17. The members at a general meeting may, on the recommendation of the Committee, resolve to withdraw the approval of any non-member partner who has been guilty of conduct which, in the opinion of the Committee, would demand his expulsion if he were a member of the Exchange, and in such case the same consequence shall follow as if such withdrawal were a disapproval of that non-member partner by the Exchange on an original application for his approval.

Authorised Clerks

18. Without limiting the powers of a member under these rules, the Chairman or Vice-Chairman may grant permission to a member for a clerk in his service to attend the official meetings, for the purpose of making quotations and the purchase and sale of shares on behalf of such member and in his stead, but for no other purpose. Such authorised clerk shall be subject to the rules and usages of the Exchange, but shall not have a vote at any meeting, or any voice in the management of the Exchange. The Chairman or Vice-Chairman may withdraw the permission at any time.

19. A clerk so admitted to official meetings shall be deemed to be the agent of his employer, and the member on whose application he is admitted shall be responsible for all the transactions of the said clerk.

20. A clerk shall not be eligible for admission unless he be at least 20 years of age.

21. A member may, by a letter addressed to the Secretary, withdraw the authority to his clerk to act, but his responsibility shall continue until such withdrawal shall have been notified to the members in writing.

(a) If the clerk of any member commits any violation of any usage of the Exchange, or of the letter or spirit of these rules, the Committee, in addition to its powers over such member conferred by these rules, may at its discretion call upon such member to dismiss such clerk from his employment within such time as the Committee thinks fit.

(b) Without the permission of the Committee first had and obtained no member shall at any time during a period of 2 years from the date of a direction of the Committee under paragraph (a) of this rule employ any clerk dismissed by a member in accordance with its terms.

(c) Any member who is called upon under the provisions of this rule to dismiss any clerk, and who fails to do so within the time mentioned in the Committee's requisition, shall be liable to be dealt with by the Committee under the provisions of these rules.

(d) Before the Committee gives any direction under this rule, any member or employee of a member to whom the direction applies shall have a right to be heard by the Committee and may be represented at the hearing by his solicitor or counsel.

(e) Any decision by the Committee under this rule shall be subject to a right of appeal, by a member or his employee concerned, to the Disciplinary Committee of the Association.

Defaulters

22. The Committee shall suspend for such period as it shall think fit, and may also fine or recommend for expulsion, any member who shall be deemed to be a defaulter under the rules of the Association. Should the Committee decide to recommend the member's expulsion they shall report accordingly to the members at a special general meeting called for that purpose. It shall be competent for the said special general meeting to confirm the Committee's recommendation and expel the member so brought before them, or deal with him by fine or suspension from membership.

A member who becomes insolvent or assigns his estate for the benefit of, or compounds with his creditors, shall *ipso facto* cease to be a member, and shall forfeit to the Exchange all interest in his membership and in the funds and property of the Exchange, notwithstanding that he may not be at the same time a defaulter on the Exchange.

No action whether by way of fine, suspension, or expulsion shall be taken against any member under this rule either by the Committee or by a special general meeting without first giving such member a reasonable opportunity to be heard in his own defence before the Committee or the special general meeting as the case may be, and he may be represented at the hearing by his solicitor or counsel.

23. The Committee shall have power to investigate the accounts of members with a member in default, and to reject or require the correction of any items which they may deem unsatisfactory.

24. A member shall not, without the consent of the Committee being first obtained, employ in his business a former member who has made default or who has been expelled from membership for any reason, unless such person shall have made an arrangement with his creditor satisfactory to the Committee.

Members Clients-Failure to Meet Engagements

25. Members clients shall pay for all stocks or shares purchased on their account before 2 o'clock on the day following the purchase, unless an agreement be made in writing to the contrary.

26. In the event of any person, not a member, failing to meet any engagement with a member of the Exchange, the member may apply to the Committee to have such person posted as a defaulter. The Committee shall inquire into the case and, if satisfied that such default has been made, shall post the said person and announce to the members that he is in default.

27. A member shall not transact business for a person who has been announced to the members as a defaulter, unless such person shall have made an arrangement with his creditor or creditors satisfactory to the Committee.

Management

28. The management of the Exchange shall be vested in a Committee consisting of the Chairman, Vice-Chairman, and two other members who shall be elected by the ordinary members as a whole. In addition there shall be one Committee member to be elected by the ordinary members resident in the Southland province, one to be elected by the ordinary members resident in the Canterbury province.

Such Committee shall have (subject to these rules) the direction and control of the affairs of the Exchange, and they shall forthwith provide a Common Seal for the Exchange and they shall have power from time to time to destroy the same and substitute a new seal in lieu thereof, and they may make regulations for the use and safe custody of the Common Seal, provided always that every instrument to which the seal shall be affixed shall be signed by at least two members of the Committee and countersigned by the Secretary or some other person appointed by the Committee.

