(I.A./Cul. 2/2/7)

STANDARD FILM HIRING CONTRACT

AGREEMENT made this _____ day of _____ 19 _____, between _____ a duly incorporated company

carrying on business in New Zealand (hereinafter called "the renter"), of the one part, and _____ of (hereinafter called "the exhibitor") of the other part, whereby it is agreed between the parties as follows:

PART A—EXHIBITION PERIOD

The renter agrees to hire and the exhibitor to take on hire for the purposes of exhibition the films contracted for herein on the dates specified or otherwise provided for in the Schedule hereto and in accordance with the provisions hereof. The period for the supply and the exhibition of the films contracted for shall extend from the _____ day of _____ 19 _____, until the _____ day of _____ 19 _____.

PART B—SCHEDULE

This agreement refers to such films described in the Schedule hereto or such other films as the parties may from time to time so contract by written memorandum signed by the parties which shall designate the number of films, the titles, the number of screening days, the screening dates, and the rental per film.

Rider—(a) The above films are feature films of _____ minutes duration;

or (b) If a programme of films is to be supplied hereunder such programme shall be of not less than 2 hours duration.

(NOTE—The whole or part of this rider may be deleted or varied to suit the circumstances).

PART C—SPECIAL CONDITIONS

This agreement is made subject to the provisions of Part D hereof and the following special provisions (*here insert special provisions, if any*):

PART D—PROVISIONS OF GENERAL APPLICATION

Supply and Classification of Films

(1) (a) If the renter shall fail to offer to the exhibitor any named or specifically described film required to be so offered for the agreed exhibition period he shall offer to the exhibitor a film in substitution therefor on terms to be agreed. If at some future date the specified film should become available for release, the renter shall re-offer the film to the exhibitor in the same relative priority in relation to other exhibitors in the city, town, or locality in which the exhibitor's theatre or theatres is or are situated and upon the same terms, *mutatis mutandis*, as would have applied had the film been duly tendered, during the period of supply under this agreement.

(b) Unless any of the said films is specifically contracted for first or second-run exhibition, the renter shall not be under any obligation to supply the same until it has had first-run or at his election second-run exhibitions in the chief city or town of the provincial district in which the said theatre is situated.

(c) All films referred to in this agreement are those as defined in section 2 of the Act.

Time and Place of Exhibition

(2) The exhibitor agrees to exhibit the said films, but only at the theatre or theatres specified on the exhibition date or dates fixed in the said Schedule or determined as herein provided, and save with the consent of the renter not to allow any print thereof to leave the exhibitor's possession during the period specified for the exhibition thereof by the exhibitor, nor to exhibit or permit the exhibition of any such print at any other time or place. In the event of the exhibitor in breach of this clause exhibiting or permitting the exhibition of the said films or any of them either at the said theatre or theatres or at any other theatre at a time or times other than as authorised in terms of this clause, the exhibitor shall pay to the renter by way of liquidated damages for each unauthorised exhibition a sum equal to five times the hire for a contracted screening calculated by dividing the total hire rental by the number of authorised screenings. This provision shall be without prejudice to the exercise by the renter of any other remedy to which he may be entitled under these presents by reason of such breach. Provided, however, that the exhibitor shall not be liable for damages where he is able to prove that the exhibition of any such film was occasioned through emergency caused other than by his act or default and provided that before exhibiting and/or permitting the exhibition of such film he shall forward notice of his intention to do so to the renter by telegram.

Projection of Films

(3) All screenings shall be projected by an appropriately trained projectionist and the renter shall not supply to the exhibitor, who is in breach of this term, any further films if he is so directed by the Film Trade Board.

Any complaint in respect of a breach of this clause is to be referred to the secretary of the Film Trade Board for a decision by the chairman or the deputy chairman in the name of the Film Trade Board.

An appropriately trained projectionist is a projectionist who for the time being is the holder of an appropriate projectionists certificate issued by the Film Trade Board or by the Trades Certification Board.

