SECOND SCHEDULE

SOUTH AUCKLAND LAND DISTRICT

Description of Easement Acquired

1. In this Schedule the term "grantor" means the owner of the land over which an easement is to be acquired and the term "grantee" means The Waikato Valley Authority.

2. The full and free right, liberty and licence and authority in perpetuity for the grantee or its agents to do and carry out the following on the said land;

3. To enter on the said land by its engineers, officers, agents and workmen to go, pass and repass, with or without machinery or vehicles over and along the said land.

4. To delegate to the local council as defined by the Waikato Valley Authority Act 1956, the rights and powers conferred by this grant.

5. To construct a water course or water courses of such dimensions as the grantee shall determine and from time to time alter or reconstruct the same and to clean or otherwise maintain the same in a state of efficiency.

6. To construct a stopbank or stopbanks or other defence against water of such dimensions as the grantee shall determine and from time to time to alter or reconstruct the same and do all things which are necessary to maintain the same in a state of efficiency.

7. To plant, sow and maintain trees, shrubs, plants or grasses on the said land and to regulate or prohibit interference with or the destruction thereof.

8. To fence the boundaries of the said land to the extent the grantee shall determine, the cost of maintenance and repair of such fencing to be borne equally by the grantee and grantor.

9. To prevent or regulate the pumping or releasing of water into any watercourse on the said land or the overflow of artesian water.

10. To regulate the use of any constructed watercourse on the said land.

11. To prescribe conditions on which other constructed watercourses may be connected or continue to be connected with any constructed watercourse on the said land.

12. To regulate the construction and maintenance of crossings over watercourses on the said land.

13. To prohibit the passing over any watercourses on the said land except at appointed crossings.

14. To prevent any watercourse on the said land from being made wider or deeper than it is at the time, whether by cleaning or otherwise, or to prevent the course thereof from being altered without the consent of the grantee.

15. To prohibit or regulate access to or the passing over or along any bank, dam or other defence against water, or other work of any kind whatsoever constructed or maintained by, or under the control of, the grantee on the said land.

16. To prohibit the planting of willows or other trees on the said land.

17. To prohibit or regulate the erection of any structures or fences on the said land.

18. To prohibit or regulate the use of the said land by the grantor and to require the grantor to use the said land solely for the growing of grasses and at all times to comply with the directions of the grantee in respect of the grazing of animals on the said land as if a notice to control such grazing had been given under section 35 of the Soil Conservation and Rivers Control Amendment Act 1959 so that the said land shall be maintained and kept in such manner that any stopbank or other defence against water or any watercourse is maintained in a state of efficiency.

19. To prohibit the cultivation of the said land by the grantor, any renewal of pasture to be the responsibility of the grantee except that the cost of such renewal shall be borne by the grantor where such renewal is a result of wilful damage or the failure of the grantor to conform to prudent land use practice, being practice which has proper regard to timing and circumstances and is likely to prevent soil erosion, and likely to promote soil conservation, the avoidance of deposits in watercourse, and the control of floods.

20. To prohibit the lighting of fires on the said land except under such circumstances and subject to such limitations, conditions and restrictions as may be prescribed by the grantee.

21. Generally to require the doing on or in respect of the said land of any act or thing which may be likely to prevent or mitigate soil erosion or promote soil conservation or the control of floods and to prohibit the doing on or in respect of the said land of any act or thing which may be likely to facilitate soil erosion or floods.

4. To delegate to the local council as defined by the Waikato Valley Authority Act 1956, the rights and powers conferred by this grant.

5. To construct a watercourse of such dimensions as the grantee shall determine and from time to time alter or reconstruct the same and to clean or otherwise maintain the same in a state of efficiency.

6. To construct a stopbank or stopbanks or other defence against water of such dimensions as the grantee shall determine and from time to time to alter or reconstruct the same and do all things which are necessary to maintain the same in a state of efficiency.

7. To prevent any watercourse from being made wider or deeper than it is at the time, whether by cleaning or otherwise, or to prevent the course thereof from being altered without the consent of the grantee.

