IN the matter of the Family Benefits (Home Ownership) Act 1964:

SPECIAL MINISTERIAL DIRECTION

To: The Social Security Commission.

I, Herbert John Walker, Her Majesty's Minister of Social Welfare direct you pursuant to the powers vested in me by section 4 of the Family Benefits (Home Ownership) Act 1964, as follows:

1. That it is the policy of Her Majesty's Government that those of Her Majesty's Subjects who have low incomes and modest means shall have priority of access to public funds available for housing.

2. That in furtherance of that policy when you are required to take into consideration, pursuant to section 10 of the Family Benefits (Home Ownership) Act 1964, the income and assets of applicants for a Certificate of Eligibility under that Act, or the spouse of such applicant as the case may be, you shall apply the following income and assets and needs test and, if the affairs of that applicant, or the spouse of that applicant as the case may be, fail to come within its prescription, you shall take it that that applicant, or the spouse of that applicant as the case may be, can reasonably be expected to arrange finance from another source within the terms of section 10 (1) (b) (i) of the Family Benefits (Home Ownership) Act 1964.

3. That the income assets and needs test to be applied is as follows:

- (a) "Chargeable income" means the total gross income for the period of 12 months immediately prior to the date of application, divided by 52, together with the earnings of the applicant and the spouse of the applicant except the personal earnings of the wife in a family where both the husband and wife have earnings.
- (b) (i) Except for seasonal workers "earnings" means the weekly average of wages or salary and other periodic emoluments including all supplementary taxable payments and overtime payments paid during the period of 12 months immediately preceding the date of application or the actual weekly wage, salary or other periodic emolument, including all supplementary taxable payments and overtime payments paid at the time of application, whichever is the greater.
- (ii) For seasonal workers "earnings" means the total amount of wages, salary or other periodic emoluments including all supplementary taxable payments and overtime payments paid during the 12 month period immediately preceding the date of application, divided by 52.
- (c) The following circumstances shall be a "special housing" need:
- (i) Where the present housing is inadequate and there is a need for other housing, e.g. too small for the needs of the family, derelict, etc.;

- (iii) Where the family is required to vacate the property for reasons other than non-payment of rent;
- (iv) Where failure to purchase the property currently occupied would result in loss of the accommodation;
- (v) Where a State rental house, Government pool house or departmental house will be vacated by the family following the purchase of other accommodation; and
- (vi) Where the rental paid by the family exceeds 25 percent of the gross chargeable income of the family including overtime and allowances.
- (d) (i) The limit for chargeable income for a family with one child shall be \$125 per week, increased by \$5 per week for each additional child;
- (ii) Where there is a special housing need the limit for chargeable income shall be increased by \$10 per week.

(e) (i) The limit for the value of assets including, where relevant, the land on which it is proposed to build the house, owned by a family with one child shall be \$10,000 increased by \$500 for each additional child.

IN the matter of the Social Security Act 1964:

SPECIAL MINISTERIAL DIRECTION

To: The Social Security Commission.

I, Herbert John Walker, Her Majesty's Minister of Social Welfare, direct you, pursuant to the powers vested in me by section 5 of the Social Security Act 1964, as follows:

1. That it is the policy of Her Majesty's Government that any person now being paid National Superannuation, pursuant to section 13 of the Social Security Act 1964, who was, on the 9th day of February 1977, in receipt of an Age Benefit pursuant to what was then section 16 of the Social Security Act 1974 (now repealed) shall not receive substantially less in a period of 12 months than that person would have received had the provisions for Age Benefit not been repealed.

2. That in furtherance of that policy, where it can be shown that any person now being paid National Superannuation pursuant to section 13 of the Social Security Act 1964, who was, on the 9th day of February 1977, in receipt of Age Benefit under the now repealed section 16 of the Social Security Act 1964 has to pay more terminal income tax for the year ended the 31st day of March 1978 than that person would have had to pay in respect of the same income, other than benefit, allowance, or concession or National Superannuation under the Social Security Act 1964 had that person been able to continue receiving Age Benefit as was provided for by the now repealed section 16 of the Social Security Act 1964, it will be appropriate for you to grant that person an additional benefit under the provisions of section 61G of the Social Security Act 1964.

3. That the amount you will then pay under that grant of additional benefit shall be an amount equal to the difference between the after tax income of such a person in the financial year ended 31 March 1978 and the after tax income that person would have enjoyed had he (or she) continued to receive Age Benefit under the now repealed provisions of section 16 of the Social Security Act. In computing that amount the value of all benefits, concessions and allowances or National Superannuation paid under the provision of the Social Security Act 1964 shall be included as income.