Payment Clause

(4) (a) Flat rentals—Subject in the case of percentage bookings to special provisions specified in paragraph (b) hereof (which shall be deemed to apply only to the percentage portion of the hire), the hire payable for each film together with all advertising, freight, and other charges, shall be paid to the renter not less than 3 days in advance of the date of despatch from the renter's premises or from the last previous exhibitor.

(b) Percentage Bookings—In any case where the hiring fee is to be computed entirely or in part upon the gross admission receipts of the said theatre, the exhibitor shall pay to the renter within 7 days of the last authorised exhibition date, or if the exhibition period exceeds one week, then within 7 days of the first authorised exhibition date in each respective week or part of a week, a sum equal to the proportion of the gross admission receipts aforesaid due to the renter, as well as all moneys which may be due and owing to the renter for freight, cartage, and other charges: Provided that, in any case where the hiring fee is to be so computed, the exhibitor shall, prior to the exhibition of the film, or at any time during such period, if so requested by the renter, deposit with the renter in cash or otherwise to the satisfaction of the renter a reasonable sum of money based upon the estimated hiring fee or balance thereof, as the case may be. All moneys so deposited by the exhibitor may, at the option of the renter, be applied by the renter in or towards satisfaction of the hiring fee and other moneys due and payable to the renter for the film, and any surplus remaining shall be refunded to the exhibitor without unreasonable delay. The exhibitor hereby undertakes to supply to the renter immediately after the authorised exhibition period and in a form satisfactory to the renter an itemised statement duly certified by the ticket seller or sellers and the theatre manager of the daily gross admission receipts for the exhibition date or dates of each film for which payment is so required to be made. An authorised representative of the renter is hereby given the right to verify the sale of all tickets of admission, which shall be in a form acceptable to the renter with the ticket printed at each end of the ticket, to the said theatre and receipts therefrom, and for such purpose shall have access to the theatre including the box-office and also access to and the right to examine at all reasonable times the exhibitor's books and records only insofar as they relate to gross receipts in respect of each film. If the exhibitor shall fail to supply the itemised statement within 7 days after the same should have been supplied (and without prejudice to the renter's rights of verification and examination) the renter may assess the gross receipts in respect of each film, taking into account such information as shall be available to it whether in respect of the exhibitor, other exhibitors, the film generally, or otherwise, and until and unless the exhibitor shall supply and verify a proper statement then the amount assessed by the renter shall be deemed the hiring fee payable by the exhibitor in terms of this subclause and shall not be called into question by the exhibitor or otherwise.

The renter agrees that any information obtained by it pursuant to the provisions of this clause will be treated as confidential except in any arbitration proceedings or litigation in respect of this agreement. The words "gross receipts" used in this or any other part of this agreement mean gross receipts however those receipts may be termed by the exhibitor or be intended to be apportioned by him.

(c) Nothing herein contained shall impose any obligation on the exhibitor to make payment for any film which is not delivered in reasonable physical condition for projection and exhibition, and which for that cause he does not screen.

Unplayed Dates: Flat Rentals

(5) If in the case of the said films in respect of which a flat hiring fee alone is payable the exhibitor fails to exhibit the same on the date or dates specified in the said Schedule and/or determined in accordance with the provisions

hereof for any reason other than specifically mentioned in clause (24) the exhibitor agrees to pay the renter the hire payable for such film, together with all advertising, freight, and other charges on the due date. On receipt of such payment the renter undertakes to grant the exhibitor a substitute exhibition date as shall be mutually agreed upon but the exhibitor shall not be entitled in the case of such film to any extension of priority of exhibition over other exhibitors. If the exhibitor or renter shall without reasonable cause defer or alter, or purport to defer or alter the booking of any or all of the said films within 14 days before the first date of an engagement then without prejudice to their respective rights under clause 25 (breach) hereof the exhibitor or the renter as the case may be shall pay forthwith to the other party a sum of \$20 as liquidated damages to cover costs.

