#### Commerce Act 1975

By letter dated 17 December 1979, the Minister of Trade and Industry required the Commerce Commission, pursuant to section 82 (7) of the Act, to inquire into and report to him on the advisability of removing from the Positive List of Controlled Goods and Services the following items, described briefly as, building boards, ceramic tableware, bread, colour television receivers, motor vehicles, and fruit.

By letter dated 25 March 1980 a similar reference was made to the Commission by the Minister in respect of the advisability of removing butter from the Positive List of Controlled Goods and Services.

All the inquiries have now been concluded and the Commission has reported its findings and recommendations on each item to the Minister.

D. J. KERR, Executive Officer.

## Commerce Act 1975

1. On 11 September 1980, the Commission received an application, pursuant to section 29 (1) of the Commerce Act (the Act), from Izard Weston and Co., solicitors for Liquigas and others, requesting approval of a proposed collective pricing arrangement or agreement to which Liquigas and others were prospective parties. This application was referred by the Commission as CA23.

2. On 11 September the Commission forwarded, pursuant to section 29 (2) of the Act, a copy of the proposed arrangement or agreement to the Examiner for investigation and report.

3. On 28 November the Commission received, pursuant to subsections 40 (1) (a) and 40 (4A) of the Act, a report from the Examiner.

4. The Commission has studied the report and has also taken into consideration the economic policy of the Government as regards the production, distribution, and price of Liquid Petroleum Gas (LPG) as transmitted to the Commission by the Minister of Trade and Industry, and as published by him in the *Gazette* of 4 September, pursuant to section 2A (1) (e) of the Act.

5. The Commission has formed the opinion that the proposed arrangement or agreement No. CA23:

(a) Falls substantially within section 23 (1) (d) of the Act;

(b) Is contrary to the public interest in terms of sections 21 (1) (a), (b), (c), (d), (e), and (f);

(c) That, in terms of section 21 (2) (b), the effects of the practice are not unreasonable.

6. As a result of conciliation pursuant to section 39, the Examiner and the parties reached agreement on the recommendation to be made to the Commission and which the Commission adopts. The Examiner has satisfied the Commission that all persons who would be bound by the implementation of his recommendation made to the Commission concur with the recommendation and therefore the Commission resolves, pursuant to section 40 (4A) (b), to dispense with an inquiry under section 41 of the Act.

7. The Commission is also of the opinion that satisfactory safeguards exist for the continuing protection of the public interest.

8. Therefore the Commission hereby resolves, in terms of section 29 (5) of the Commerce Act 1975, to approve the collective pricing agreement comprising the document called the Pricing Policy Schedule, this approval being subject to the following conditions:

(a) That any amendment to the terms of the said Schedule, except any amendment to give effect to the following condition, shall be submitted to the Commission for its prior approval.

(b) That in carrying out the annual price policy review under clause 10 of the Schedule, regard shall be made by the parties, in addition to the facts or criteria specified in that clause, to any savings in capital and operating costs being realised by Liquigas Ltd. or wholesalers and the interests of users thereto.

Nothing in this approval shall be construed as, in any way, authorising:

(a) Any agreement or arrangement between two or more wholesalers of LPG to sell LPG at wholesale prices or on wholesale terms agreed upon between those wholesalers.

(b) Any agreement or arrangement substantially coming within section 23 (1) (e) of the Act.

(c) Any agreement or arrangement to which section 28 (1) of the Act applies.

9. Parties claimed confidentiality to some documents or part thereof. Having considered the application the Commission orders that, pursuant to section 9 (3) of the Act, the following documents or parts thereof supplied by the Examiner, remain confidential to the Commission and counsel for the parties until further ordered:

(a) The document designated Schedule A of Appendix D.

(b) The references in Appendix E, viz.:

Page 2, subparagraph D.

Rockgas, page 3, paragraphs 1, 2, and 3.

N.Z.I.G., page 4, paragraph 1.

(c) The memorandum attached to the report as Appendix J will be placed on the confidential register until the document is signed by the parties. On notification of signature the memorandum will be placed on the public file.

10. All documents except those mentioned above will be on the public file and available for inspection at the Commission's office.

K. B. O'BRIEN, Chairman.
