Decision No. 8/82

*Before the Broadcasting Tribunal*

IN the matter of the Broadcasting Act 1976, and in the matter of the complaint by HAROLD EARL JENSEN.

WARRANT HOLDER: Broadcasting Corporation of New Zealand (Television):

B. H. Slane, Chairman, Lionel R. Sceats, member, Murray J. Henshall, deputy member, Gordon C. Ell, co-opted member, Robert Boyd-Bell, co-opted member.

DECISION

MR Jensen has complained that there was no acknowledgment of his complaint lodged with the Chairman of the Corporation. He considered his complaint should have been acknowledged within 14 days as a formal complaint.

He wants a replay of an interview on the *Newsmakers* programme which impressed him. Under the Broadcasting Act formal complaints should be lodged with the Secretary (not the Chairman) of the Corporation. Under the Act a formal complaint can only be lodged in respect of a programme that has actually been broadcast.

In this case the complainant wants a programme that has been broadcast to be broadcast again.

There is no jurisdiction under the Broadcasting Act for such a complaint. The Corporation was not therefore obliged to consider the complaint as a formal one under the Act.

Consequently the complaint cannot be upheld by the Tribunal.

The complaint is not upheld.

Dated the 18th day of June 1982.

B. H. SLANE, Chairman.

*Decision of the Indecent Publications Tribunal*

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for decision in respect of the following publication: "*Perfecting Erotic Passion*" by Rudiger Boschmann. Published by Comad Inc., Baltimore, Maryland, U.S.A.

BEFORE THE INDECENT PUBLICATIONS TRIBUNAL

Judge W. M. Willis (Chairman),  
Mesdames H. B. Dick, L. P. Nikera, Messrs J. V. B. McLinden, I. W. Malcolm.

Hearing: 1 April 1982.

Decision: 1 June 1982.

Appearances: Mr P. E. F. M. Leloir for Comptroller of Customs. Waverley International Ltd., importer.

DECISION

A sample copy of the above publication was imported by Waverley Publishing Co. Ltd. and for some reason was seized by the Customs Department at Auckland. As the importer has disputed forfeiture of the publication the Customs Department referred it to the Tribunal for classification prior to the commencement of condemnation proceedings pursuant to the Customs Act 1966.

This book is a guide to lovemaking which has a text and accompanying colour photographs. It measures 165 mm × 235 mm, is 160 pages long and is a publication of high technical quality.

Both the Department and the importer seem to be of the view that the content of the book is also of a high standard.

As the Department submitted:

"This is an illustrated manual showing various sexual techniques. The photographs are in keeping with the text which is informative and restrained. It is submitted that it is written with an honesty of purpose."

In the submissions made by Gillian Campbell on behalf of Waverley International Ltd. it is stated:

"This is an excellent, good quality sex manual by one of the authors of *Sexual Adventures in Marriage* which was recently classified by the Tribunal (Decision No. 988). The author is also a director of the EURASE Institute for Marriage Counselling . . ."

The message of this book is direct and it contains many frank and explicit colour photographs. The importer conceded "... this book touches on a few aspects of sexuality which could be termed advanced activities . . .". However in this case the Tribunal has no hesitation in accepting the submissions made by both the importer and the Department as to the quality of the book. We also accept the submission by the importer that the book is very similar in style and manner of presentation to "*Sexual Adventures in Marriage*" which was considered by the Tribunal in Decision No. 988. In that decision the publication was classified as indecent in the hands of persons under the age of 16 because it was as we termed it "... a book for the more mature reader . . .". The same could be said of the present publication, and indeed both the Department and the importer suggested such a restriction.

For all these reasons we classify this publication as indecent in the hands of persons under the age of 16.

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the following publication:

"*Colour Climax*", published by Color Climax Corporation, care of Escandinavias, DK 2720, Vanlose, Denmark.

Judge W. M. Willis (Chairman),

Member: Mesdames H. B. Dick, L. P. Nikera, Messrs J. V. B. McLinden, I. W. Malcolm.

Hearing: 1 April 1982.

Decision: 1 June 1982.

Appearances: Mr Leloir for Comptroller of Customs. No appearance of the importer, P. D. Bilby.

DECISION

THIS single copy was privately imported through parcel post and was seized in Wellington in May 1981. Forfeiture has been disputed so that the publication comes before the Tribunal for classification.

In 1980 *Colour Climax* Nos. 65, 67, 70, 83 and 85 were considered by the Tribunal. By Decision No. 956 these publications were held to be indecent. Plainly this booklet is published at regular intervals and once again No. 71 is subtitled "*Pornography in Colour*". It is no different from the other publications. The text is in 2 languages and is plainly directed to the prurient reader. It has no literary merit. The pictures have no artistic merit being mainly of nude males and females with genitalia predominantly exhibited.

