*Notice to Make Returns of Land Under the Land and
Income Tax Act 1954*

PURSUANT to the Land and Income Tax Act 1954, the Commissioner of Inland Revenue hereby gives notice as follows:

(1) A return of land held as at noon on 31 March 1975 is required from every person and company, whether a taxpayer or not, being the owner of land in New Zealand within the meaning of the Land and Income Tax Act 1954, if the total unimproved value as at noon 31 March 1970 exceeded \$60,000 and the land is not of the classes specified in paragraph (3) below.

(2) Land tax is dealt with by the Masterton office of the department and returns may be sent there or to any district office of the Inland Revenue Department, not later than 7 May 1975.

(3) Returns of land are not required for classes of land used solely or principally for the purpose of a business of—

- Animal husbandry (including poultry-keeping, bee-keeping and the breeding of horses); or
- Growing fruit, vegetables, or other crop producing plants; or
- Horticulture; or
- Viticulture.

Provided that the exemption in this paragraph shall not extend to land used for the purposes of a racecourse within the meaning of the Racing Act 1971 or to land used solely or principally for the purposes of forestry or silviculture.

(4) The Valuation of Land Amendment Act (No. 2) 1970 amended the basis for valuation of land. The Valuation Department is progressively revaluing land on a "land value" basis instead of an "unimproved value". Under section 48 of the Land and Income Tax Act 1954, the unimproved values prevailing as at 31 March 1970 are to be taken to be the unimproved values in assessing land tax for the year ended 31 March 1975.

Indecent Publications Tribunal

Decision No. 836

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the following book—*The Art of Oral Love* by Michelle Bardot, published by David and Denise Carling Harem Publications, London.

Mr Murray appeared on behalf of the Comptroller of Customs and made submissions. No appearance on behalf of the publisher and distributors was made.

DECISION OF THE TRIBUNAL

This is a manual type publication on oral sex. It contains a number of black and white photographs, diagrams and a lengthy text.

In attempting to establish guidelines for the classification of this type of literature (Decisions No. 432–435), the Tribunal was of the view that manuals which included advanced sexual techniques (e.g., oral sex) should be classified as indecent in the hands of persons under 18 years. Guided by the comments in these decisions, the Comptroller of Customs submitted that since this publication was concerned wholly with the subject of oral sex, it should be classified as indecent.

In this instance however, it is not the subject matter which is at issue, but the manner in which the subject is presented. In this publication oral sex is presented in a manner which panders to prurience. The text is exaggerated and the photographs are irrelevant. The Tribunal therefore considers this book to be both lacking in honesty of purpose and indecent within the meaning of the Act.

The Tribunal classifies *The Art of Oral Love* as indecent.
