Mr K. B. O'Brien,
Chairman,
Commerce Commission,

Wellington.

6 June 1978

Dear Mr O'Brien,

In terms of the provisions of section 2A (1) (e) of the Commerce Act 1975, I hereby transmit to the Commerce Commission, the economic policy of the Government with respect to the inclusion of exchange gains and losses in the calculation of prices under Part IV of the Commerce Act. Having considered the report of the Commerce Commission in this respect, the Government's policy is that where on or after 19 May 1978, any loss or gain resulting from a movement of the exchange rate occurs in respect of any loan made to any manufacturer or supplier carrying on business in New Zealand, or would occur if the loan were then repayable, the amount of that loss or gain may be included in the calculation of that manufacturer's or supplier's prices, to such extent and subject to such conditions, as the Secretary, or as the case may be, the Commission thinks fit. It is the desire of the Government that this policy should be one of those general objects to be taken into account by the Commission and the Secretary in the exercise of their powers and functions under Part IV of the Commerce Act.

Yours sincerely,

L. R. ADAMS-SCHNEIDER,
Minister of Trade and Industry.

M. 6/78

In the Supreme Court of New Zealand
Invercargill Registry

IN THE MATTER of the Companies Act 1955, and IN THE MATTER of J. E. WATSON AND COMPANY LIMITED, a duly incorporated company having its registered office at Invercargill in New Zealand and carrying on business as stock and station agents—Applicant:

Monday, the 15th day of May 1978

BEFORE THE HONOURABLE MR JUSTICE QUILLIAM

UPON reading the Notice of Motion for Sanction of Scheme of Arrangement and Confirmation of Reduction of Capital and the affidavits of KENNETH GRAHAM ROBBIE, ALAN FLEMING GILKISON, and WREY HARVEY CHALMERS, filed herein this Court hereby orders:

1. That the underwritten Scheme of Arrangement be sanctioned and be binding upon the holders of the 5.3/4 percent cumulative participating preference shares of the company and the holders of the ordinary shares of the company and also upon the company itself.

2. That the reduction of paid up capital of \$66,667 resolved in the special resolution of the company passed at the extraordinary general meeting held on 20 April 1978 be confirmed.

3. That a minute pursuant to section 78 of the Companies Act 1955, in the underwritten form be approved for registration with the Registrar of Companies and publication in the *New Zealand Gazette*.

"FORM OF MINUTE:

J. E. WATSON AND COMPANY LIMITED

FOLLOWING the sanctioning of a Scheme of Arrangement on the 15th day of May 1978, whereby each of the existing 200,000 fully paid 5.3/4 percent cumulative participating preference shares of \$1 each in the capital of the company were cancelled, and in exchange therefore 133,333 ordinary shares of \$1 each credited

as fully paid up were issued with a consequent reduction of share capital of \$66,667, the capital of J. E. Watson and Company Limited is as follows:

Authorised capital: \$2,500,000.

Issued and paid-up capital: \$1,076,051.

divided into 1,076,051 fully paid ordinary shares of \$1 each, having been reduced from \$1,142,718, divided into 200,000 fully paid 5.3/4 percent cumulative participating preference shares of \$1 each, and 942,718 fully paid ordinary shares of \$1 each.

SCHEME OF ARRANGEMENT

Under Section 205 of the Companies Act 1955, to Convert all Preference Shares into Ordinary Shares Between J. E. Watson and Company Limited ("the company") and

- (a) The holders of the 5.3/4 percent cumulative participating preference shares of the company.
- (b) The holders of the ordinary shares of the company.

SCHEME OF ARRANGEMENT

1. Cancellation of Preference Shares—Each of the existing 200,000 fully paid 5.3/4 per cent cumulative participating preference shares of \$1 each (hereinafter referred to as "the preference shares") in the capital of the company will be cancelled.

2. Issue of Ordinary Shares—Each holder of the said preference shares at the time of cancellation will be allotted and issued two ordinary shares of \$1 each in the capital of the company credited as fully paid up for each three preference shares. Fractions of ordinary shares arising from the implementation of the above scheme will be sold and the proceeds distributed pro rata to those who would otherwise have been entitled to the fractions.