29. The Committee may appoint sub committees for general or specific purposes. Where there are more than four ordinary members in any centre the Committee may authorise the election by those members of a local committee which will be responsible for the administration of the Exchange's affairs in that area.

30. In the event of any member of the Committee other than and excepting the Chairman and Vice-Chairman being absent from three consecutive meetings of the Committee, without leave of the Chairman or, in his absence, the Vice-Chairman, his seat thereon shall be declared vacant. Meetings of the Committee shall be held at such place and at such times as the Committee for the time being shall determine.

31. It shall be competent for the said special general meeting to confirm the Committee's recommendation and expel the offending member, or to deal with him by fine or suspension.

No action whether by way of fine, suspension, or expulsion shall be taken against any member under this rule either by the Committee or by a special general meeting without first giving such member a reasonable opportunity to be heard in his own defence before the Committee or the special general meeting as the case may be, and he may be represented at the hearing by his solicitor or counsel.

48. The Committee for the time being may, in their absolute discretion, and in such manner as they may think fit, notify, or cause to be notified to the public that any member has been expelled, or has become a defaulter, or has been suspended, or has ceased to be a member.

The Committee may from time to time, at its discretion, borrow for the purposes of the Exchange from any persons, firms, or corporations any sum or sums of money on security of all or any of the property, real or personal, of the Exchange assets and effects, both present and future, either under legal mortgages or charges with powers of sale and other usual powers or by the issue of mortgage debentures, debentures, bonds, obligations, or any other securities of the Exchange, and generally on such terms and conditions as to the rate of interest or otherwise as the Committee thinks fit, and the Committee may also for the purposes of the Exchange borrow money from the bankers of the Exchange on overdraft or otherwise, with or without security. It shall not be necessary for any intending lender to see or enquire as to the purposes or objects for which moneys borrowed are required.

50. The Committee shall invest the funds as they may in their absolute discretion think advisable, and shall have power to sell and vary investments.

51. Cheques drawn on or against any funds of the Exchange shall bear the signatures of the Secretary or Acting-Secretary and of one member of the Committee or the signatures of any two members of the Committee.

New members shall pay on election the subscription which shall have been levied for the current year, except in the case of those elected after 30 June who shall pay half the annual subscription.

The annual subscription payable by country members shall be fixed in the same manner but need not be the same amount as that payable by members.

The Committee may approve the rebate of the second half of a member's subscription should his resignation be accepted prior to 31st March in a given year.

Non-member partners of a country member shall be liable for an annual subscription of one-half the amount payable by country members.

56. Any member not paying his subscription within 2 calendar months after the same shall have been levied shall be charged an additional sum equal to the amount of the subscription levied and if such additional sum together with the subscription is not paid within 4 calendar months from the time when such subscription was levied, he shall be deemed to be suspended from the privileges of his membership and shall continue so suspended until such time as he has paid the subscription and the additional sum charged through non-payment of the subscription during the first 2 months. Failing payment within 12 months of the date on which the subscription first became payable, of such subscription and any additional sum payable as aforesaid, he shall immediately, upon the expiration of such 12 months, *ipso facto* cease to be a member.

60. At any annual general meeting, after all business herein provided for shall have been disposed of, it shall be competent for any member to bring under the notice of the meeting any business or matter within the objects or purposes of the Exchange, and to give notice of any proposition to be considered at a future meeting.

61. A special general meeting may be called by the Committee at any time.

62. A special general meeting shall be called by the Committee upon the receipt of a requisition addressed to the Secretary requesting them to do so, signed by at least five members and stating the business for which such meeting is required; and if the same shall not be convened within 14 days

from the time of such requisition being so left, or within 1 month if the object of such meeting is the alteration, amendment, or repeal of these rules or any of them, the requisitionists or any five members may themselves convene a meeting by giving the required notice.

63. No other business shall be transacted at a special general meeting except that stated in the notice convening the meeting, and no resolution shall be passed, or other business transacted, which is not included within the objects and purposes for which the meeting is convened. No amendment shall be allowed upon any resolution contained in the notice convening any meeting not directly pertinent thereto.

64. Any general meeting shall have power to adjourn from time to time as may be found necessary. Whenever an adjournment to a future day has been decided, notice thereof shall be given in such manner as may be determined by the Chairman of the meeting.

65. No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting so adjourned.

66. Every member present on a show of hands and upon every poll shall have one (1) vote, and all questions shall be decided by a majority of the members present and voting, except in cases otherwise provided for in these rules. A poll may be demanded by any member present, which shall be taken at the meeting, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. On a poll, votes may be given either personally or by proxy. The instrument appointing a proxy shall be in writing under the hand of the appointor or his attorney, duly authorised in writing, and it shall be handed either to the Secretary or the Chairman of the meeting at any time before the commencement of the meeting. No person shall be eligible to act as a proxy unless he is a member of the Exchange. No proxy may represent more than one (1) member at any meeting.