8. To prohibit the planting of willows or other trees on the said land.

9. To prohibit or regulate the erection of any structures or fences on the said land.

10. To prohibit or regulate the use of the said land by the grantor and to require the grantor to use the said land solely for the growing of grasses and at all times to comply with the directions of the grantee in respect of the grazing of animals on the said land as if a notice to control such grazing had been given under section 35 of the Soil Conservation and Rivers Control Amendment Act 1959

so that the said land shall be maintained and kept in such a manner that any stopbank or other defence against water or any watercourse is maintained in a state of efficiency.

11. To prohibit the cultivation of the said land by the grantor, any renewal of pasture to be the responsibility of the grantee except that the cost of such renewal shall be borne by the grantor where such renewal is a result of wilful damage or the failure of the grantor to conform to prudent land use practice, being practice which has proper regard to timing and circumstances and is likely to prevent soil erosion, and likely to promote soil conservation, the avoidance of deposits in watercourse, and the control of floods.

12. Generally to require the doing on or in respect of the said land of any act or thing which may be likely to prevent or mitigate soil erosion or promote soil conservation or the control of floods and to prohibit the doing on or in respect of the said land of any act or thing which may be likely to facilitate soil erosion or floods.

Standard Grade for the Export of Kiwifruit Notice (No. 3225; Ag. 12/2/14)

THIS notice revokes; the Standard Grade for the Export of Kiwifruit Notice 1977 (No. 1682; Ag. 12/2/14) published in the *New Zealand Gazette*, Thursday, 21 April 1977, the Amendment Notice 1980 (No. 2301; Ag. 12/2/14) published in the *New Zealand Gazette* on 31 January 1980, and the notice of Minimum Acceptable Standard for Kiwifruit (Notice No. 2918; Ag. 12/14/1) published in the *New Zealand Gazette* on 4 November 1982.

PURSUANT to regulation 13 of the New Zealand Grown Fruit and Vegetables Regulations 1975*, the Director-General of Agriculture and Fisheries hereby gives notice that the standard grade for the export of kiwifruit shall be as set out in this notice.

NOTICE

1. Title—

(a) This notice may be cited as the Standard Grade for the Export of Kiwifruit Notice 1984.

(b) This notice shall come into force on the day after the date of its notification in the *Gazette*.

2. Application of notice—This notice determines the standard grade applicable for the export of kiwifruit, and shall be the minimum grade standard for kiwifruit exported from New Zealand.

3. Title and grade—The grade mark assigned to this standard grade shall be Class I (hereinafter referred to as "the grade").

4. Definition of produce—This grade applies to kiwifruit being fresh fruit grown from varieties of *Actinidia chinensis* Planch to be supplied fresh to the consumer.

5. Definition of terms—Unless the context otherwise requires, terms used in this notice shall have the same meaning as in the New Zealand Grown Fruit and Vegetables Regulations 1975. Certain of these definitions as applicable to fruit are set out in the First Schedule to this notice.

6. Quality requirements—

(a) The fruit must be:

- (i) Intact—whole fruit
- (ii) Sound
- (iii) Clean
- (iv) Well formed—typical of variety
- (v) Free from abnormal external moisture; and
- (vi) Free from foreign smell or taste

(b) The kiwifruit must have been carefully picked and of a similar degree of maturity in the same line of produce. They must have matured sufficiently to complete the ripening process and in the opinion of an inspector, the stage of maturity must be suitable to withstand handling, storage and transport to meet the market requirements of the place of destination. Except with the express permission of an authorised inspector kiwifruit for export shall not be harvested in any season until the fruit reaches a minimum of 6.2 percent soluble solids as determined by a Brix test.

- (c) The kiwifruit must be of good quality and have characteristics typical of the variety, and be free of defects which may:
- (i) Impair the general appearance and keeping quality of the fruit; or
 - (ii) Which are likely to make the fruit unattractive to the purchaser.
- (d) The flesh must be sound, but skin defects which are not liable to impair the general appearance and keeping qualities are permitted on each fruit within the limits specified in the Second Schedule to this notice.
- (e) The kiwifruit are to be free from pests, diseases, and contamination with toxic materials.

7. Sizing—

- (a) The minimum fruit weight for export shall be 70 grams.
- (b) Fruits in a package, other than a bulk container, shall be evenly sized and of reasonably uniform shape.

