2. *Other Investments*—All investments, other than Government Stock are shown at cost price, and all are expected to realise the reported amounts at maturity.

3. *Interest*—(a) Interest on Investments. Interest on Investments and mortgages is brought into revenue during the period in which it is earned, rather than the period during which it is received.

(b) *Personal Loans*—The policy is to add interest to the full advance at the commencement of the loan, and this amount is brought into revenue during the appropriate financial year by applying the "Rule of 78".

(c) *Investment Accounts*—Interest accrued on depositors' investment accounts has been calculated at the full rate payable on the assumption that all deposits go through to maturity.

4. *Depreciation*—(a) Depreciation is calculated on a straight line basis. The principal write-off periods in use for fixed assets are:

Buildings	10 to 50 years
Office equipment	10 years
Furniture	10 years
Vehicles	5 years

(b) *Head Office land and buildings* were revalued in 1975 by \$133,934 and depreciation is written off the buildings on the basis of that valuation. All other fixed assets are included at cost.

5. *Taxation*—Taxation charged against net profit recognises the affect of both current and deferred taxation.

6. *Computer Equipment*—Landing charges paid during the year have been written off against revenue.

7. *Stock on Hand*—The stock on hand shown in the balance sheet represents bulk stationery supplies which have been valued at cost.

8. *Contingent Liabilities*—There are outstanding letters of credit totalling \$55,000 held by various trading banks to facilitate day-to-day transactions of our branches.

9. *Commitments*—Mortgages approved but not yet paid out totalled \$579,025 at 31 March 1980.

AUDITORS' REPORT

We have audited the books and accounts of the Wanganui Savings Bank for the year ended 31 March 1980, in accordance with generally accepted auditing standards, and have carried out such procedures as we considered necessary.

In our opinion the above balance sheet, revenue account and appropriation account, together with the notes thereon, are properly drawn up so as to give respectively a true and fair view of the financial position of the Wanganui Savings Bank as at 31 March 1980, and the financial result of its transactions for the year ended on that date, in accordance with section 29 (2) of the Trustee Savings Banks Act 1948.
