*Import Licence Tendering—Results of Tenders of Round 8*

THE following are the official results originally obtained for Round 8 of the Import Licence Tendering Scheme. This Round includes the tendering of the 15 percent of basic licences tendered previously in Rounds 3 and 3A; the third allocation of licence under the Plastics Industry Development Plan; the third allocation of licence for some products under the Packing Industry Development Plan and the first allocation of licence under the Canned Fruit Industry Development Plan.

This Supplement repeats the Call for Tenders issued for Round 8 to allow ease of cross reference with the results.

In submitting these tenders each tenderer has signed a declaration that the enterprise concerned is domiciled in New Zealand; has been actively trading throughout the immediately preceding 12 months; does not act in this matter on behalf of any other person; and has not submitted tenders in excess of the maximum number of tenders specified in the Call for Tenders.

## Call for Tenders Round 8 Issued 27 May 1983

PURSUANT to the Import Control Regulations 1973, Amendment No. 3 (S.R. 1980/246), the Secretary of Trade and Industry, acting under delegated authority is calling tenders for import licences for the goods specified below. These goods constitute Round 8. This Round comprises the tendering of the 15 percent of basic licences tendered in Round 3 and Round 3A last year; the third allocation of licence under the Plastics Industry Development Plan; the third allocation of licence for some products under the Packing Industry Development Plan and the first allocation of licence under the Canned Fruit Industry Development Plan.

Those manufacturing companies and any company in which they have a 25 percent or more share, directly or indirectly, cannot tender in item codes in which they have already been granted an allocation of licence under the Canned Fruit Industry Development Plan.

Tenders should be addressed to the Registrar of Tenders, P.O. Box 3146, Wellington or be delivered by hand to the First Floor of the Bowen State Building, Wellington. Tenders for Round 8 should reach the Registrar no later than 5 p.m. on 20 June 1983.

## NOTES:

1. Instructions for tenders and the general terms and conditions which apply to the submission and acceptance of tenders are set out in the *Guide to Import Licence Tendering* as Gazetted in Round 6.

2. Item codes marked with an asterisk require an assurance of servicing facilities.

3. Successful tenderers under the Plastics Industry Development Plan are required to return the import licence usage forms which will be posted to them. Failure to do so may lead to no further bids being accepted.

4. Tenderers should refer to the Customs Tariff and the Import Licensing Schedule for the full description of the goods tendered.

5. Tenderers are reminded to use a separate tender form for each tender number. All bids may be sent in one envelope. The envelope must be marked Import Licence Tender: Round 8.

6. Some tenders include two or more interchangeable item codes. Successful tenderers should indicate in which item code(s) they want their licence(s) prepared at the time the premium is paid.
