*Import Licence Tendering Scheme—Results of Tenders  
for Round Three*

The following are the official results of Round 3 of the Import Licence Tendering Scheme. This round included the 15 percent of basic licence for consumer goods plus a repeat of licence allocated in Round two.

Licences obtained in this Round are valid until May 1983. The lowest winning tied bids were selected by computer programme on a random basis.

In submitting these tenders, each tenderer has signed an undertaking which states that he or she is domiciled in New Zealand; has been actively trading throughout the immediately preceding 12 months; does not act in this matter on behalf of any other person; and has not submitted tenders in excess of the maximum number of tenders specified in the Call for Tenders.