Liquidated Damages: Percentage Hiring

(6) If this agreement calls for payment computed either in whole or in part upon a percentage or varying percentages of the exhibitor's gross admission receipts and if the exhibitor fails or refuses to exhibit such films as provided in this agreement the exhibitor shall pay to the renter as liquidated damages for each day that the exhibitor fails or refuses to exhibit such film (in addition to any fixed sums payable hereunder in respect thereof) a sum equal to such percentage or percentages of the average daily gross admission receipts of such theatre on the corresponding days of the 12 weeks prior to the date or dates when such film should have been so exhibited. An itemised statement of the said daily gross admission receipts certified in manner aforesaid shall be delivered by the exhibitor to the renter upon demand therefore and the renter shall have the same right of access and inspection as aforesaid: provided, however, that if the exhibitor is able to prove to the satisfaction of the renter that his failure to exhibit such film as provided in this agreement was for any cause beyond his control, the renter undertakes upon receipt of payment of the liquidated damages as aforesaid (in addition to any fixed sums payable hereunder in respect thereof) to grant the exhibitor a substitute exhibition date as shall be mutually agreed upon but the exhibitor shall not be entitled in the case of such film to any extension of priority over other exhibitors that may be conferred upon him by this agreement. In the event of any dispute under this clause the matter shall be determined by arbitration.

Child Defined

(7) Except where the age of 15 years has been traditionally observed by any exhibitor, for the purposes of this agreement a child shall be deemed to be a person under the age of 14 years.

Exhibition and Advertising

(8) (a) The exhibitor shall not use any advertisement or publicity of which the renter has notified his disapproval in writing and shall indemnify the renter against any loss or damage suffered by the renter by reason of any breach of this obligation.

(b) No lithographic posters, photographs, slides, lobby displays or other advertising material purchased, leased or otherwise acquired by the exhibitor from or through the renter in respect of the theatre or theatres named therein shall be sold, leased, lent, or given away by the exhibitor.

Upon the breach or attempted breach of this provision by the exhibitor the right to the immediate possession of such advertising matter shall revert to the renter which may take possession of the same wherever found; provided that repossession of such advertising matter shall be without prejudice to the exercise by the renter of any other remedy to which he may be entitled under these presents by reason of such breach or attempted breach. The exhibitor shall return to the renter within 14 days of the final screening of the film to which they apply, all lithographic posters, photographs, slides, lobby displays, or other advertising material leased or acquired from or through the renter otherwise than by purchase: and if the exhibitor shall not so return the same within the period mentioned, he shall forthwith pay to the renter the fair cost of replacing the same as assessed by the renter.

(c) The exhibitor agrees that not more than one feature-length film is to be presented at the same performance with any feature-length film supplied hereunder.

(d) Nothing in this agreement shall preclude any special written agreement relating to advertising or advertising material as described in clause 8 (b) above in any particular case.

Delivery and Return of Films

(9) (a) **Delivery**—The renter shall make deliveries hereunder to the exhibitor at the renter's premises or by forwarding or consigning to the exhibitor either by the renter or by some other person at the renter's direction, and either by rail, steamer, post, air, or other means of transport, as the renter may decide, and shall use its best efforts to have each and every film delivered to the exhibitor in time for the authorised exhibition on the exhibition date in said theatre: provided that the renter shall not be liable in any way whatever for failure or delay in making delivery by reason of the elements, accidents, industrial troubles, fires, Government proclamations, ruling of censors, or by reason of any other delay, accident, or hinderance of whatsoever kind beyond the control of the renter.

(b) **Possession**—For the purposes of this agreement all films and advertising material shall be deemed to be in the possession of the exhibitor from the time the exhibitor takes delivery from the premises of the renter or from the time the film is forwarded or consigned to the exhibitor as aforesaid until delivery by the exhibitor to the renter at the renter's premises or consignment by any of the means of transport as aforesaid to another exhibitor notified to the exhibitor in writing by the renter.

(c) The exhibitor shall unless otherwise instructed by the renter return all films to the renter during the ordinary business hours of the renter together with all spools and straps in the same condition as same were received (reasonable wear and tear excepted) and properly packed in containers and properly addressed to the renter's premises or alternatively the exhibitor shall observe any written or telegraphed instructions relating to consignment as aforesaid. The exhibitor shall consign by such means of transport, as may be specified in writing or by telegram by the renter and shall, if called on to do so, produce to the renter documentary evidence of such consignment.

