*Licensing Paremata Dredging Company Ltd. to Take Material From the Foreshore and Land Below Low-water Mark in Porirua Harbour*

DENIS BLUNDELL, Governor-General  
ORDER IN COUNCIL

At the Government Buildings at Wellington this 30th day of September 1974

Present:

THE HON. R. J. TIZARD PRESIDING IN COUNCIL

PURSUANT to the Harbours Act 1950, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby grants Paremata Dredging Company Limited (hereinafter called the company, which term shall include its successors or assigns, unless the context requires a different construction) the exclusive rights to dredge, shingle, silt, shell, and other like material (hereinafter referred to as material) for sale from all those areas of foreshore and land below low-water mark described in the First Schedule hereto; subject to the terms and conditions set out in the Second Schedule hereto.

FIRST SCHEDULE

ALL those areas of foreshore and land below low water-mark in Porirua Harbour as shown on plan M.D. 15257 and further identified by marker posts located in accordance with the positions shown on the said plan and as cross hatched and marked "B" and "C" on plan M.D. 11621, both plans being deposited in the office of the Ministry of Transport, Wellington.

SECOND SCHEDULE

1. In these conditions the term:

"Harbour Authority" means the Porirua Harbour Authority as established by Order in Council of 13 October 1969 (S.R. 1969/212).

"Harbourmaster" means the Harbourmaster appointed by the Harbour Authority under its bylaws and includes his deputy or any other person acting under his authority.

"Minister" means the Minister of Transport and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The rights, powers, and privileges conferred by this licence shall:

(a) Extend and apply only to such parts of the foreshore and land below low-water mark specified in the First Schedule hereto as are necessary for the purpose of this licence.

(b) Be subject to licences and permits granted, deemed to be, or that may be, granted to any person, pursuant to sections 162, 164, or 165 (3) of the Harbours Act 1950.

3. The company shall:

(a) Accept directions by the City Engineer appointed by the Porirua City Council from time to time, as to the general areas for dredging within the area described in the First Schedule, subject to appeal to the Secretary for Transport whose decision shall be final.

(b) Advise the Harbourmaster at least 7 days before moving the dredge, pipeline, or anchors and comply with his reasonable directions before so doing, so as to cause the minimum obstruction to the access to the Mana Cruising Club Incorporated's wharf, fuelling point, and slipway.

(c) Consult the Harbourmaster to obtain his approval (which shall not be unreasonably or arbitrarily withheld) prior to the shifting of any boat moorings in order to clear an area for the purposes of dredging, provided always that no boat moorings shall be permitted by the Harbourmaster which can reasonably be shown to cause an interruption to or interference with the conduct of the licensee's business and the dredging operations associated therewith.

(d) Dispose of unwanted dredgings in consultation with the City Engineer so as to cause the minimum amount of shoaling within the mooring basin.

(e) Dredge to an even depth not exceeding 5 metres.

4. In consideration of the rights, powers, and privileges conferred by this licence the company shall pay to the Minister:

(a) A royalty at the rate of 5c a cu yd on all marketable material sold until 30 September 1974 and thereafter 12.5c a cu yd.

(b) Payment of the royalty shall be made within seven (7) clear days at the end of March and September of each year during the term of the licence to the Porirua Harbour Authority.

(c) Deposit a sum of \$200 with the Secretary for Transport as a surety against any outstanding royalties due on termination of the licence for whatever reason.

5. The company shall keep an accurate record of all material dredged from the licence area and all marketable material and shall submit to the Secretary for Transport a return of such materials at the end of December, March, June, and September in each year of the term of the licence.

6. All persons in the service of the Government acting in the execution of their duties shall at all reasonable times have the right to inspect the workings, plant, and dumps being operated by the company.

7. Nothing herein contained shall be deemed to authorise the company to do, or suffer or cause to be done, anything in breach of or repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or any provisions of the Harbour Act 1950 or its amendments, or any regulations thereto or the bylaws of the Porirua Harbour Authority that are now or may hereafter be in force in respect of the Porirua Harbour, and the company shall at all times strictly observe all such laws and regulations.

8. The company shall place and maintain in position at all times such buoys and/or markers as may be required by the Harbour Authority for outlining the areas specified in the First Schedule hereto during dredging operations, and for the safety of navigation.