Plainly in the public interest and for the public good this publication must be classified as indecent.

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by the New Zealand Police for a decision in respect of the following publication: *Domes of Fortune*, by Alan Brien. Published by Quartet Books Ltd., of London.

Judge W. M. Willis (chairman),

Mesdames H. B. Dick, L. P. Nikera, Messrs J. V. B. McLinden, I. W. Malcolm.

Hearing: 25 May 1982.

Decision: 1 June 1982.

Appearances: Inspector D. L. Bates for Police. Written submissions from Importer, Waverley Publishing Co. Ltd.

DECISION

THIS book has been submitted to the Tribunal by the New Zealand Police, by leave of the Minister of Justice granted on 29 January 1982, pursuant to the provisions of section 14 (2) of the Indecent Publications Act 1963. In its submissions to the Tribunal the importer said:

"As with another title currently before the Tribunal, namely *Pornography or Art*, this title was also imported by our company and once again we were unaware of it being under Police referral to the Tribunal until notice of this hearing was received.

"This book was imported back in October 1979 and was considered to be 'not indecent' at time of importation. The book comes from a reputable publishing house in the U.K. It does not purport to have any literary merit, but the photography is excellent and the text is a light-hearted look at one of man's favourite pastimes, fantasizing about womens' breasts.

"The book was an extremely slow seller and aroused very little interest and would undoubtedly have been out of print for quite some time".

Submissions by the Police pointed out that the book consisted almost entirely of photographic and written comment concerning the female breasts. The submissions stated frankly that initially Police reaction was that it was not indecent, a view which is obviously shared by the importer. There are 2 photographs where genitalia is exposed in what might be called a restrained manner. In the Tribunal's view there is limited artistic merit in the publication but it is unlikely to excite any prurient interest as would appear to be evident from the importer's remark that it is an extremely slow seller and aroused very little interest. For these reasons the book is classified as not indecent.

Judge W. M. Willis (chairman),

Hearing: 1 April 1982.

Decision: 1 June 1982.

Appearances: Mr Leloir for Comptroller of Customs. Written submissions by importer, Waverly Publishing Co. Ltd.

DECISION

THESE sample copies were imported commercially and seized in Auckland on 7 August 1981. Forfeiture has been disputed so that they come before the Tribunal for classification prior to the commencement of condemnation proceedings.

The magazines are of the girlie type and consist entirely of full-page colour photos depicting nude and semi-nude females. There is no text and as stated by counsel for the Comptroller the books are not offensive to any degree as there is no undue emphasis on genitalia. Similar books have been classified in the past and in particular reference is made to *Tabu* and *Young Girls in Colour*, the subject of Decision No. 995, dated 10 June 1981. Consistently these should receive a similar classification.

These books are classified as indecent in the hands of people under the age of 18.

Judge W. M. Willis (chairman),

Hearing: 1 April 1982.

Decision: 1 June 1982.

## DECISION

THIS publication is a magazine which was privately imported by Mr R. G. Cruickshank and seized at the Auckland parcels post in August 1981. As Mr Cruickshank has disputed forfeiture the Customs Department has referred the magazine to the Tribunal for classification prior to the commencement of condemnation proceedings pursuant to the Customs Act 1966.

The magazine measures 215 mm × 280 mm and is approximately 94 pages long. There were no submissions by Mr Cruickshank in support of the publication being declared anything other than indecent. Mr Leloir, for the Comptroller of Customs submitted that the dominant effect of the publication was as follows:

"This magazine is clearly aimed at the male homosexual market. It consists of photos of males in many cases naked, with emphasis on their genitals and the textual content and advertisements are almost entirely homosexually oriented. There is very little material to outweigh the heavy promotion of homosexuality."

The Tribunal accepts Mr Leloir's submission and finds that the dominant effect of the magazine is to promote and encourage homosexual activity. We find that persons are likely to be corrupted by reading the magazine. Indecency between males is still classified as criminal activity under various sections of the Crimes Act in New Zealand (cf s. 140-142 of the Crimes Act 1961). The publication must therefore be considered to be injurious to the public good and indecent.

This classification is in keeping with many other decisions of the Tribunal concerning homosexual activity. Some of those recent decisions have been *Boys International* No. 4 (Decision No. 997); *Riding High* Vol. 8 (Decision No. 1000) and *Play Guy* Vol. 2, No. 24 (Decision No. 975).

For all the above reasons we classify *Blue Boy* as indecent.