3. Dividends:

(a) The cumulative preferential dividend of 5.3/4 percent and the participating dividend of 4 1/4 percent on the preference shares making a total of 10 percent, were declared and paid on 19th October 1977, and the cumulative preferential dividend is accordingly up to date to 30 June 1977.

(b) The holders of the preference shares will not be entitled to a further preferential or participating dividend on these shares as such.

(c) The ordinary shares allotted and issued in substitution for the preference shares will rank *pari passu* in all respects with the existing issued ordinary shares of the company and accordingly will participate in all dividends in respect of the year ending 30 June 1978. In the normal course one dividend will be payable in September or October 1978.

4. Alteration of Share Capital—The following transactions will take place:

(i) The authorised share capital will as a result of the cancellation of the preference share capital be reduced by \$200,000 but will be forthwith increased by \$700,000 by the creation of 700,000 new shares of \$1 each by separate resolution of the members to be passed on the same day as the Scheme of Arrangement is approved by the class meetings.

(ii) The sum of \$200,000 being the share capital paid up on the preference shares cancelled will be carried to the credit of an account in the books of the company to be called the "preference share conversion account".

(iii) Of the sum of \$200,000 thus transferred to the credit of the preference share conversion account \$133,333 will be applied in paying up in full the 133,333 ordinary shares of \$1 each to be allotted to the holders of the preference shares on cancellation of their shares.

(iv) The balance of \$66,667 remaining to the credit of the preference share conversion account shall remain in such account and this account shall in all respects be subject to the same provisions rights and restrictions as apply to a share premium account created pursuant to section 64 of the Companies Act 1955.

(v) The paid up share capital of the company will be reduced by \$66,667 representing the difference between the \$200,000 of preference share capital cancelled and the \$133,333 of new ordinary share capital issued credited as fully paid up as provided for above.

5. Effective Date of Scheme—Subject to the separate approval of each of the two classes of shareholders and of the company in general meeting and to the sanction of the Supreme Court the Scheme of Arrangement will come into force with effect from 10 May 1978 or the date it is sanctioned by the Supreme Court, whichever shall be later. The directors may assent to any modifications of the Scheme or to any conditions which the Court may think fit to approve or impose."

4. That notice of the registration of this order and of the said minute, and the text of the order, be published once in the *New Zealand Gazette*.

5. That so long as the Preference Share Conversion Account referred to in paragraph 4 of the Scheme of Arrangement is in existence, the company shall note every balance sheet of the company to the effect that that account is in all respects subject to the same provisions rights and restrictions as apply to a share premium account created pursuant to section 64 of the Companies Act 1955.

By the Court:

A. F. E. WOOLFORD, Deputy Registrar.

DIRECTIONS FOR EDUCATIONAL DEVELOPMENT
A REPORT PREPARED BY THE ADVISORY COUNCIL ON EDUCATIONAL PLANNING

141 p. 1975.

\$2.50

This report marks the culmination of the activities of the Educational Development Conference. The Advisory Council has recommended the directions it considers New Zealand education should go in the next 5 or 10 years.

Five principal areas are identified as requiring attention.

Education is seen as a lifelong activity, and emphasis is therefore placed on the "foundations"—early childhood education, the school curriculum and special provisions for special needs, and parent education.

Special attention is given also to the relationship between the school and the community, the need for close mutual support and co-operation, including understanding and respect for minority cultures.

A key to the quality of education is the people involved in it. Teacher education, the availability of advisory and ancillary staff, as well as resources for materials and research, have a chapter devoted to them.

Since education is seen as a lifelong activity, this is considered at some length. Facets such as accessibility, transfer of credits, and the role of existing institutions are discussed, together with ways in which continuing education could be provided for the whole community.

In discussing the administration and organisation of education the principle followed is the maximum devolution of authority and responsibility to the agencies and the community, at for instance, school committee and district level.
