land concerned:

And in your inquiry and recommendations you shall be at full liberty to disregard or differ from any finding, whether of fact or otherwise, conclusion, opinion, or recommendation of any former tribunal in respect of any matters or question of similar character or import to those confided to you by these presents, and to ignore any uncompleted proceedings commenced or pending before any tribunal relating in any way to those matters or questions or to any aspect of the land to which these presents relate:

And for the better enabling you to carry these presents into effect you are hereby authorised and empowered to make and conduct any inquiry under these presents in such manner and at such time and place as you think expedient, with power to adjourn from time to time and place to place as you think fit, and so that these presents shall continue in force and any such inquiry may at any time and place be resumed although not regularly adjourned from time to time or from place to place:

And you are hereby strictly charged and directed that you shall not at any time publish or otherwise disclose, save to His Excellency the Governor-General, in pursuance of these presents or by His Excellency's direction, the contents of any report so made or to be made by you, or any evidence or information obtained by you in the exercise of the powers hereby conferred on you, except such evidence or information as is received in the course of a sitting open to the public:

And We do further ordain that you have liberty to report your proceedings and findings under this Our Commission from time to time if you shall judge it expedient so to do:

And, using all due diligence, you are required to report to His Excellency the Governor-General in writing under your hand, not later than the 31st day of August 1974, your findings and opinions on the matters aforesaid, together with such recommendations as you think fit to make in respect thereof:

And, lastly, it is hereby declared that these presents are issued under the authority of the Letters Patent of His Late Majesty King George the Fifth, dated the 11th day of May 1917, and under the authority of and subject to the provisions of the Commissions of Inquiry Act 1908, and with the advice and consent of the Executive Council of New Zealand.

In witness whereof We have caused this Our Commission to be issued and the Seal of New Zealand to be hereunto affixed at Wellington this 25th day of February 1974.

Witness Our Right Trusty and Well-beloved Cousin, Sir Edward Denis Blundell, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, Knight Grand Cross of Our Royal Victorian Order, Knight Commander of Our Most Excellent Order of the British Empire, Governor-General and Commander-in-Chief in and over New Zealand.

New Zealand - Australia Free Trade Agreement

PURSUANT to Article 3 of the New Zealand - Australia Free Trade Agreement Act 1965, the products listed in the First Schedule were included in the nomination list for the Sixth Review of Schedule A, notified in *New Zealand Gazette*, No. 100 of 16 December 1971.

It has been decided to revise the description of the products listed in the First Schedule and that nomination is now withdrawn.

The new nomination as set out in the Second Schedule is made in its place. The description in the Second Schedule is wider than that in the First Schedule in that:

- It refers to the products being "moulding or otherwise" which did not appear in the description in the First Schedule.
- It does not require the products to be "stained and polished" as did the description in the First Schedule.

Prior to formal inclusion in Schedule A, interested persons or firms are invited to make representations in support of or against the substituted nomination. Such representations should be forwarded to the Secretary, Tariff and Development Board, P.O. Box 27-046, Wellington, not later than 14 June 1974.

Should representations be made against the nomination, the Tariff and Development Board will conduct an inquiry and will notify the date on which submissions are required and the form in which they should be lodged. Where such an inquiry results in a decision to include the goods in Schedule A, and where the Australian Government is in agreement, such inclusion will be effected at the earliest practicable date following receipt of the report of the Tariff and Development Board.

If no representations against inclusion in Schedule A have been received by the Board by 14 June 1974, the product will be added to the Schedule at an agreed time subject to the agreement of the Australian Government.

Dated at Wellington this 14th day of March 1974.

THE WRIGHTSON NMA LIMITED (TRANSFER OF INCORPORATION) BILL

NOTICE OF PRIVATE BILL

WRIGHTSON NMA LIMITED (hereinafter referred to as "the Company") hereby gives notice that it intends to apply for leave to bring in the above-mentioned Private Bill during the current session of Parliament.

The object of the Bill is to enable the Company to become a company deemed to be incorporated in New Zealand under the Companies Act 1955.

The Company was incorporated in the United Kingdom on 3 May 1877, under the Companies Act 1862 of the United Kingdom, by the name of National Mortgage and Agency Company of New Zealand Limited, and the name of the Company was changed to that which it now bears, on 1 July 1972.

The Company is now a wholly-owned subsidiary company of Challenge Corporation Limited, a limited liability company incorporated in New Zealand under the name of Wright Stephenson and Co. Limited, having its registered office at Challenge House, 105-109 The Terrace, Wellington.

Having regard to the fact that the Company is now a wholly-owned subsidiary of a New Zealand company and having regard to the fact that the area of operation of the Company is wholly in New Zealand, it is considered expedient and advantageous to the Company and its holding company if the Company were deemed to be incorporated under the laws of New Zealand instead of the laws of England. As no procedure exists whereby the registration of a company which has been incorporated in the United Kingdom can be transferred to New Zealand such transfer can only be accomplished by simultaneous and mutually supplemental legislation in the Parliaments of the United Kingdom and New Zealand respectively.

A Bill has been introduced into the Parliament of the United Kingdom for the purpose of enabling the Company to transfer its registered office from England to New Zealand and for the cesser of application to the Company of provisions of the Companies Acts 1948 to 1967 of the United Kingdom.

The Bill now being promoted is designed to enable the Company to become a company deemed to be incorporated in New Zealand, under the Companies Act 1955, and for other purposes incidental thereto.

At any time after the Bill introduced into the Parliament of the United Kingdom has become law, under the provisions of the proposed New Zealand Act, the Company will be enabled to deliver to the Registrar of Companies at Wellington certain documents specified in the Act and apply for the issue of a certificate of incorporation and thereupon the Company will be deemed to be incorporated under the Companies Act 1955. The Company will be deemed to be the same company as the Company existing under the Companies Acts 1948 to 1967 of the United Kingdom, and the continuity, status, and operation of the Company will in no way be affected nor will any property, powers, rights, authorities, duties, functions, liabilities or obligations of the company or any legal or other proceedings instituted or to be instituted by or against the Company be affected.

The promoter of the Bill is the Company. Communications or notices to the promoter may be sent to Messrs Bell, Gully and Co., Solicitors, 109-117 Featherston Street, Wellington (P.O. Box 1291).

A copy of the Bill may be inspected at the offices of Messrs Bell, Gully and Co., at the address stated, during normal office hours on any weekday other than Saturday.

BELL, GULLY AND CO., Solicitors.