(d) **Freight**—The exhibitor will pay all costs of transportation of the said films and/or advertising material from the renter's premises, and return to the renter's premises or to another exhibitor, as the case may be. If due to any emergency the original freight arrangements are altered and if the exhibitor is required to despatch by air, or receive by air from the renter then the renter will pay the difference between a normal freighting method and airfreight.

(e) **Damages**—The exhibitor agrees that if for any reason not beyond his control despatch instructions are not carried out by him, with the result that loss is thereby caused to the renter and/or the exhibitor to whom the films should have been despatched in accordance with the despatch instructions of the renter, he will pay to the renter by way of liquidated damages a sum equivalent to the amount of the loss thereby suffered by the renter and/or such other exhibitor, and will indemnify the renter against any claim preferred by such other exhibitor against the renter in respect of such loss.

Sound and Projection Equipment

(10) The exhibitor undertakes that the projection equipment used in connection with any films supplied hereunder will operate properly, reliably, and efficiently to reproduce such recorded sound with adequate volume and high quality, and that he will maintain and keep the projection equipment and all other apparatus used by him in a good, proper, and substantial state of repair, order, and condition and will permit the same to be operated only by an appropriately trained projectionist, and will at all times allow free access for a representative of the renter appointed in writing by the renter for that purpose to enter into every part of the said theatre or theatres for the purpose of inspecting and/or testing such sound and/or projection equipment and apparatus. If, after any such inspection or test, the representative (being a person approved in writing on that behalf by an inspector for the time being approved by the Film Trade Board) serves upon the exhibitor or leaves for him at the said theatre notice in writing requiring the exhibitor, within a time specified in such notice to do or to refrain from anything in connection with the said equipment or the use thereof which in the opinion of the representative is necessary for the more satisfactory exhibition of the said films, the exhibitor shall observe and/or perform the requirements of such notice within the time specified therein, and in the event of the exhibitor failing to observe or perform the requirements of such notices, and so long as such failure continues, the renter shall be entitled to refuse to supply or allow the said films or any of them to be exhibited, but nevertheless without prejudice to any other right or remedy the renter may have under this agreement.

Copyright

(11) (a) The right to exhibit the said films shall include a right under all copyrights in respect of such films and of the recorded sound in synchronism therewith, but not the right to perform in public any musical work included in such recorded sound.

(b) The exhibitor undertakes to pay the Australasian Performing Rights Association Ltd., or other person or association of persons designated in writing by the renter such fee for performing right for which the exhibitor may be legally liable.

(c) Each party will indemnify the other against any claim in respect of infringement of copyright or infringement of the right of public performance, as the case may be, where the same arises by reason of a breach by such first-named party of his obligations under this clause.

Slander or Libel

(12) The renter will indemnify the exhibitor against any claim in respect of any slander or libel which arises exclusively from the contents of any film exhibited pursuant hereto and/or the use of advertising matter in relation thereto supplied by the renter.

Cutting and Alteration of Films

(13) The exhibitor shall exhibit each film on every occasion in its entirety and shall not copy, record, duplicate, cut, or alter any film excepting with the written or telegraphic consent of the renter.

Loss and Damage to Films

(14) (a) The exhibitor shall forthwith on the receipt of any film hereunder report to the renter on a form to be supplied by the renter upon application by the exhibitor the condition of such film.

(b) The exhibitor shall immediately notify the renter by prepaid telegram of the loss, theft, or destruction of or damage or injury to any print. If any film shall be received from the exhibitor by the renter or any subsequent exhibitor in a damaged or partially destroyed condition it shall be deemed to have been so damaged or destroyed while in possession of the exhibitor, unless the latter before or immediately after the first public exhibition thereof shall have telegraphed the renter that such print was received by the exhibitor in a damaged or partially or wholly destroyed condition, and setting forth fully the nature of such damage and the amount of footage so damaged or destroyed.

(c) The exhibitor shall pay to the renter a sum equal to the cost of replacement at the renter's premises for each linear metre of film which may be lost, stolen, destroyed, or so damaged as to be unfit for further exhibition while in the possession of the exhibitor.

