IN THE MATTER of the Charitable Trusts Act 1957, and IN THE MATTER of the FREDERICK DOUGLAS BROWN POST-GRADUATE SCIENCE RESEARCH SCHOLARSHIP FUND:

NOTICE is hereby given that application has been made to the High Court at Auckland by the University of Auckland for approval of a scheme under the provisions of the Charitable Trusts Act 1957, varying the regulations under which scholarships from the above fund may be awarded. The original scholarship fund of £5,000 (\$10,000) was established under the will of Edith Winifred Douglas Brown who died in 1937, in memory of her late father who was the first Professor of Chemistry and Physics at the University. The fund was later augmented by a bequest of \$20,000 by her sister Gertrude Florence Brown who died in 1973.

Under the scheme it is proposed: that the amount distributable each year be increased from £300 (\$600) to \$4,000, or such other annual amount as the University may fix depending upon the income available from the fund from time to time. (The fund together with accrued interest presently stands at about \$41,000); that the scholarships be awarded by the Council of the University of Auckland in lieu of the Senate of the University of New Zealand; that a restriction preventing awards being made to females be removed; that scholars be Commonwealth citizens rather than British subjects of European descent; that the scholarships be tenable at any university or institution in New Zealand or any institution approved by the Council in Australia, Canada, United Kingdom, or Europe; that the scholarships be ordinarily tenable for 2 years and offered for annual competition among post-graduate students in the Chemistry and Physics Departments in alternate years with half the annual amount available being awarded to each scholar; that notwithstanding the above, the whole of the annual amount be open to award to one scholar from either Department, if the Heads of both Departments so recommend.

The date proposed for the hearing of the application by the Court is 3 April 1981. Any person desiring to oppose the scheme is hereby required to give written notice of his intention to do so to the Registrar, High Court, Auckland, and to the University of Auckland, Private Bag, Auckland, and the Attorney-General, care of Crown Law Office, Wellington, not less than 7 clear days before that date.

Dated this 28th day of February 1981.

SHADOW OF THE LAND
By Ian Wards

422 p. 1968. \$9
The title for this book was provided by Nopera Panakarero, a Kaitaia chief of much influence, who, in May 1840, believed that only the "shadow of the land" had gone to Queen Victoria whilst the substance remained with the Maoris. Less than a year later he revised this opinion convinced that only the "shadow" would be the Maori portion.

The author examines the British acquisition of New Zealand, the Maoris, trust in the Treaty of Waitangi, and their confidence that its terms would be honoured and explains it was only by accident that the Maoris were guaranteed the possession of their lands and ancient privileges.

It is under these circumstances that the book considers the use of military force in New Zealand, analyses the arguments surrounding the provision of troops and concludes that, beyond any reasonable doubt that there was never an attempt to govern by "moral suasion".

New Zealand followed the normal nineteenth century British pattern of territorial acquisition.

The book is an essential introduction to the Maori wars of a later date.
