Import Licence Tendering Scheme, Results of Tenders for Lot 6, Round One and Amendments to the Results of Tenders for Lots 1, 2, and 3, Round One

THE following are the official results of tenders for Lot 6 Round One of the Import Licence Tendering Scheme. Licences obtained by this procedure are valid for one year from the date of publication of this notice. All tenderers will receive separate notification of their results.

In submitting these tenders, each tenderer has signed an undertaking which states that: he or she is domiciled in New Zealand; has been actively trading throughout the immediately preceding 12 months; does not act in this matter on behalf of any other person; and has not submitted tenders in excess of the maximum number of tenders specified in the Call for Tenders to which this tender relates.

Tenderers are referred to the press statement of 2 April 1981 released by the Acting Minister of Trade and Industry, copies of which are available from the Department of Trade and Industry. If, in terms of this statement, it is necessary to reallocate licence units where tenderers have withdrawn their tenders, the details of such reallocations will be published in the *Gazette*.

- (a) *Withdrawn Tenders*—Tenders which have been withdrawn because the bid has mistakenly included the face value of the licence units; and
 (b) *New Successful Tenders*—Hitherto unsuccessful tenders which, by being the next highest bids, have been awarded the newly available tender licences as a result of the withdrawals.

*Unsuccessful tenders which were next highest but which, because they also mistakenly included the face value of the licence unit, were also withdrawn.

†These tenderers have been given permission to withdraw because, on confirmation with the Customs Department, they have ascertained that the goods they sought were incorrectly classified and not included in the tender number in question.