(d) If damage occurs to any film while in the possession of the exhibitor, but such damage is not of such nature as to preclude further exhibition, the exhibitor shall pay to the renter a sum in proportion to the nature and extent of such damage. The amount of such damage shall be determined by mutual agreement or by arbitration, but in no case shall it exceed the value of the film as set out in subclause (c) hereof.

Insurance

(15) The exhibitor shall insure and keep insured all films to be supplied hereunder while in his possession under a block risk policy effected and operated from time to time by the Mutual Films Insurance Board, constituted of an equal number of representatives of the Motion Picture Distributors Association of New Zealand (Inc.) and the New Zealand Motion Picture Exhibitors Association (Inc.), and constituted pursuant to an agreement between the said associations, dated the 6th day of August 1935, or to any agreement in substitution or renewal thereof, and shall punctually pay to the said board all contributions or levies required of or made upon him by the said board to enable such insurance to be effected and maintained; and, in the event of default by the exhibitor in payment of any such contribution or levy, the renter may if it thinks fit pay the same and recover the amount thereof from the exhibitor: provided however, that in the event of such board for any reason ceasing to exist or to function, the exhibitor shall insure and keep insured the said films whilst the same are deemed to be in his possession hereunder against the same risks as specified in the said block policy in some insurance office approved by the renter, the total insurance cover in respect of any one programme to be not less than \$600 or such other sum as may be agreed upon from time to time or in default of agreement fixed by arbitration and shall punctually pay all premiums in respect thereof, the renter having the right in the event of default by the exhibitor to pay the same and recover the amount from the exhibitor.

Broadcasting and Televising

(16) Except with the written consent of the renter the exhibitor will not reproduce from or exhibit or permit reproduction from or exhibition of any film supplied by the renter hereunder in any manner or at any time or place other than as specified herein and will not reproduce sound from any such film except as part and during the exhibition of such film and will not broadcast or permit broadcasting of or from any such film. Televising or permitting the televising of the whole or part of any film contracted for herein is expressly prohibited without the consent of the renter.

Switching

(17) The renter reserves the right to switch each and every film supplied hereunder to any other exhibitor or exhibitors for return in due course; provided that such switching shall not affect the normal screening of the programme of which such film is a part. No costs or expense in effecting such switching shall be borne by the exhibitor unless the switching be at his request without the written consent of the renter.

Observance of Acts and Bylaws

(18) The exhibitor and the renter shall as the same are applicable to motion-picture theatres and/or the control, care, and use of film at all times fully and effectually comply with all Acts of Parliament and rules and regulations thereunder, as well as with all bylaws of any local government or other authority having power in that behalf for the locality or district wherein the said films are to be used.

Assignment

(19) This agreement shall not be assigned, transferred, or otherwise disposed of by the exhibitor to any other person without the written consent of the renter, which consent shall not be arbitrarily withheld, and shall not in any case be effective until such other person has agreed in writing with the renter to carry out the terms and provisions hereof. Notwithstanding such consent, the exhibitor shall remain responsible to the renter hereunder unless or until a release from liability is given to him in writing.

Waiver

(20) The waiver by either party of any breach or default by the other party shall not be construed as a waiver of any other or subsequent breach or default by such other party whether similar or otherwise.

Notices

(21) In the absence of any provisions to the contrary herein all notices to be given to either party hereunder shall be sufficiently served if sent either by telegram or by pre-paid post to the address of the party to whom notice is given last known to the other party and any notice sent by whichever of the aforesaid methods shall be deemed to have been received on the day when it would have ordinarily have been received by that method: provided that any notice of the despatch of film or accessories shall be addressed to the theatre to which the film is booked unless otherwise instructed by the exhibitor in writing.

No Partnership

(22) It is expressly agreed that this agreement in no way constitutes a partnership between the parties hereto.

Oral Promises

(23) No oral promise, representation, understanding or agreement in reference hereto shall be of any force or effect.