Given under my hand this 22nd day of August 1978.

H. J. WALKER, Minister of Social Welfare.

SPECIAL MINISTERIAL DIRECTION

To: The Social Security Commission.

I, Herbert John Walker, Her Majesty's Minister of Social Welfare, direct you, pursuant to the powers vested in me by section 5 of the Social Security Act 1964, as follows:

1. That it is the policy of Her Majesty's Government that those persons who apply for a Domestic Purposes Benefit under the provisions of section 27B of the Social Security Act 1964, and who do not immediately qualify for that benefit because provision for maintenance required pursuant to section 27B (2) (c) of the Social Security Act 1964 has not been obtained, shall be required to consider conciliation of their matrimonial differences, and to encourage this the rate of benefit such applicant is paid should be something less than the rate which they would be entitled to under a Domestic Purposes Benefit granted under section 27B of the Social Security Act 1964.

2. In furtherance of that policy any benefit granted to such an applicant under section 61 of the Social Security Act 1964 (hereinafter called an "Emergency Maintenance Allowance") is to be paid at a rate not less than \$16 below the relevant standard rate for a Domestic Purposes Benefit, set out in the sixteenth Schedule of the Social Security Act 1964, for the period of 26 weeks from the grant of an Emergency Maintenance Allowance.

Given under my hand this 22nd day of August 1978.

2. That in the furtherance of that policy it will be appropriate for you to grant, on application, an additional benefit under section 61G of the Social Security Act 1964 to any person who is in receipt of such a benefit or pension provided that that person is either:

- (a) Unmarried without dependants and receives an income not in excess of \$21 a week from sources other than the benefit or pension; or
- (b) A solo parent with a dependent child or children not qualified for a young family tax rebate and receives an income not in excess of \$25 a week from sources other than the benefit or pension.

3. That the amount you will pay under that grant of additional benefit shall be an amount equal to the increase in the PAYE tax paid by such beneficiary or pensioner from the 1st day of October 1978 as a result of the revision of personal tax scales from that date.

4. That any such grant of additional benefit shall be effective from the 1st day of October 1978 to the 31st day of March 1979.

3. That the amount which you will pay to any person under that grant of additional benefit shall be 23 cents per week.

4. That any such grant of additional benefit shall be effective from the first fortnightly instalment of National Superannuation in October 1978 and shall be withdrawn when the next general increase in National Superannuation rates comes into effect in February 1979.

A resolution adopted at a general meeting of members called at less than 14 days' notice shall be deemed to be binding on all members until the date of the next annual general meeting when such resolution shall be subject to confirmation, and if confirmed shall be deemed to have been duly and properly passed from the date of the initial adoption of the resolution.

32. At any general meeting every Member shall have one vote and all questions shall be decided by a majority of the Members present and voting except in cases otherwise provided for in these rules, but notwithstanding the provisions of this or any other rule, and with the exception of voting for the election of a candidate for Membership of the Exchange or of voting upon any resolution related to the disposal or acquisition of assets by the Exchange, where Members are carrying on business in partnership, while the total number of Members shall be not less than 30, no more than four partners of any one partnership shall vote at any one general meeting and if at any such meeting more than four partners of any one partnership are present and vote then the votes accepted shall be those of the four senior members of that partnership according to their respective election to the exchange, who have voted but, while the total number of Members shall be less than 30 the number of partners entitled to vote according to this Rule shall be three. Voting by proxy shall not be permitted.

33. A special resolution of members shall be a resolution passed by a majority of two-thirds of such members as, being entitled so to do, vote in person at a general meeting of which not less than 14 clear days' notice, specifying the intention to propose the resolution as a general resolution has been duly given.

34. The quorum for General or Special General Meeting of members shall be one-half of the members of the Exchange. In the event of there not being a quorum present at the time appointed for any meeting, the Chairman or in his absence the Vice-Chairman, or in his absence any other office-bearer, or in the absence of all the office-bearers the Secretary may adjourn such meeting to such day and time within the next ensuing 7 days as he may determine. Notification of the adjournment of such meeting, stating the date and time to which such meeting is adjourned, shall be forthwith given by the Secretary to each member in the same manner as is provided for notices of general meeting.

Funds

35. The Committee shall have full control over the funds of the Exchange, and shall pay therefrom all current expenses and outgoings, and any other payments relating generally to the operation of the Exchange or for which they have the specific or general authority of the members. All monies received shall be paid into a bank account and payments shall be made by cheques drawn on such account.

