*Import Licence Tendering—Results for Tenders of Round 10*

THE following are the official results originally obtained for Round 10 of the Import Licence Tendering Scheme. This round comprises the tender of the first allocation of footwear and the second allocation of writing instruments.

This Supplement repeats the Call for Tenders issued for Round 10 to allow ease of cross reference with the results.

In submitting these tenders each tenderer has signed a declaration that the enterprise concerned is domiciled in New Zealand; has been actively trading throughout the immediately preceding 12 months; does not act in this matter on behalf of any other person; and has not submitted tenders in excess of the maximum number of tenders specified in the Call for Tenders.

**NOTE:**

1. Tenderers should refer to the Customs Tariff and the Import Licensing Schedule for a definite description of the goods included in the list above.
2. Tenderers should be conversant with the various statutes and regulations which importing enterprises are obliged to comply with, such as the Food and Drug Regulations 1973, Safety Standards, Duties and Sales Tax, etc., where relevant.