Theatre Closed

(24) In the event of the said theatre being closed by a force majeure (major calamity), by Government Proclamation or by parliamentary, ministerial, departmental, or local authority (statutory or otherwise) under any real or assumed authority or power not being due to any withdrawal or suspension of the exhibitor's licence in respect of such theatre for any cause within the power of the exhibitor to remedy without suffering unreasonable hardship, or in the event of such theatre being destroyed or damaged to such an extent as to be unfit for use or occupation so that any film to be exhibited hereunder cannot be exhibited on the day or days when it should be so exhibited, then this contract shall upon written notice thereof being given to the renter terminate in respect of such number of films as would have been exhibited in the theatre in terms of this contract: provided that in the event of screening not being resumed by the exhibitor in the said theatre or a substitute theatre in or near the same locality within 40 days next after the day when a film was last screened therein, the

renter shall have the right of terminating this agreement, in which case the agreement shall be deemed to have terminated at the date when the theatre closed owing to one or either or all of the causes aforesaid. Such determination of the agreement shall be without prejudice to the rights of either party in respect of any matter then outstanding between them under this agreement up to the time of such determination. A theatre shall not be deemed to be closed for the purposes of this clause merely by reason of the fact that a local authority as the owner thereof may exercise its right under any lease or tenancy to close the theatre for the exhibition of films on any occasion or occasions when the theatre is required by the local authority for other purposes.

Breach

(25) (a) If during the term hereof the renter fails to deliver and/or the exhibitor fails or refuses to exhibit any of the said films (save and except in any package agreement for the supply of a number of films to be the subject of any one contract then the exhibitor shall not be required to accept more than 75 percent of the films contained in such package agreement or where elimination of any film or delay or failure is due to any of the permissible reasons provided herein), or if either party violates or breaches the provisions contained herein the renter or the exhibitor, as the case may be, shall pay to the other party the damage so caused.

(b) If the exhibitor—

(i) Shall fail or refuse to pay the rental of any such film as provided in this agreement or to furnish statement of the receipts of such theatre if any are required hereunder, or to give the renter's representative access to the said theatre or its box office and/or to the exhibitor's books and records relative to films the rentals of which are based upon the said theatre's admission receipts as herein provided; or

(ii) Makes default in the due observance and performance of the obligations on his part under clauses numbered 2 (Time and Place of Exhibition), 10 (Sound and Projection Equipment), 11 (Copy-right), 15 (Insurance), 16 (Broadcasting), 18 (Observance of Acts and Bylaws), or any of them; or

(iii) Commits any other breach going to the root of the contract; or

(v) Voluntarily or by operation of law should lose control of the said theatre or of his interests therein, making it impossible for the exhibitor to exhibit the said films at the said theatre; then upon the happenings of any one or more of the said events, the renter may at his option (1) terminate this agreement, or (2) suspend the delivery of films hereunder until such default or defaults should cease and be remedied. Upon or after receipt of notice of termination or suspension of this agreement the exhibitor shall despatch to any place named by the renter in writing each film which is in his possession and to the possession of which the renter is entitled and failing immediate despatch the exhibitor shall pay to the renter by way of liquidated damages, the sum of five hundred dollars (\$500) in respect of each film for every day default is made in making such despatch; provided that the renter may not suspend delivery of films as provided herein on account of any payment arising out of this agreement which may be bona fide in dispute and in respect of which arbitration as provided for in this agreement is applied for. The lodgement of the amount in dispute with the Secretary of the Film Trade Board to abide the results of the dispute shall be sufficient warranty of the exhibitor's bona fides. The exhibitor shall not require nor accept the return of the amount in dispute or any part other than in terms of the arbitrator's award.

(c) If the renter shall—

(i) Persistently fail to supply film on due dates; or
(ii) Give prior exhibition to a competitive theatre in breach of this agreement; or

(iii) Commit any other breach going to the root of the contract then, upon the happening of any such events, the exhibitor may at his option—

- (1) Terminate this agreement; or
- (2) Suspend payments herein until such default or defaults shall cease and be remedied, and in the event of such suspension may reject such number of films as would otherwise have been screened by him during such period of default in addition to any other rights of rejection he may have hereunder.

(d) It is agreed that the exercise of any of the said remedies by the renter or the exhibitor shall be in addition to and without prejudice to any right or remedy of either against the other at law or in equity and/or otherwise provided for in this agreement.