36. Cheques drawn on or against any funds of the Exchange shall be signed by any two of the following four persons—the Chairman, the Vice-Chairman, the Secretary, and such

fourth person as may be specially appointed by the Committee for the purpose.

37. The Committee shall invest the funds of the Exchange in such securities or other forms of investment as the Committee may in their absolute discretion from time to time deem advisable, whether or not such securities or investments are authorised by law for the investment of trust funds. In particular the Committee may invest funds of the Exchange in the purchase of freehold or leasehold interests in land for the purpose of providing a building or rooms for the carrying out of activities of the Exchange or for such other purpose as the members may authorise. Securities or other property of the Exchange may be held in the name of the Exchange or on behalf of the Exchange by a trustee company or other trustees as the Committee may from time to time appoint. The Committee if specifically authorised by a special resolution of members may pledge, charge, or mortgage all or any of the assets of the Exchange upon such terms and for such purposes as the Committee decides.

38. The Exchange may at any time, with the sanction of a special resolution of members divide amongst its members any part of its assets not exceeding in amount or value the excess of the total assets of the Exchange over its liabilities. If the Exchange so decides, it may retain sufficient of the cash or other assets out of the share of any member upon any such distribution to pay or satisfy (so far as the same will extend) any moneys payable or owing by that member to the Exchange or to any member, and the cash and other assets retained shall be applied towards payment of the moneys so owing accordingly.

Entrance Fee

39. An entrance fee, of such sum as the Exchange may from time to time determine in general meeting, shall be paid by a candidate for membership prior to any ballot being taken upon his application. The entrance fee of a candidate who is, or has been within 3 calendar months of his application for admission to membership, an authorised clerk in respect of whom at least 24 clerk's fees have been paid shall be reduced by such sum as the meeting may determine. Entrance fees may not be used for revenue items but any investment income accruing from such fees may be used to reduce Members' levies. In the event of a candidate not being elected the money paid shall be returned to him. This rule shall not prevent the Exchange reinstating a former member without payment pursuant to any other rule in force relating to reinstatement.

Subscriptions

40. To procure funds for the Exchange the Committee may in its discretion from time to time by resolution make a levy on members of such amount per head as it thinks fit. Notice of the making of the levy and the amount thereof shall be placed on the official notice board of the Exchange and a copy of the notice shall be posted to each member or left in his delivery box by the Secretary as soon as practicable. The levy shall become due and payable on the day following the placing of the notice on the notice board and such placing shall be deemed notice to every member of the making of the levy.

The levy on any member shall automatically be increased by a penalty of 10 percent if the levy is not paid to the office of the Exchange or sent by post and post-marked on or before the day 1 calendar month after the date of placing of the notice on the notice board, unless the Committee upon written application waives the penalty because of special circumstances.

A new member shall be liable to pay the levy last made prior to his election or approval, but in the same financial year, as if he had been a member at the date of the notification of the resolution making such levy, and shall be deemed to have received notice of the levy on the day of his election or approval, as the case may be, provided always that in any such case the Committee may if it considers it equitable so to do, remit the whole or any part of such levy.

41. The Committee shall in respect of each calendar month of the financial year fix a fee (hereinafter referred to as a clerk's fee) to be paid by every member or firm whose authorised clerk has at any time during such month attended an official meeting on his or their behalf for the purpose of making quotations or purchasing or selling shares. The fee for any month shall be fixed either during or at any time before such month and shall become due and payable on the last day of such month.

42. Notice of the fixing of a clerk's fee shall be deemed to be given to members by placing notice of the resolution fixing the fee on the official notice board of the Exchange. The

fixing of the fee shall also be announced at a trading meeting by the presiding officer thereof. Where the employer of an authorised clerk is a firm, the members thereof shall be jointly and severally liable for any clerk's fee payable in respect of such clerk. The Committee may, if it thinks it equitable, remit or reduce the amount of the clerk's fee in any particular case.

43. If any levy, clerk's fee, or other moneys for which any member is liable to the Exchange shall not be paid within 4 calendar months of the due date thereof, the member shall immediately on the expiration of such period be deemed to be suspended from the privileges of membership, and shall continue so suspended until such levy fee or other money due shall be paid, and if it shall not be paid within 12 calendar months of the due date thereof, he shall, immediately upon the expiration of such period cease to be a member, and his interest in membership shall be forfeited to and become the property of the Exchange.