8. Packaging and presentation—

- (a) The contents of each package must be uniform and contain only kiwifruit:
- (i) Grown in the same region
 - (ii) Of similar quality
 - (iii) Of one variety true to name; and
 - (iv) Of a similar degree of maturity
- (b) The kiwifruit shall not be deceptively packed or stacked, and must be packed in clean new packages suitable for transport and handling so that they will not be damaged in transit. Any paper or other material used inside the package must be new and harmless to human food. When printed material is used the printing must be on the outside only so as not to come into contact with the fruit. The fruit must be free of foreign bodies such as leaves and twigs.

9. **Marking**—Each package must bear the following particulars legibly and indelibly on the outside:

- (a) Identification—growers or packhouse registered mark and exporters identification.
- (b) Nature of produce—kind and variety.
- (c) Origin—New Zealand.
- (d) Commercial specification—grade, count, or size if packed, or size for loose-filled packs of 15 kg net weight or less.
- (e) Official control mark—inspection stamp or similar identification if applicable.
- (f) Labels—if used, must be of not less than 40 square centimetres.

FIRST SCHEDULE

DEFINITION OF TERMS

- “Clean” means free from dirt, dust, insect stains, or other foreign substance or material;
- “Count” means the number of fruit contained in any package;
- “Inspector” means an Inspector appointed under the Plants Act 1970;
- “Mature” in relation to fruit, means that in the opinion of an inspector the fruit will properly complete the ripening process and is suitable for export;
- “To pack” means to arrange fruit regularly and compactly in a package so that they are not loose or compressed to an extent likely to cause damage to the fruit during handling or transport;
- “Sound” means free from decay, rots, overmaturity, breakdown, freezing injury, damage, and similar defects which may cause rapid loss of condition or rapid decay;
- “Storage defects” means decay, storage scald, fungal rots, wilt, or other injury to fruit as a result of storage.

SECOND SCHEDULE

1. Allowance for skin defects:

Each kiwifruit is permitted skin defects within the following limits, provided that the aggregate area of all defects shall not exceed 1 square centimetre.

- (a) Defects of a superficial nature, except those caused by pests or diseases, provided that the total area affected does not exceed 1 square centimetre.
- (b) “Proximity marks” such as those caused by strong winds late in the growing season. Provided not black centred or depressed, not more than two marks per fruit and the total area does not exceed 1 square centimetre.

2. “Hayward mark” is characteristic of the variety and is permitted provided fruit shape is not distorted, it does not unduly detract from the general appearance of the fruit and the commonly associated protruberance is not liable to damage during handling and packing.

GENERAL INFORMATION

The following explanatory note does not form part of this standard grade but is presented for the information of growers/exporters.

Notwithstanding compliance with this standard grade with in the opinion of the New Zealand Ministry of Agriculture and Fisheries will not prevent entry to all countries to which kiwifruit is likely to be exported, it is the responsibility of the exporter to ensure that produce meets the requirements of the importer.

Dated at Wellington this 1st day of April 1984.

M. L. CAMERON,
Director-General of Agriculture and Fisheries.

Trading Bank Reserve Asset Ratio

PURSUANT to section 33 of the Reserve Bank of New Zealand Act 1964, the Reserve Bank, acting with the approval of the Minister of Finance, hereby gives notice that as from and including the 1st day of April 1984 and until further notice, each trading bank shall maintain during each calendar month balances at the Reserve Bank plus holdings of Reserve Bank notes, of New Zealand coin, and of New Zealand Government securities, such that the aggregate of the averages of those balances and holdings during that calendar month (determined in accordance with clauses 1, 2, 3, and 4 of this notice) equals or exceeds the aggregate of:

28.5 percent of that trading bank's average demand and time deposit liabilities in New Zealand in the immediately preceding calendar month (determined in accordance with the provisions of clause 5 of this notice);

provided that a trading bank may make up its balances and holdings as aforesaid for a calendar month to the amount hereinbefore required for that calendar month by way of borrowings from the Reserve Bank made during the next following calendar month and on terms and conditions to be determined by the Reserve Bank; and the proceeds of all such borrowings shall be credited to the

account of that trading bank with the Reserve Bank termed "Contra Deposit Account" and on terms and conditions to be determined by the Reserve Bank.

