EXPLANATORY NOTES

Apparel Tendering Scheme

Allocations under Chapters 60 and 61 represent the second round of the apparel tendering scheme as provided for under the Textile Industry Development Plan. Also incorporated is the first round of plastic apparel tendering scheme in accordance with provisions of the Plastics Industry Development Plan; and 15 percent 1981-82 basic licence allocations for consumer goods. Two licence unit sizes are offered in each category and importers may make bids for both.

Tendering—Chapter 39—Plastics

With 2 exceptions these allocations represent the first round of tendering under the Plastics Industry Development Plan to 1990.

Tender Nos. 375 and 378 represent the 15 percent of 1981-82 basic licence allocations for consumer goods which the government decided would be tendered in 1982-83. Allocations under the previous Item Code 39.090 were split into the corresponding new item codes of which only two were large enough to be put up for tender.

Plastic Wrapping Regulations 1979

Importers interested in tendering for licence in item codes under Chapter 39 should refer to the *Plastic Wrapping Regulations 1979* (reprinted in the August issue of the *Import Licensing Bulletin*) and any enquiries should be directed to the Department of Health.

Writing Instruments

This allocation represents the first round of tendering under the New Zealand Writing Instruments Industry Plan.

Tenderers should note that, if successful, they are required to provide full details of how their tender licences are used. This information will be confidential to the department.