Election of Members

44. Every candidate for admission to membership must be proposed by a member and seconded by another member and his name shall be submitted to the Committee. The Committee shall make inquiries as to the integrity, suitability, and financial standing of the candidate. Upon the Committee being satisfied as to the financial standing of the candidate it shall submit his name for election, his proposer and seconder, and the time and place of the general meeting at which the ballot is to be taken shall be given to members in the manner provided for notices of general meetings not less than 14 days prior to the date of the meeting. Applications for admission to membership, except as otherwise provided, shall be in the following form:

To the Secretary of the Auckland
Stock Exchange

SIR,

I am desirous of being admitted a member of the Auckland Stock Exchange, upon the terms of and under and subject in all respects to its rules and regulations, which now are or hereafter may be for the time being in force.

I have read the rules as at this date, and am willing to sign them when called upon to do so.

I undertake on notification of the total amount fixed by the Exchange for the entrance fee and membership to pay such amount to the Exchange prior to the ballot on my membership.

45. Candidates for membership shall be elected by the members by secret ballot. A voting paper in the form prescribed by the Committee shall be issued to each member present at the meeting at which the ballot is held. Two members appointed by the meeting shall act as scrutineers and shall record the final result of the voting in writing. The scrutineers shall be the final judges of whether any paper is a valid one. No voting by proxy shall be allowed. One adverse vote in every five valid votes recorded shall exclude the candidate from election. No ballot shall be valid unless at least one-half of the members of the Exchange entitled to vote do actually register a vote but a member may mark his voting paper with the words "no vote" in which case he shall be deemed to have registered a vote, but his vote shall not be recorded either in favour of or adverse to the candidate.

46. Should any ballot prove invalid by reason of an insufficient number of votes being registered another ballot shall be held at a time to be fixed by the Committee not earlier than 14 days and notice of such fresh ballot shall be given in the same manner as notice of the original ballot.

47. No rejected candidate shall be again proposed for election within the space of 6 months after his rejection.

48. Every member immediately on election shall sign the rules as an acknowledgment that he has read them and agrees to be bound by them and until the member has so signed he shall not be entitled to the privileges of membership.

49. Certificates of membership executed under the Official Seal of the Exchange shall be issued by the Committee to members. Every such certificate shall at all times remain the property of the Exchange and the Committee shall be at liberty at any time to call for and compel its production and delivery. Any person ceasing to be a member shall, upon application by the Committee or by the Secretary, return his certificate of Membership for cancellation.

50. Any partnership engaged in sharebroking shall for the purpose of these rules be deemed to be a forbidden partnership unless all the partners are members of the Exchange. The Committee shall by written notice require any member who is a partner in a forbidden partnership to dissolve the same, and unless upon the expiration of 3 calendar months from the date of giving such notice or such longer period as the Committee may fix from time to time all partners of such

partnership are members of the Exchange, or the partnership has been dissolved, the member receiving such notice shall be deemed to have retired from the Exchange and to be no longer a member.

Rights of Members

51. The rights and privileges of every member shall be personal to himself and shall not be transferable by operation of law nor by his own act.

Interest in Assets

52. Members who resign or cease to be members from any cause whatever or persons claiming through them or the executors or administrators of any deceased member shall have no claim on the assets of the Exchange.

Defaulters

53. Where in the opinion of the Committee a member is under financial stress and is likely to have difficulty in meeting his liabilities or in the Committee's opinion other circumstances require the prompt suspension of the member from trading, the Committee may immediately temporarily suspend such member from membership of the Exchange for such limited period as the Committee in its absolute discretion thinks fit. The Committee may exercise this power of temporary suspension without calling on or hearing the member involved.

54. A member shall be declared a defaulter by the Committee if he has committed an act of bankruptcy or is insolvent or in the opinion of the Committee the member is in difficulties and has failed or is likely to fail to meet his liabilities, and upon such declaration being made the defaulting member shall be automatically suspended from all trading and from the exercise of all rights of membership of the Exchange and notice of the name of the defaulter shall be given forthwith to all members.

55. Where any member has failed to pay when due any debt incurred by him to another member the Committee may suspend such member for such period as it thinks fit and may also censure fine or recommend the member for expulsion. Should the Committee decide to recommend the member's expulsion they shall report accordingly to the members at a Special General Meeting called for that purpose. It shall be competent for the said Special General Meeting to confirm the Committee's recommendations and expel the member so brought before them or deal with them by fine or suspension from membership.