Tender of Film

(26) In any circumstances arising in connection with the exercise by the renter of its remedies under this agreement where the formal tender to the exhibitor of any film may be necessary to the proper exercise of any such remedy a written offer to supply such individual film on the due date shall for that purpose be deemed a sufficient tender to the exhibitor of the film therein named. No such offer shall be effective unless it contains an intimation that it is intended as a formal tender of film for the purposes of this clause.

Arbitration

(27) If any question, difference, or dispute herein specifically referred to arbitration or any other question, difference, or dispute whatsoever shall arise between the parties hereto touching these presents, or any clause or thing herein contained or the construction of this agreement or as to any matter in any way connected with or rising thereout or the operation thereof or the rights, duties, or liabilities of either party in connection with the premises, then and in every such case either party to the dispute may, by notice in writing addressed to the Secretary of the Film Trade Board constituted under section 5 of the Act, have the dispute determined by a disputes committee in accordance with Part II of the Act. An appeal may be made against the decision of such a disputes committee on a point of law but in all other cases a committee's decision will be final and binding on both parties.

Venue

(28) This agreement shall be deemed to have been made at the renter's principal place of business in New Zealand and shall be governed by the laws of New Zealand.

Acceptance by Renter

(29) Until accepted in writing by the renter, its managing director, or manager, or other authorised agent on behalf of the renter, and notice of acceptance sent to the exhibitor, this agreement shall be deemed an application for a contract only and may be withdrawn by the exhibitor any time before such acceptance. Unless such notice is sent to the exhibitor within 28 days after the date of the exhibitor making such application, the said application shall be deemed to have been withdrawn. A copy of this application signed by the exhibitor shall be left with the exhibitor at the time of signing, and in the event of the acceptance thereof as above provided, a duplicate copy signed by the renter in manner aforesaid shall be forwarded to the exhibitor.

Exchange Rates

IN terms of section 25 (2) of the Reserve Bank of New Zealand Act 1964, the Reserve Bank today released outer limits for rates of exchange to be used in transactions involving the conversion of New Zealand currency into foreign currencies and foreign currencies into New Zealand currency when delivery of the foreign currency dealt in will be effected by telegraphic transfer. The following range of rates, for the main currencies used by New Zealand traders in settling foreign exchange transactions, will remain in force until replaced by a new schedule issued by the Reserve Bank. These rates do not apply to transactions for settlement after the expiration of two business days (forward transactions) or to transactions in which instruments are purchased which do not entitle the buyer to foreign currency balances in the foreign centre until the instruments have been delivered at the foreign centre. The "normal" refers to the present site of the instruments. Standard period for normals is 1941-1970. No normals are available for stations with only short records.

*Indicates that the sunshine recorder is not located at the station but is in the near vicinity.

A rain day is a day with rainfall equal to or greater than 0.1 mm.

Where the extremes of temperature and rainfall have occurred more than once during the month, the date of the first occurrence is given.

WEATHER NOTES FOR MARCH 1979

General—March 1979 was an unusually wet month with a high frequency of cyclonic disturbances in the Tasman Sea. Easterly airstreams occurring on nearly half of the days of the month affected all parts of the country. Pressures were lower than normal in the North Island and higher to the south-east of the country. In many parts of New Zealand March rainfall records were broken and sunshine totals were very low.

Most farmers found the conditions very good for grass growth. Local flooding in the Bay of Plenty and Canterbury affected some farmers and conditions for crops were bad delaying harvesting. The wet, dull weather adversely affected stock.

Rainfall—Most of the North Island had monthly totals above normal. At some stations in the Bay of Plenty, central Hawke's Bay, and the western Wairarapa, the month's totals were five times the average. Northland, Taupo, Wellington, and many parts of the east coast had up to three times their usual rainfall.

In the South Island, the Kaikoura coast had between five and seven times the normal March rainfall. In Canterbury totals were up to four times the average and on the West Coast between Haast and Hokitika up to three times. Only in Southland, Fiordland, and in the north-west of the South Island was there less rain than usual.

