Decision No. 17/80

IN the matter of the Broadcasting Act 1976, and in the matter of an application by the Broadcasting Corporation of New Zealand for an amendment to Sound Radio Warrant 2ZE (Blenheim) to permit the establishment and operation of a relay station in Picton.

BEFORE THE BROADCASTING TRIBUNAL

Messrs C. R. Pidgeon (Deputy Chairman), L. R. Sceats, and Mrs J. C. Somerville.

Hearing: In Wellington the 13th day of October 1980.

Counsel: Mr B. Hudson for the Corporation.

ORAL DECISION

This is an application made by the Broadcasting Corporation of New Zealand for amendment of warrant No. BRO 2ZE to permit the establishment and operation in Picton of a relay station of 0.1 kw 1539 kh, call sign 2ZF, to rebroadcast programmes originated by station 2ZE Blenheim.

Evidence has been presented to the Tribunal of support for the application by the Picton Borough Council and the Picton paper. There is no opposition to the application.

The Tribunal is satisfied on the evidence presented that the majority of the residents of Picton are not able to receive an adequate signal from 2ZE. It is satisfied it is in the public interest that the residents of Picton should receive this provincial service.

The Tribunal therefore grants the application for amendment of warrant in the terms sought in the application, subject to the certification of the Director-General of the Post Office that the amendment complies with the technical requirements of the Post Office under the Post Office Act 1959 and the Radio Regulations made under that Act.

[L.S.]

C. R. PIDGEON, Deputy Chairman.

Decision No. 18/80

IN the matter of the Broadcasting Act 1976, and in the matter of an application by the Broadcasting Corporation of New Zealand for amendment to its Television Warrants No. 1, 2, 3, and 4 in respect of hours of transmission, during the period from and including Sunday, 21 December 1980 until Thursday, 26 February 1981.

BEFORE THE BROADCASTING TRIBUNAL

Messrs C. R. Pidgeon (Deputy Chairman), L. R. Sceats, and Mrs J. C. Somerville.

Hearing: In Wellington, on the 13th day of October 1980.

Counsel: Mr B. Hudson for the Corporation.

ORAL DECISION

This is an application made by the Broadcasting Corporation of New Zealand for an amendment to television warrants numbers 1, 2, 3, and 4 during the summer months.

The effect of the amendments, if granted, would be to enable Network One, TVNZ, to recognise the changes in viewing patterns during the summer holiday period, especially when New Zealand daylight saving time is observed.

There is no opposition to the application and similar applications have been granted by the Tribunal in the past.

The Tribunal is satisfied it is in the public interest to meet the needs of the viewing public in this regard by granting the amendments sought. In granting the application it is the view of the Tribunal that the Broadcasting Corporation might give future consideration to making an application for a permanent adjustment of summer viewing hours, thus obviating the necessity for a separate application each year.

The amendments are granted in the terms sought in the application.

[L.S.]

C. R. PIDGEON, Deputy Chairman.

NOTES TO THE ACCOUNTS

Statement of Accounting Policies

1. (a) *Amortisation of Public Securities*—Book values of New Zealand Government and Local Authority Securities which were purchased at a discount or a premium, are being amortised annually so as to attain their redemption values by maturity date.

(b) *Profits and Losses on Realisation of Public Securities*—The difference between book value and proceeds on realisation of New Zealand Government and Local Authority Securities is taken to profit and loss account in equal annual instalments over a period of 5 years commencing with the year in which they arise.

2. *Investments*—The New Zealand Government and Local Authority securities are all redeemable at par at fixed dates. Whilst in the ordinary course of business some realisation of the bank's investment in these securities may take place at prices below book values, it is the opinion of the directors that existing reserves are sufficient to cover any losses that are likely to arise on sales undertaken in the normal course of business.

SHADOW OF THE LAND

By Ian Wards

422 p. 1968.

\$9

The title for this book was provided by Nopera Panakarero, a Kaitiā chief of much influence, who, in May 1840, believed that only the "shadow of the land" had gone to Queen Victoria whilst the substance remained with the Maoris. Less than a year later he revised this opinion convinced that only the "shadow" would be the Maori portion.

The author examines the British acquisition of New Zealand, the Maoris, trust in the Treaty of Waitangi, and their confidence that its terms would be honoured and explains it was only by accident that the Maoris were guaranteed the possession of their lands and ancient privileges.

It is under these circumstances that the book considers the use of military force in New Zealand, analyses the arguments surrounding the provision of troops and concludes that, beyond any reasonable doubt that there was never an attempt to govern by "moral suasion".

New Zealand followed the normal nineteenth century British pattern of territorial acquisition.

The book is an essential introduction to the Maori wars of a later date.
