The Loburn Irrigation Order 1978

KEITH HOLYOAKE, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington, this 6th day of March 1978.

Present:

THE RIGHT HON. R. D. MULDOON PRESIDING IN COUNCIL

PURSUANT to the Public Works Act 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council hereby makes the following order.

ORDER

1. This order may be cited as the Loburn Irrigation Order 1978.

2. The Minister of Works and Development is hereby authorised to construct, maintain, and control the water supply works described in the First Schedule hereto to serve the district described in the Second Schedule hereto.

3. The area of land described in the said Second Schedule is hereby constituted as an irrigation district to be known as the Loburn Irrigation District (herein referred to as "the district").

4. It is hereby declared that the basic charge payable on all irrigable land within the said district shall be \$30 per irrigable-hectare-per-year and the water availability charge for each property shall be \$160 per season for each litre per second continuous flow made available during that season.

5. Basis of allocation—Supply of water is subject to the terms of the Water Right No. NCY 770137, issued by the North Canterbury Catchment Board and Regional Water Board. This right provides for the continuous taking of 4582 cubic metres per day at a rate not exceeding 53 litres per second from the Okuku River. The right is subject to a provision to reduce the amount of water taken to maintain a set minimum flow in the river. (A reduction is expected about once in 10 years.) The right allows an average supply of 2.25 litres per tree per hour on an assessed tree density of 333 trees per hectare for all the defined irrigable area, provided the water supply permits the exercising of the full right granted.

6. Reduction shall be made to the charges given above during the first six irrigation seasons so that the charges for the first seven seasons shall be as set out in the Third Schedule hereto.

7. It is hereby declared that after the seventh season of water availability, charges shall be subject to annual adjustment (from the end of the above season of supply) to compensate for any differences in any element of these charges from the amount previously estimated as stated under sections 13 and 15 of the Public Works Amendment Act 1975.

FIRST SCHEDULE WATER SUPPLY WORKS

AMENDMENTS TO THE RULES OF THE WELLINGTON STOCK EXCHANGE

1. *Interpretation*

The part of the Rule before Rule 1 is amended by adding after the definition "member" the following definition:

"Country member" means a member of the Wellington Stock Exchange whose place of business is situated outside the boundaries from time to time of the cities of Wellington, Lower Hutt, Upper Hutt, and Porirua, the Boroughs of Eastbourne, Petone, and Tawa, and the County of Hutt. There shall be two classes of country members as defined by Rule 82.

2. *Constitution*

Rule 3 is amended by deleting in the first line the words "country member" and substituting the words "a part-time country member".

3. *Country Members*

Rules 82, 83, 84, and 85 are deleted and the following Rules substituted in place thereof:

"82. Country members shall be divided into two categories, namely: *Provincial* shall comprise country members who in the opinion of the committee are solely engaged in the business of full-time sharebroking and are accordingly not in partnership with any person or persons engaged in any business other than full-time sharebroking; *Part-time* shall comprise country members whose places of business are in an area prescribed by the exchange from time to time and who in the opinion of the committee are not currently solely engaged in the business of full-time sharebroking or who, though themselves solely engaged in the business of full-time sharebroking, are in partnership with another person or persons engaged in any business other than sharebroking".

"83. Provincial country members shall be elected in the manner provided by Rules 47-53 inclusive and shall not be required to be re-elected annually".

"84. An applicant for part-time country membership shall furnish with his application for membership a written statement setting forth the full names of each and every partner with whom he carries on business. The information contained in such written application is submitted to ballot. Every incoming partner of any firm of which one of the members thereof is a part-time country member of the exchange, shall be proposed for the approval of the exchange in the manner provided in Rules 47 to 51 inclusive, as though he were a candidate for admission to membership, not later than 1 calendar month after the formation of the partnership. In the event of any partner not being approved of by the exchange the part-time country member shall be called upon to dissolve the partnership with the partner disapproved of. If within 1 calendar month after such disapproval the part-time country member has not dissolved such partnership, he shall be deemed to have retired from the exchange and the committee shall announce to the members that he has so retired, and his name shall be erased from the list of members. The approval by the exchange of the members of any such firm shall continue for so long as the part-time country member, through whom they have been so approved, remains a part-time country member of the exchange and their partnership with him whilst he is a part-time country member is undissolved".

"85. The election of a part-time country member shall be carried out in the same manner as prescribed in Rules 49, 50, and 51 in respect to the election of members. The provisions of Rule 52 shall apply.
