Decision No. 1/84

Before the Indecent Publications Tribunal

District Court Judge Willis—Chairman, H. B. Dick, L. P. Nikera, J. V. B. McLinden, I. W. Malcolm.

Hearing at Wellington on the 13th day of December 1983*.

Appearances:

Written submissions by importer, Waverley Publishing Company Limited.

Mr C. Hillman for Comptroller of Customs.

In the matter of the Indecent Publications Act 1963 and in the matter of an application by the Comptroller of Customs for decision in respect of the following publications:

Beautiful Blondes, Anonymous.

Bush and Barbeque, Free Association Press, N.S.W., Australia.

Nympho, Porno Girl, Weekend Love, Leon Publishing Co., Australia.

Peeping Tom, Coolibah Publishing Co., Australia.

Male and Female Homosexual Love in Pictures, York House Publishing Co., Pty. Ltd., Australia.

The Naked Eye, Peer Books, Australia.

Pantie Parade, Climax Press Inc., U.S.A.

Bare Babes, Primitive Promiscuity, Sex Secrets of an Office Secretary, Strip Jackie Naked, Strip Scandal, Kanon Publications, Sydney, Australia.

The Bumper Book of Crumpet, Sex Model, Baker Publishing, Australia. (Ref. No. IND 11/83)

DECISION

ALL these publications were commercially imported through Auckland. They were seized in 1979 but for some reason were not referred to the Tribunal until 1983. Regrettably there has been a further delay within the Tribunal.

By way of comment we have noted over the past 2 years or so the tendency to import, apparently from Australia, a number of publications which are by no means new and which are all sexually orientated. This particular group is no different. Most of them were published in Australia about 1971 or 1972 so that it would seem that they could have been available within New Zealand over a long period. Generally speaking they are poorly produced and in most cases consist of photographs without text. Most of the photographs are in black and white of females in a state of full or partial undress, in most cases exposing genitalia some in contrived or posed positions. It would not be unreasonable to say that generally speaking they are marginal and would appear to have limited appeal.

Written submissions were made by the importer with respect to the following publications:

Bare Babes

Beautiful Blondes

The Bumper Book of Crumpet

Sex Model.

In respect of these publications it was submitted that they warranted an age restriction. Without going into any great detail we consider that the first 3 should be classified as indecent in the hands of persons under the age of 18. *Sex Model* however, contains multiple models and appears to be in a different category from the other 3. It should be classified as indecent.

The next submission was in respect of *Pantie Parade*. There is a text followed by some 50 full page black and white photographs of models most scantily clad in erotic underwear. The book is tasteless and lacking in artistic merit. It was said to show the "erotic allure of female underwear". The publication is marginal but after very full consideration we have accepted the importer's submissions that it should be classified as indecent in the hands of persons under the age of 18.

A separate submission was made in respect of:

Primitive Promiscuity,

Sex Secrets of an Office Secretary,

Strip Scandal,

Strip Jack Naked,

Porno Girl,

Nympho,

Weekend Love,

Bush and Barbeque,

Peeping Tom,

Male and Female Homosexual Love in Pictures,

The Naked Eye.

The importer suggested that these books were published in Australia about 1972 and were freely on sale in New Zealand with a Customs Department age restriction of 18. They were not seized until 1979. *Nympho, Peeping Tom* and *Naked Eye* consist of photographs of males and females in various states of dress and undress. The models are photographed in posed or contrived positions. Each of these publications will be classified as indecent in the hands of persons under the age of 18.

The remaining publications are in a different category. *Strip Jackie Naked, Sex Secrets of an Office Secretary, Primitive Promiscuity* and *Strip Scandal* consist of black and white photographs of nude models of both sexes in a variety of poses. The publications are poorly produced and because more than 2 models are used the appeal would be for the lewd and prurient. They lack artistic merit and in our opinion would be injurious to the public good. They are classified as indecent.

Porno Girl, Bush and Barbeque and *Weekend Love*. These publications consist of photographs of a male and a female in the course of love making. The poor publication removes any suggestion of artistic merit. The appeal would be for the lewd and prurient and the likelihood of corruption outweighs the benefit. One again it is considered that these publications are injurious to the public good. They are classified as indecent.

Dated at Wellington this 10th day of February 1984.

W. M. WILLIS, Chairman.