56. The Committee shall have power to order that all open transactions including time bargains between any member declared a defaulter and other members shall be closed within a time to be named by the Committee. Such transactions shall be closed accordingly by the Chairman buying or selling in the market on account of the defaulter such stocks or shares as he may have contracted to sell or purchase. The Chairman shall charge current rate of brokerage to the defaulter and such brokerage shall be the personal property of the Chairman. Members shall without delay render full statements of account to the Committee.

57. In case any member shall make default in payment of any amount payable to any other member, the last-mentioned member shall give notice in writing of such default to the Chairman or in his absence to the Vice-Chairman within 24 hours after such default.

58. The Committee shall have power to investigate the accounts of members with a member in default and to reject or require the correction of any items which they may deem unsatisfactory.

59. Members who are creditors of a member in default shall have a preferential claim on all surpluses in the hand of other members resulting on the closing of transactions open at the time of default, and also on all moneys which may become payable to a member in default out of funds in the hands of the Committee from the estate of another member in default. All surpluses in the hands of members resulting on the closing of open transactions with a member in default shall be paid to the Committee.

60. The Committee shall distribute as soon as possible amongst members who are creditors of the member in default the surpluses received from other members on his account and all moneys due to him out of funds in the hands of the Committee from the estate of another member in default.

Clerks

61. The Committee may, at the request of a member or a firm, grant permission to a clerk in the service of such member or firm to attend the trading meetings of the Exchange for the purpose of making quotations, or purchasing or selling shares on behalf of such member or firm or such other pur-

poses as the Committee fixes from time to time, and may at any time of its own accord and shall at the request of such member or firm withdraw or cancel such permission. While such permission subsists, such clerk shall be deemed for the purposes of these rules to be an authorised clerk of the member or firm in whose service he is.

62. An authorised clerk while in attendance at a trading or other meeting shall subject as hereinafter provided in these rules, be deemed to be the agent for all the purposes mentioned in rule 61 of the member or firm in whose service he is and such member or firm shall be responsible for all the transactions of such clerk.

63. A clerk shall not be eligible for admission unless he be at least eighteen (18) years of age.

64. A clerk shall not buy or sell time-bargains or deal except in cash transactions unless he shall have written authority to do so from his employer, such authority to be lodged with the Chairman and all his dealings shall be on account of his employer.

65. A member may by a letter addressed to the Secretary withdraw the authority for his clerk to act but his responsibility shall continue until such withdrawal shall have been notified to the members at a trading meeting or by written notice from the Secretary.

Commission

66. The rates of brokerage shall be those fixed or adopted from time to time by the Stock Exchange Association of New Zealand.

Trading Meetings

67. The trading meetings or official call meetings of the Exchange shall be the meetings of members, held at such place and times as the members shall appoint, at which the business shall be to make prices, effect sales, receive and record quotations, and to carry on such other businesses as the Committee may authorise from time to time. The quorum for a trading meeting shall consist of representatives of one-quarter of the member firms of the Exchange. Such representative may be a member or an authorised clerk of the member firm. Each member who carries on business individually and each partnership of members shall be considered a separate member firm for the purpose of this rule. Trading meetings shall be presided over by the Chairman or in his absence by the Vice-Chairman or should either be absent or not wish to preside then by such Committee member or member or employee of the Exchange as may be appointed from time to time by the Chairman.

68. The Chairman or other presiding officer of a trading meeting in regulating the order and manner in which the business of the meeting is conducted may from time to time give rulings as to the customary practice or usage of the Exchange in relation to maintaining quotations, priority of buyers and sellers, reopening business in a particular stock, and as to all other matters necessary for the orderly and expeditious conduct of the meeting. The ruling by the Chairman or of another presiding officer if confirmed by the Chairman shall be final and shall supersede any previous ruling given on the same point until any other ruling is given by a general meeting of the Exchange.

69. Save as the Committee may otherwise provide by regulation time bargains shall not be made at a trading meeting except at the conclusion of the ordinary business. Unless the Chairman otherwise rules any member may then at the conclusion of the meeting name any stock or shares in which he wishes to make a time quotation and such stock or shares shall then be called for time transactions only.

70. If any report of a sale be challenged the Chairman shall as soon as practicable take steps to satisfy himself as to the bona fides of the report by examination of the books, papers, or office records of the member or in such other manner as the Chairman deems appropriate. The Chairman shall report the result of his investigation either to the Committee in the first instance or to a trading meeting or general meeting of the Exchange as he deems appropriate. Any member refusing an inspection of his books, papers, or office records shall have committed a breach of these rules. The refusal shall be reported by the Chairman forthwith to the Committee and the Committee may treat such refusal as evidence of the member being guilty of making a false quotation and engaging in conduct unworthy of a member.

