## GENERAL PUBLICATIONS

## ADMINISTRATION IN NEW ZEALAND'S MULTI-RACIAL SOCIETY

*Edited by R. H. Brookes and I. H. Kawharu*

138 p. \$2

Race is a word which nowadays arouses strong feelings. In New Zealand there is little opposition in principle to the Government's policy of integration, but its success depends on the skill with which it is implemented.

Series No. 13. (New Zealand Institute of Public Administration.)

## THE AUSTRALIAN - NEW ZEALAND AGREEMENT 1944, VOL. 1

*Edited by Robin Kay*

297 p. \$7.50

This volume of documents on the Australian - New Zealand Agreement of 1944—also known as the Canberra Pact—is the first of a planned series on New Zealand external relations. Its primary purpose is to make available to scholars at the earliest possible stage documents on the development of this country's foreign policy. (Department of Internal Affairs.)

## BETWEEN GOVERNMENTS AND BANKS

*By Dr Hawke*

244 p. \$6

The Reserve Bank of New Zealand was established in 1933-34 but today's institution bears little resemblance to the one that was originally constructed by the 1933 legislation. The author, with a combination of historical and economic skill, covers the story and makes an assessment of the Bank's performance to date. A valuable contribution to New Zealand's historical record.

## A BIBLIOGRAPHY OF PRINTED MAORI TO 1900

DOMINION MUSEUM MONOGRAPH No. 7

*By Herbert W. Williams*

222 p. 1975. \$4.25

The most important collections of Maori books and pamphlets are mentioned in this bibliography. A short review has been made of the Maori literature dealt with and an endeavour has been made to trace the history of the various mission and other private presses concerned. Any work, however small, printed wholly in Maori, or in Maori with a translation has been included; so also has any work dealing wholly with the Maori language—such as a dictionary.

## BY DESIGN

*By Rosslyn Noonan*

330 p. Illustrated. 1975. \$18.50

A brief history of the Public Works Department (Ministry of Works from 1870-1970), its effect on the development of the country, its changing roles, and ups and downs. The book covers the growth of New Zealand as a nation. In addition the author includes in her own narrative some fascinating stories of human interest. (Ministry of Works and Development.)

## CONFERENCE ON STATE AID TO PRIVATE SCHOOLS

28 p. 45c

This is the report of a steering committee set up by the Conference on State Aid to Private Schools called by the Government in May 1973. The steering committee reported in November 1974 and the conference resumed on 4 December 1974. The report covers a wide range of issues on State aid but in particular it sets out detailed proposals for the integration of private schools into the State system. These proposals were put together by a working party representative of private and State school interests and are under consideration by Government.
