No. 859

Decision of the Indecent Publications Tribunal

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by Norman William Laking, Acting Comptroller of Customs, for a decision in respect of the publication *Black Pirate*, by Robert Tralins, published by Warner Paperback Library, of New York.

BEFORE THE INDECENT PUBLICATIONS TRIBUNAL

Messrs L. M. Greig (Chairman), D. M. Wylie, I. R. Cross, Mrs L. Edmond, and Miss W. M. Rolleston.

Hearing: 14 June 1976.

Appearances: Mr P. E. Leloir for Acting Comptroller of Customs. Written submissions from the importer were received and considered.

DECISION OF THE TRIBUNAL

Black Pirate is a paper-back novel that purports to be a history of a negro buccaneer of the early nineteenth century. It contains some badly-written descriptions of violence and sex, which have some claim to be justified by the life and times of the main character. Accordingly, although this book does not rise above the level of pulp fiction, the tribunal finds it to be not indecent.

Dated this 9th day of July 1976.

LAURENCE M. GREIG, Chairman.

(Reference No. 19/2/5)

No. 860

Decision of the Indecent Publications Tribunal

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by Seven Seas Publishing Pty. Ltd., for a decision in respect of the publication *Show Me*, a picture book of sex for children and parents, with explanatory text by Dr Helga Fleischhauer-Hardt, published by St Martins Press, of New York.

BEFORE THE INDECENT PUBLICATIONS TRIBUNAL

MESSRS L. M. Greig (Chairman), D. M. Wylie, I. R. Cross, Mrs L. Edmond, and Miss W. M. Rolleston.

Hearing: 15 March 1976.

Appearances: Mr P. J. Downey for Seven Seas Publishing Pty. Ltd.

DECISION OF THE TRIBUNAL

This is an expensive, large, case-bound book. It is almost entirely a book of photographs with captions and some text at the beginning and end of the book. It is said to be aimed at providing sex education for children with an emphasis on sexual liberation.

Many of the photographs are explicit in depicting sexual intercourse, which in some contexts may not be indecent. The captions, however, which appear to be intended as a child's comment as viewer of the people or actions in the photographs, are supposed to be amusing to adult readers and are trivial. The text at the end of the book is slight and no better than in other more serious and valuable guides.

Considering the book as a whole, its stated purpose, and the persons at whom it is aimed, we can see no particular merit or importance, in categories mentioned in section 11 of the Act, but do suspect the honesty of purpose and the integrity of the whole. The appeal overall is to the prurient rather than to the educator.

The Tribunal classifies this book as indecent.

Dated this 9th day of July 1976.

LAURENCE M. GREIG, Chairman.