71. The general conduct of trading meetings shall be subject to the control of the Committee which, having regard to changes in stockbroking practice, may from time to time make and promulgate regulations dealing with the conduct and mode of operation of trading meetings and the business to be transacted at such meetings, and such regulations upon adoption by a special resolution of members shall bind all members and a breach of the regulations, if not otherwise dealt with under the rules, shall carry a penalty of up to \$50.

Contracts

72. In contracts between members for the sale and purchase of shares and stocks they shall be held to be principals to each other unless a written arrangement to the contrary be made between buying and selling broker at the time of the contract being made.

Non-members

73. Should the purchaser other than a member fail to pay when due the amount owing by him to a member for shares purchased on his account by the member then the member shall be at liberty at any time thereafter and without any special notice to the non-member to sell such shares through the Chairman or with his authority and all damages or expenses which the member may sustain consequent upon such resale shall be recoverable from the defaulting purchaser. If the member considers special circumstances justify the course he may, with the consent of the Chairman or Vice-Chairman, send notice by telegram to the purchaser addressed to his last known address giving notice of the purchase of the shares and the amount due, and failing payment within 48 hours of the dispatch of the telegram the purchaser shall be deemed to have made default in payment of the amount due and the shares may be sold as provided herein.

74. In the event of any person other than a member failing to meet any engagement with a member of the Exchange, the member may report such matter to the Committee. The Committee shall inquire into the case and if satisfied that a default has taken place the Committee may notify the name of the defaulter to members in such manner as the Committee deems desirable.

75. It shall not be incumbent upon a Committee to entertain any complaint or charge submitted by a non-member against a member where the Committee are bona fide of the opinion that the complaint is of such a frivolous or vexatious nature as not to merit hearing by the Committee but the Committee shall be competent to entertain all other such complaints provided that the complainant shall previously to the case being heard, submit a statement in writing of the complaint.

Country Members

76. Any person carrying on business at a distance of not less than 20 miles from the building where the Exchange is for the time being transacting its business, but closer to such building than to the similar buildings of any other metropolitan member exchanges of the Association may be elected a country member by the Exchange in the manner hereinafter provided by these rules. A country member shall pay the entrance fee fixed by the committee of the Exchange and also the annual subscription payable in advance to the Exchange. The annual subscription shall be such sum as may be fixed from time to time by resolution of the Exchange. Country members shall have the privilege of doing business with any member of any exchange affiliated to the Association but shall not be entitled to attend the trading or general meetings of the Exchange, except as a guest and shall not be entitled to vote or hold office or take part in the control or management of the Exchange. Such portion of these rules as deal with membership, management, and general meetings of the Exchange, election of members, interest in membership, subscriptions and funds of the Exchange, being more particularly rules 3 to 52 both inclusive shall not apply to country members unless otherwise specifically stated in any particular rule, but save for any specific exemption granted in the rules a country member shall be subject to and shall sign the rules of the Exchange.

77. Every candidate for country membership shall be proposed by a member and seconded by another member and his name shall be submitted to the Committee with such information as to his integrity, suitability, and financial standing as the Committee may require. The name of the candidate shall thereupon be put forward for election at a general meeting in the same manner as is prescribed in respect to the election of members. At its discretion, in lieu of submitting the name of the candidate to a general meeting, the Committee may give written notice to members, in the same manner as is provided for notices of general meeting, of the intention to accept the applicant for election at the expiration of 14 days from the date of the notice. During the 14 days any member may request that the name of the applicant be put before a general meeting for election, but if no such request is made the Committee may at the expiration of the period of 14 days declare the applicant elected as a country member. No rejected candidate shall be again proposed within 6 months of his rejection. Application for admission to country membership shall be in the following form:

78. Upon election and after signing the rules a country member shall receive a Certificate of Membership executed under the official Seal of the Exchange but such certificate shall at all times remain the property of the Exchange and the Committee shall be at liberty at any time to call for and compel its production and delivery. Any person ceasing to be a country member shall upon application by the Committee or by the Secretary return his Certificate of Membership for Cancellation.

