Import Licence Tendering Scheme

THE following insertions shown in quotation marks have been made to the Guide to Import Licence Tendering dated October 1982 and which is shortly to be re-published.

9 (b) Payment should be made . . . "by Bank Cheque. Cheques drawn on the account of the tenderer will delay the issue of the licence by 15 working days. Payment by Bank Cheque ensures prompt despatch of the licence."

(c) "Failure to pay for tenderer licence bids within the 6 months from invoice date will invalidate later round bids. Licences unissued at the end of a year will be cancelled."

10 (c) "Licences may be assigned. Assignment forms, which are obtainable from the Department of Trade and Industry, Auckland, Wellington, Christchurch, and Dunedin must be filled in by both parties and returned, together with the licence, to the Registrar, Import Licence Tendering, Department of Trade and Industry, P.O. Box 3146, Wellington. If approved new licence will be issued. If the licence entitlement is assigned, the licence tender price must first be paid. See Part 9 for method. The licence will be issued in the assigned organisation's name. Either the assignor or the assignee may pay the premium though the responsibility for payment remains with the original tenderer until cleared.

Normally the only reservation the department would have about the assignment of licence is where this might be taking place in the circumvention of import regulations such as goods arrived."

ADVERTISEMENTS

THE CHARITABLE TRUSTS ACT 1957

NOTICE OF APPLICATION FOR APPROVAL OF A SCHEME UNDER PART III OF THE CHARITABLE TRUSTS ACT 1957

NOTICE is hereby given that the Public Trustee as trustee of the will of James Dawson Bashford, late of Kaupokonui in New Zealand, farmer, deceased, and as solicitor for the Anglican Boys' Homes Society (Diocese of Wellington) Trust Board has filed in the office of the High Court at Wellington an application for approval of a Scheme varying the terms of the said will under which the farm lands and the residuary estate of the above-named deceased are to be held. Under the said will, the farm lands and the residuary estate of the deceased were to be held by the Public Trustee for the purpose of establishing and running on the farm lands a home, under the control of a trust board, for boys under the age of 21 years who were orphans, or who needed assistance for any other reason, where such boys could learn practical farming out of school hours, but subject to the right of personal residence given to a niece of the deceased in the dwellinghouse on the farm lands and to the payment to the niece of an annuity of \$800 during her lifetime. The Will also provided that if a trust board to run the proposed home was not incorporated within 10 years after the deceased's death, the farm lands and the residuary estate were to be transferred for the purpose of such home to that trust board of the Anglican Diocese of Wellington or other Anglican trust board appearing to the Public Trustee to be the proper authority to administer the home. The deceased died on 9 June 1963. No trust board has ever been incorporated to run a home for boys on the farm lands, because the establishment and running of such a home on the farm lands has become impracticable. The funds held by the Public Trustee in the residuary estate are insufficient to establish and maintain such a home on the farm lands. Under the Scheme, the Public Trustee shall transfer the farm lands and the residuary estate to The Anglican Boys' Homes Society (Diocese of Wellington) Trust Board to be held by the board to permit the above mentioned niece to continue personally to reside in the dwellinghouse erected on the farm lands and to receive an annuity of \$800 during her lifetime, and subject thereto, to apply the income arising from the farm lands and the residuary estate in perpetuity for the purpose of providing scholarships or bursaries to assist in the education maintenance or benefit of boys born or living in New Zealand who are attending or desire to attend an agricultural or veterinary college or school or university in New Zealand for the purpose of furthering their education in farming or veterinary science.

Copies of the application, the Scheme and the report of the Attorney-General thereon may be inspected, free of charge, at the office of the Registrar of the High Court at Wellington, or at the Office of the Public Trustee 117-129 Lambton Quay, Wellington,

or at the office of the District Public Trustee, State Insurance Building, High Street, Hawera. The application has been set down for hearing in the High Court at Wellington on the 7th day of March 1984.

Any person desiring to oppose the Scheme is hereby required to give notice of his or her intention to do so to the Registrar of the High Court at Wellington and to the Public Trustee at Wellington and to the Secretary of the Anglican Boys' Homes Society (Diocese of Wellington) Trust Board, P.O. Box 145, Masterton and to the Attorney-General not less than 7 clear days before the above mentioned date.

J. C. KERSLAKE.

Solicitor for the Public Trustee and for the Anglican Boys' Homes Society (Diocese of Wellington) Trust Board.

appointed from time to time by the Management Committee being not more than 3 in number.

10. That the Scheme also contains provision and machinery concerning the administrative powers and proceedings of the Management Committee.
11. That the Scheme also outlines those powers that with the approval of the Management Committee the Public Trustee shall have including without limiting the generality of the powers set out the power to receive donations or endowments for the general purposes of the Bagley Trust or for any special object or objects which may be connected with the due working of the provisions of that Scheme.
12. That the Scheme in paragraphs 23 and 24 thereof provides for certain directions concerning the destination application and devolution of the income and capital of the residuary estate of the Will of the deceased.

And please take further notice that the hearing in the High Court of New Zealand at Auckland of the application for approval of the Scheme shall take place on the 29th day of February 1983; and that any person desiring to oppose the Scheme shall give written notice of his intention to do so to the Registrar of the High Court at Auckland, and to the Public Trustee (at either 11/17 Mayoral Drive, Auckland or 117-129 Lambton Quay, Wellington) and the Attorney-General, Wellington, not less than 7 clear days before that date.
