NOTICE OF PRIVATE BILL

THE Board of the Wellington Methodist Charitable and Educational Endowments incorporated under the Wellington Methodist Charitable and Educational Trusts Act 1916 (Private), gives notice of its intention to apply for leave to bring into the House of Representatives the above-intituled Bill the objects of which are as follows:

First, to alter the ending of the financial year of the Board from the last day of December to the last day of June in each year and thus correspond more closely with the annual Conference of the Methodist Church to which the Board makes annual report.

Secondly, to extend the present powers of sale which with the approval of the Methodist Conference are restricted to sale by auction or public tender to enable the Board subject to the approval of the said Conference to sell land in such manner and on such terms as the Board thinks fit. The proceeds of sale are to be available for purchase by the Board of any other estate freehold, leasehold, or stratum in New Zealand either in the Board's own name or jointly with any other agency of the Methodist Church. The proceeds may also be used in making permanent improvements upon other land of the Board or in the execution of works of subdivision development or improvement of any such land held by the Board or may be invested on deposit with any Savings Society or Trust established by or with the consent of the Methodist Conference.

Thirdly, the purposes of the Bill are to extend the powers of investment of the Board's money in investments authorised under the Trustee Act 1956, or in securities of any company officially listed on the Stock Exchange in New Zealand which comprise shares, stock or debentures secured or

unsecured notes but not including such shares, stock debentures, or notes not fully paid up unless required to be fully paid within 12 months after the date of issue nor is investment to be allowed in notes or debentures in respect of which any liability to make further advances or payments will remain after the expiration of twelve months after the date of acquisition. There is a further restriction on investment in securities of companies unless the company has a paid up share capital of \$1,000,000 or more and if the company has not paid a dividend of at least 5 percent in each complete financial year within 5 years prior to the date of investment. No investment is to be made in any company whose business might conflict with the general rules and usages of the Methodist Church of New Zealand.

Finally, the Bill makes provision for use of income from investments in aid of homes, schools, colleges, or other institutions established or supported by the Methodist Conference.
