## CONSERVING NEW ZEALAND'S HERITAGE

By P. H. C. LUCAS

In 1969 Mr Lucas went on a study tour of national parks and allied areas in Canada and the United States. On his return to New Zealand he wrote this report as a suggested guideline for national parks and reserves administrators.

Many of the problems experienced by older countries could be avoided by a careful study of their mistakes and with this in mind Mr Lucas has concluded each section with a summary of lessons for New Zealand.

Not only of interest to the general public but also to park administrators and planners, tourist promoters, historians, and archaeologists.

94 pages. 1970.