79. An applicant for country membership shall furnish with his application a written statement setting forth the full names of each and every partner with whom he carries on business and this information shall be furnished to members of the Exchange before the applicant is considered for final election. The applicant shall also supply such other information as to the integrity or financial standing of the partners with whom he carries on business as the Committee may require. All the incoming partners of any firm of which one of the members thereof is a country member of the Exchange shall be notified to the Committee of the Exchange for approval on the formation of the partnership. If the Committee do not approve of an incoming partner the question of approval shall at the request of the country member be referred to a general meeting of members for decision. In the event of any partner not being approved by the Committee or by the general meeting the Committee by notice in writing shall call upon the country member to dissolve partnership within 1 month with the partner who did not receive approval. If within one month of the date of such notice the country member has not dissolved such partnership he shall be deemed to have retired from the Exchange and the Committee shall announce to the members that he has so retired, and his name shall be erased from the list of country members. The approval by the Exchange of the partners of any such firm shall continue for so long only as the country member through whom they have been so approved remains a country member of the Exchange and their partnership with him whilst he is a country member is undissolved.

80. Country members shall be divided into two classes: Class 1 shall comprise country members who in the opinion of the Committee are currently solely engaged in the business of sharebroking and are accordingly not in partnership with any person or persons engaged in any business other than full time sharebroking.

Class 2 shall comprise country members who in the opinion of the Committee are not currently solely engaged in the business of sharebroking including those members who though themselves solely engaged in the business of sharebroking are in partnership with any person or persons engaging in any business than sharebroking.

Class 1 Country members shall not be required to be re-elected annually.

Class 2 Country members must apply for re-election not later than 1 November in each year or such other annual date as the Exchange may fix by resolution and be re-elected annually. Application shall be in writing and shall include the signatures of two members as proposer and seconder. Any application of a country member for re-election which does not reach the Secretary by 1 November or other fixed annual date in any year shall not be submitted to members unless the Committee directs otherwise but the country member shall be entitled to make a fresh application for admission to membership in all respects as if it were an original application including the payment of an entrance fee. Re-election of class 2 country members shall take place at the annual general meeting or at such special general meeting as the Committee may fix and any class 2 country member who has failed to secure re-election by the conclusion of such general meeting shall cease to be a country member from the conclusion of the meeting.

81. Country members who resign or cease to be members from any cause whatever or persons claiming through them or the executors or administrators of any deceased country member shall have no claim upon or interest in the assets of

the Exchange and a country member shall not be entitled to assign his membership or propose a candidate for membership in his stead.

Employees Trading

82. A member shall not buy or sell shares for anyone employed in another member's office.

Disputes

83. Where any dispute between members with reference to stockbroking transactions or other transactions to which these rules apply is brought under or referred to the consideration of the Committee the decision of the Committee shall be final and binding and shall be carried out forthwith by the member or members concerned. In giving a decision on a dispute between members the committee may order that reasonable costs of the hearing of the dispute should be paid by any one or more of the members involved and may require the deposit of up to \$40 for hearing costs at the time a dispute is referred to the Committee.

84. It shall be a condition, precedent to the commencement of any action by a member against any other member upon any matter arising out of any transaction of stockbroking or out of any transaction to which these rules apply, that the dispute shall be first determined in the manner provided by these rules and thereafter action shall be commenced only for the enforcement of the decision given under these rules and then only after the member sued shall have after 14 days' notice in writing refused or neglected to carry out such decision. In any action as aforesaid no member shall dispute the correctness of such decision or award, or the fact that it was given in accordance with these rules.

Complaints and Charges

85. A complaint or charge may be made to the Committee in respect of any alleged breach of these rules, or alleged professional misconduct, or any act or matter alleged to be detrimental to the well-being or proper conduct of the Exchange or the Association, and may be made by any Exchange member or by a member of another Exchange or subject to rule 75 by a non-member.

86. Members and their clerks when required so to do by the Committee shall attend any meeting of the Committee and then and there shall give such information as may be in their possession relative to any matter under investigation. In the event of a complaint or charge being made which in their opinion justifies such procedure the Committee shall have full power to call upon any member to produce for the inspection of the Committee or an Inspector appointed by them or to make available at the member's office for such inspection all books, letters, telegrams, and office records or other documents or copies thereof as the member may have in his possession or control as the Committee may direct and the member shall forthwith produce such documents or make them available for inspection as the case may be.