A notable fall of rain on the West Coast occurred on the 6th. Franz Josef had 505 mm on this day and there was some severe flooding. The total for the month there was 1260 mm. Like the one-day fall this was a record for March. There were high rainfalls

in the Bay of Plenty on the 9th and 10th and in Northland on the 11th. On the 19th, the Bay of Plenty again had heavy rain with flooding and landslips. Te Puke had 293 mm on this day and Tauranga Airport, 178 mm. Over the whole month these stations had 786 mm and 502 mm respectively. These figures and also the one-day falls are new local records for March. During the 20th, 21st, and 22nd the heavy rain spread to the east coasts of the North and South Islands. Flooding occurred in Christchurch on the 21st, and further flooding in the Bay of Plenty on the 22nd. On the 29th and 30th a severe southerly storm brought heavy rain to central parts of New Zealand.

Temperatures—Daily minima were above average over the whole country and there were departures from usual of more than 3°C in Hamilton, Whakatane, and Rotorua. Mean maximum temperatures were also above average by 2°C in some North Island places, but were lower than usual on the east coast of the South Island. These departures resulted generally in mean temperatures about 2°C above normal.

Sunshine—No stations in New Zealand had more sunshine than usual. In the North Island most stations had 60-70 percent of the normal sunshine, many of these totals being record March lows. In the South Island, sunshine durations were even smaller with 50-60 percent of the normal being most frequent. At Highbank, in Canterbury, only 43 percent of the usual March total was recorded. This is 35 hours less than the previous lowest March total and almost 100 hours less than normal. At Queenstown and Invercargill more than 80 percent of the normal was recorded.

WEATHER SEQUENCE

At the beginning of the month a south-west airstream covered New Zealand, and mainly dry weather prevailed in most districts for the first 2 days.

A depression which lay near Tasmania on the 2nd moved south-east and passed to the south of New Zealand on the 3rd. Its associated cold front then moved onto the South Island bringing rain to western areas. On the 4th it became slow-moving over central parts of the South Island and weakened. A small high cell developed in the rear of the front east of Canterbury and moved north-east.

Another depression formed in the western Tasman Sea and passed to the south of New Zealand on the 6th. Its associated cold front moved only very slowly over the south of the South Island giving heavy rain to western areas, especially to South Westland where flooding occurred.

The trough of low pressure then remained in a north-west/south-east position over the Tasman Sea and central parts of the South Island for several days while a ridge of high pressure extended onto the North Island from the east.

On the 9th a shallow trough of low pressure moved onto the north of the North Island where it became slow-moving. Heavy rain fell in the Bay of Plenty on the 9th and 10th and in parts of Northland and the Coromandel Peninsula on the 11th.

An anticyclone which was centred near Tasmania on the 10th moved quickly eastwards and covered much of the country on the 12th and 13th. A depression developed north-west of the North Island on the 14th and moved slowly south-south-east, while

pressures remained high south of the country. As the depression approached the North Island rain fell in many districts of the North Island and the northern half of the South Island. The anticyclone south-east of Tasmania started to move east-north-east on the 16th and lay near the Chatham Islands on the 18th.

A second depression formed in the north-west Tasman Sea and lay west of Northland on the 18th when heavy rain fell in Northland and Auckland spreading to Bay of Plenty on the 19th. The rain became more widespread on the 20th, with heaviest falls in Bay of Plenty, southern Hawkes Bay, Wairarapa, the Kaikoura Coast, and North Canterbury. Rain continued to fall in many districts up to the 23rd.

No appreciable rain fell over most of the country from the 24th to the 26th.

On the morning of the 28th a cold front moved onto the South Island accompanied by rain mainly west of the Alps. A depression developed on the front west of Bulls on the 29th while at the same time an intense anticyclone near Tasmania extended a ridge to the east of the South Island. This depression moved across the North Island on the 30th, and a very complex low pressure system formed to the east and north-east of the North Island as a new depression of tropical origin moved into the area. Storm force southerly winds were experienced in Cook Strait on the 30th and 31st, and gale force winds with widespread rain affected coastal areas of Marlborough, Wellington, Wairarapa, and Hawkes Bay.
