*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the following publication: *The Book of Love*, published by New England Library Ltd., London.

BEFORE THE INDECENT PUBLICATIONS TRIBUNAL

Judge W. M. Willis (chairman),  
Mesdames L. Edmond, H. B. Dick, L. P. Nikera, and  
Mr J. V. B. McLinden.

Hearing: 22 April 1980.

Appearances: Mr F. E. Leloir for Comptroller of Customs.  
No appearance of Importer, Marketing Services (1974) Ltd.,  
New Plymouth.

*Decision*

This publication was imported commercially and was seized at New Plymouth in February 1980. It has been referred to the Tribunal for classification. It was submitted by the Comptroller that this publication should be found to be indecent in the hands of persons under 16 and that it should join a similar classification to that imposed on *The Joy of Sex* and *More Joy*.

The Tribunal agrees with the comments of the Comptroller that the text is of a restricted nature and covers the emotional aspects of love-making as well as techniques.

In the Tribunal's view it is more suitable for the more mature reader and therefore should carry a similar age restriction as *The Joy of Sex* and *More Joy*. It is therefore held to be indecent in the hands of persons under the age of 16.

Dated at Wellington this 13th day of April 1981.

DISTRICT COURT JUDGE WILLIS, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the following publication: *Sexual Adventures in Marriage*, published by Pent-R-Books Inc., Box 1555, Grand Central Station, New York 10017, U.S.A.

BEFORE THE INDECENT PUBLICATIONS TRIBUNAL

Judge W. M. Willis (Chairman),  
Mesdames L. Edmond, H. B. Dick, L. P. Nikera, and  
Mr J. V. B. McLinden.

Hearing: 20 August 1980.

Appearances: Mr P. E. Leloir for Comptroller of Customs.  
Written submissions for importer, Waverley Publishing Co. Ltd.

*Decision*

This publication was imported commercially and was seized at Auckland in May 1980. Forfeiture has been disputed by the importer so that the publication is referred to the Tribunal for classification.

It was submitted by the Comptroller that a restriction order should be applied to this publication and a similar suggestion was made by the importer. According to the importer the publication has been distributed throughout New Zealand since 1977.

This is the first American edition of a book which was published in Germany in 1974 under the title *Lustgewinn in der Ehe*. It is more than a sex manual, having been designed, according to the preface, to help readers to "get acquainted with the most effective ways of showing tenderness as well as passion". One of the authors is director of the EURASE Institute for Marriage Counselling; he writes in the preface "I have no doubt (the book) will save many a marriage—possibly even your own".

The illustrated discussion which follows examines in a low-toned manner that is both sympathetic and rational the extent to which sexual harmony can overcome other apparently unrelated problems in marriage. The idea that pleasure-related sexual practices have been developed to express "the vital, lasting male-female relationship" leads logically to detailed instruction in techniques (though the authors apologise for the use of this mechanical term).

The whole purpose of the book, both text and photographs (which are of the same couple throughout), is to help people learn "the art of using their bodies as instruments of love." The Tribunal sees both the intention and execution of *Sexual Adventure in Marriage* as honest, tasteful, and constructive; it is however a book for the more mature reader and is accordingly classified as indecent in the hands of persons under the age of 16.

Dated at Wellington this 13th day of April 1981.

DISTRICT COURT JUDGE WILLIS, Chairman.

### SHADOW OF THE LAND

By Ian Wards

422 p. 1968. \$9

The title for this book was provided by Nopera Panakarero, a Kaitiā chief of much influence, who, in May 1840, believed that only the "shadow of the land" had gone to Queen Victoria whilst the substance remained with the Maoris. Less than a year later he revised this opinion convinced that only the "shadow" would be the Maori portion.

The author examines the British acquisition of New Zealand, the Maoris, trust in the Treaty of Waitangi, and their confidence that its terms would be honoured and explains it was only by accident that the Maoris were guaranteed the possession of their lands and ancient privileges.

It is under these circumstances that the book considers the use of military force in New Zealand, analyses the arguments surrounding the provision of troops and concludes that, beyond any reasonable doubt that there was never an attempt to govern by "moral suasion".

New Zealand followed the normal nineteenth century British pattern of territorial acquisition.

The book is an essential introduction to the Maori wars of a later date.