87. The Committee shall take cognizance of all violations of these rules, and of the rules of the Stock Exchange Association of New Zealand whether in letter or spirit, and the Committee shall have the power to reprimand, to fine, to suspend from membership, and to recommend the expulsion of any member found by it to be guilty of such violation or of failure to comply with any of the decisions or of regulations made by the Committee or the Association, or of conduct which in the opinion of the Committee is unworthy of a member. Should the Committee decide to recommend a member's expulsion it shall report accordingly to the members at a Special General Meeting called for that purpose. It shall be competent for the Special General Meeting to confirm or vary the Committee's recommendation to expel the offender and the meeting may resolve to deal with the offending member by reprimand, fine, or suspension. Unless the meeting otherwise resolves, the decision shall be taken by secret ballot. The decision of the meeting shall be deemed to be immediately adopted and given by the Committee and shall thereupon apply forthwith to the offending member but without prejudice to his right of appeal to the Association.

88. The Committee shall give 10 days' notice in writing (or such lesser time as the Committee and member agree) to a member against whom a complaint or charge has been made specifying the nature of such complaint or charge and the date, place, and time of the meeting of the Committee called to consider the matter. At such meeting the member concerned shall be given a reasonable opportunity of being heard. A country member may submit his representations in writing. The Committee shall be entitled to regulate its own procedure for the hearing of any complaint or charge.

89. Any fine imposed under these rules shall not, except in cases where another is fixed, be less than \$50 or more than \$1,000 and in cases of a continuous offence shall be not less than \$10 or more than \$50 for each day during which such offence continues. In addition the member in default may be also directed to pay the reasonable costs of the hearing or investigation of any charge under the rules of which he is found to be guilty.

90. Any member of the Exchange who shall fail to observe or be bound by the terms of any decision or ruling of the Committee or of the Exchange or the spirit or intention thereof relative to the conduct by the members of the Exchange of their business as such members or to their dealings with one another as such members or relative to other matters arising out of the objects or purposes of the Exchange shall be deemed guilty of conduct unworthy of a member, and be dealt with in manner provided by rule 87.

91. If a fine imposed on any member by the Committee or by a General Meeting of members is not paid within 7 days or within such extended time as the Committee may fix, the member in default may be declared by the Committee to be in default and he shall from the date of such declaration be deemed to have ceased to be a member.

92. A member or his partner or clerk being a member shall not vote at any meeting at which a charge affecting such member is under consideration.

93. The Committee for the time being may in their absolute discretion and in such manner as they may think fit notify or cause to be notified to the public that any member has been expelled or has been declared a defaulter or has been suspended or has ceased to be a member. No action or other proceedings shall under any circumstances be maintained by the person referred to in such notification against any member or official publishing or circulating the same and this rule shall operate as leave and authority to any member or official to publish or circulate such notification and be pleadable accordingly.

94. A member under suspension shall not attend any meeting of the Exchange unless by leave of the Chairman and then only for the purpose of speaking on a motion that he be fined or expelled and having spoken he must withdraw. Such member shall not be entitled to vote.

Holidays

95. The official holidays to be observed by all members of the Exchange shall be those fixed by the Committee of the Association. Special holidays shall not be declared except by a special resolution of members. The Exchange shall not open on any public holiday unless a special resolution of members to so open has been passed.

Alteration of Rules

96. These rules or any of them may be altered by way of repeal, amendment, addition, or otherwise by a special resolution passed in the manner of a special resolution save that not less than 21 clear days' notice of the intention to propose the resolution shall have been duly given.

Notice of any resolution for alteration of these rules shall be given to the Secretary and a general meeting of members may thereupon be called to consider the proposed alteration. The notice convening a general meeting shall contain a copy of the resolution to be submitted to the meeting and such resolution may be passed in amended form only if in the opinion of the Chairman of the meeting the amendment does not substantially alter the character and purpose of the original resolution. The accidental omission to deliver or to post a notice to any member shall not invalidate any proceedings taken or resolution passed at the meeting. No proposed amendment or repeal of or addition to these rules if rejected shall be entertained again for 6 months.

Association Rules

97. These rules shall to the extent hereinafter mentioned be read with and subject to the rules and regulations of the Stock Exchange Association of New Zealand for the time being in force.

This is an account of the recovering of the land at Molesworth for productive farming and should prove very interesting and informative to all high country farmers.

CONSERVING NEW ZEALAND'S HERITAGEBy *P. H. C. Lucas*

94 p. 1970.

\$1.40

In 1969 Mr Lucas went on a study tour of national parks and allied areas in Canada and the United States. On his return to New Zealand he wrote this report as a suggested guideline for national parks and reserves administrators. Many of the problems experienced by older countries could be avoided by a careful study of their mistakes and with this in mind Mr Lucas has concluded each section with a summary of lessons for New Zealand. Not only of interest to the general public but also to park administrators and planners, tourist promoters, historians, and archaeologists.