9. Any historical relics, Maori artifacts, or items of archaeological interest dredged, unearthed, or found by the company in connection with its dredging operations shall remain the property of the Crown and be handed in to the Ministry of Transport.

10. If at any time during the term of this licence less than 5,000 cu yd of material have been dredged during the preceding 6 months, this licence may be cancelled by 1 week's notice given under the hand of the Minister to the company.

11. (a) This licence shall continue in force for a period of five (5) years from 1 October 1973 providing that no penalty shall be deemed to have been incurred in terms of clause 4 (b).

(b) This licence, or any of its rights, powers, and privileges may be altered, modified or revoked by competent authority at any time during the term of the licence.

(c) If the company shall, during the term of this licence observe and perform the covenants and conditions on the part of the company herein contained and implied and shall

give notice in writing to the Minister at least 6 calendar months before the expiration of the said term of its desire to obtain a further licence in respect of the areas more particularly described in the First Schedule hereto (or in respect of any alternative area in Porirua Harbour as may be stipulated by the Minister) then the Minister will grant to the company the right of first refusal of a further licence in respect of the said areas (or in respect of any alternative area as aforesaid) for such term and upon and subject to such covenants and conditions as the Minister may determine within a reasonable time after such notice of desire from the company provided that, in the opinion of the Minister no detrimental effect to the harbour will be caused thereby, and provided that the company shall exercise such rights of first refusal within 1 calendar month after receiving notice from the Minister as to the term of such further licence and of the covenants and conditions thereof and as to the areas in respect of which such licence will be granted, otherwise such right of first refusal shall lapse. If such right of first refusal shall lapse then it shall not be lawful for the Minister to grant any licence affecting the areas described in the First Schedule of this licence or any part thereof to any person or corporation other than on the same covenants and conditions as are the subject of the right of first refusal given to the company until the expiry of a period of 2 years from the date of lapse of such right of first refusal.

12. The company shall not assign, charge, or part with this licence, or with the rights, powers, or privileges hereby conferred, or any of them, without the written consent of the Minister first obtained; which consent it shall be in the absolute discretion of the Minister to grant unconditionally, or to grant subject to such conditions as he thinks fit, or to refuse.

13. If, at any time, in the opinion of the Minister, the dredging of material pursuant to this licence causes or aggravates, or is likely to cause or aggravate, sea erosion or other undesirable effects he may require the company to discontinue the dredging of material from all or any part of the foreshore and land below low-water mark included in this licence, or may regulate the removal of it, and the company shall, without delay, comply with any such requisition or regulation, and may forthwith apply for an alternative area.

14. Notwithstanding the right of the licensee to dredge materials from the area described in the First Schedule, the Secretary for Transport may authorise development or maintenance works or removal of materials to be carried on in the aforementioned area by some person or persons other than the licensee provided that such material removed shall remain the property of the Crown and shall not be sold by the Crown or any other person, and provided also that such works or removal of materials shall be carried out in such a manner as to cause no interruption to or interference with the conduct of the licensee's business and the dredging operations associated therewith.

15. Neither the granting of this licence nor anything herein contained shall affect the liability of the company for any injury to persons or damage to property arising out of the company's operations under this licence, and the company shall indemnify Her Majesty the Queen and the Minister against liability for any such injury or damage.

16. In case the company or any permitted assign shall:

- (a) Commit, or cause or suffer to be committed, a breach of the conditions hereinbefore set forth, or any of them, or fail to comply with any direction, requisition, or regulation hereunder.
- (b) Enter into any voluntary or compulsory liquidation, or if any receiver be appointed on behalf of debenture holders or otherwise, or become bankrupt, or make a composition with his creditors, or in any manner be brought under the operation of any Act for the time being in force relating to bankruptcy.
- (c) Make default, for a period of 30 days after due date, in payment of any sum of money payable to the Minister hereunder.

Then, and in any such case, this licence may be determined by the Minister by 1 week's written notice to the company.

17. Whenever any power may be exercised, or any notice given, or act or thing done or performed by the Minister in respect of this licence, it shall be sufficient if such power is exercised, notice given, or act or thing done by someone acting by or under the special or general direction of the Minister.

P. G. MILLEN, Clerk of the Executive Council.