If there is not a quorum present at any meeting, either of the Exchange or the Committee, within 15 minutes of the time appointed, the same shall lapse. The lapse of a meeting shall in no way prejudice or affect the right to call another meeting for the same purpose.

The quorum for a trading meeting shall be prescribed in the by-laws governing the operation of such meetings.

Alteration of Rules

75. The members in general meeting shall have power to alter, amend, or repeal any of these rules.

76. Notice shall be given in writing, addressed to the Secretary, of any proposed amendment, or repeal of, or addition to the rules. A special general meeting shall be called to consider any proposed alteration, amendment, or repeal, and at least 7 days' notice of such meeting shall be given to the members by circular, sent to the last known business

address of each member. The circular shall contain a copy of the proposed alteration, amendment, or repeal, but the accidental omission to give any such notice to any member shall not invalidate any proceedings taken or any resolution passed at any such meeting. No amendment which introduces fresh matter shall be entertained at the meeting and no proposed amendment, or repeal of, or addition to, the rules, if rejected, shall be entertained again for 12 months.

Any proposed alteration, amendment, or repeal of these rules must be passed by a three-quarters majority of those members present and voting.

Exchange Rates

IN terms of section 25 (2) of the Reserve Bank of New Zealand Act 1964, the Reserve Bank today released outer limits for rates of exchange to be used in transactions involving the conversion of New Zealand currency into foreign currencies and foreign currencies into New Zealand currency when delivery of the foreign currency dealt in will be effected by telegraphic transfer. The following range of rates, for the main currencies used by New Zealand traders in settling foreign exchange transactions, will remain in force until replaced by a new schedule issued by the Reserve Bank. These rates do not apply to transactions for settlement after the expiration of two business days (forward transactions) or to transactions in which instruments are purchased which do not entitle the buyer to foreign currency balances in the foreign centre until the instruments have been delivered at the foreign centre. In the latter case interest at foreign centre rates may be deducted from the telegraphic transfer rate to compensate the purchaser for his loss during the transit period.

GENERAL PUBLICATIONS

THE MAORI AS HE WAS*By Elsdon Best*

295 p. Reprint. 1974. \$6.50

Fifty years of public demand since this book was first published resulted in the need for reprints in 1934 and 1952. The text has been reproduced unchanged but the originals of some of the figures could not be traced and these have been replaced with similar illustrations. There have been many advances in our knowledge of Maori life since this book first appeared. The work of numerous ethnologists, and more recently archaeologists, has critically examined many of the earlier concepts, confirming some, disproving others, and altering others to varying degrees. No one has yet produced a synthesis of the results of all this scholarship and there is still nothing as comprehensive as this book of Best's to give a general account of the Maori. This book was first published when Best was 68 and thus represents the accumulated knowledge of a lifetime. It has now become a classic introduction to Maori life. Its continued availability should help the reader to obtain a basic background to old time Maori life which can be extended by further reading.

THE MAORI CANOE*By Elsdon Best*

NATIONAL MUSEUM BULLETIN No. 7

451 p. 1976. \$17.50

The material presented on canoes, their materials, types, methods of construction, and associated artifacts make interesting reading for the layman as well as for scholars of the Maori. (Government Printer.)

MAORI RELIGION AND MYTHOLOGY PART 1*By Elsdon Best*

MAORI STOREHOUSES AND KINDRED STRUCTURES*By Elsdon Best*

116 p. Illustrated. Reprint. 1974. \$6.50

As an authority on Maori culture, the author has compiled in this publication a comprehensive record on the use of the different storage structures, etc., used by the Maori in former times. By studying items pertaining to Maori technology it is hoped this will throw light upon many phases of the social life and customs hitherto unknown. This bulletin is No. 5 in the Dominion Museum Series.

METRICS FOR JOHN AND JANE CITIZEN*By James McGill Webb*

INDUSTRIAL TRAINING SERVICE—DEPARTMENT OF LABOUR

48 p. 50c

As the name implies this book is written for use by the layman rather than the technician, the engineer, or the scientist. This book does not include conversion tables but rather relates to metric units and their use, comparisons of size and includes a wide range of metric information. How big is a litre? What is a kilopascal? When will I use a centimetre? What will I buy in kilograms? Why is New Zealand going metric? If these and similar questions are causing you concern this book will provide the answers.

MICROZONING FOR EARTHQUAKES EFFECTS IN WELLINGTON, NEW ZEALAND*By T. L. Grant-Taylor, R. D. Adams, T. Hatherton, J. D. G. Milne, R. D. Northey, and W. R. Stephenson of the New Zealand Department of Scientific and Industrial Research*

BULLETIN 213

61 p. \$8.50

This report on earthquake microzoning is aimed at dividing extensive areas of Wellington into smaller zones and is intended as a guide only to planning of future redevelopment.