For the purposes of this notice:

- (a) Balances held by a trading bank at the Reserve Bank shall (subject to clause 6 of this notice) include both demand deposit balances and time deposit balances of that trading bank.
- (2) The average of a trading bank's holdings of Reserve Bank notes and of New Zealand coin for a calendar month shall be the average of the figures shown in all weekly returns of Banking Statistics by that trading bank under the Statistics Act 1975 received during that calendar month.
- (3) The average of a trading bank's balances at the Reserve Bank and holdings of New Zealand Government securities for a calendar month shall in each case be the average of the figures for balances and such securities held by that trading bank on each day during that calendar month.
- (4) Government securities held by a trading bank shall consist of Government stock and Treasury bills (all at nominal value) held by that trading bank.
- (5) The average demand and time deposit liabilities of a trading bank in a calendar month shall be the average of the figures for days within that calendar month, as shown in that trading bank's weekly returns of Banking Statistics under the Statistics Act 1975.
- (6) The proceeds of any borrowings made by a trading bank pursuant to the proviso to this notice shall be deemed to be a part of and be included in the balances held by that trading bank at the Reserve Bank on the last day of the preceding calendar month; and the proceeds of any such borrowing shall not be included in the balances held by that trading bank at the Reserve Bank during any other calendar month.

Wine Industry Development Plan—Exclusive Australian Tariff Quotas 1984-85

PURSUANT to section 120 (5) of the Customs Act 1966, and within the terms of the Australia - New Zealand Closer Economic Relations Trade Agreement (ANZCERTA), the allocation of Exclusive Australian Tariff Quotas (EATQ's) for the period 1984-85 is as follows:

WINEMAKERS EATQ's

- (a) 100 percent of the 1983/84 quotas plus 3 percent for inflation, if desired by the manufacturer.
- (b) If not all of the winemakers allocation is taken up, balance will be offered to other winemakers. Any further balance will be placed in the tender allotment.

TENDERED EATQ's

- (a) 50 percent of the 1983-84 quota plus 3 percent for inflation at the same tendered rate of duty, if desired by the tenderer.
- (b) If not all the quota is taken up, the balance will be placed in the tender allotment.
- (c) Balance of the allotment plus 3 percent for inflation to be tendered.

Dated at Wellington this 5th day of April 1984.

P. J. MCKONE, Comptroller of Customs.

IN the matter of the Charitable Trusts Act 1957 and in the matter of the LES WOOD MASONIC TRUST INCORPORATED:

TAKE notice that at 10 o'clock in the forenoon on the 3rd day of May 1984, pursuant to Part III of the above-mentioned Act the Les Wood Masonic Trust Incorporated will apply to the High Court at Auckland for an order approving a scheme varying the trusts declared in a deed dated the 29th day of September 1970 and made between Leslie Edwin Wilkie Wood the settlor of the one part and John Addis Redwood and others (therein called "the Council") of the other part, upon the grounds that income has accrued and will accrue in excess of the needs of the purposes of the said trusts. The scheme provides for an alteration in the amounts of and the methods by which income may be paid or applied by the said council to the trustees of the Chevalier Lodge No. 303, the trustees of Lodge Tamaki No. 328 and the Almoners Association respectively and also that in lieu of accumulating in each year any surplus income as an accretion to the capital of the trust funds the council shall pay or apply one moiety of any such surplus income to or for such non-masonic charities or charitable purposes as it shall think fit and shall pay or apply the other such moiety to or for such masonic or non-masonic charities or charitable purposes as it shall think fit.

A copy of the said scheme may be inspected at the offices of Messieurs Wilson Wright & Co., Solicitors, at First Floor, St Vincent Plaza Building, 1A St Vincent Avenue, Remuera, Auckland.

Any person desiring to oppose the said scheme shall give written notice of his or her intention so to do to the Registrar of the High Court at Auckland, to Her Majesty's Attorney-General care of the Crown Law Office, Wellington, and to the Les Wood Masonic Trust Incorporated care of the above-mentioned firm of solicitors, not less than 7 clear days before the first above-mentioned date.

Inserted by Messieurs Wilson Wright & Co., for and on behalf of the Les Wood Masonic Trust Incorporated.

LIVING LETTERS

STATE SERVICES COMMISSION

36 p. 1980 reprint. \$1.75 plus 55c p & p

One of the aims in letter writing is to get ideas across to the reader clearly and briefly. But do letters always say what is meant? Even if they are clear to the writer, will the reader understand them easily? If you are still using the old clichés of "acknowledging receipt of", "according to our records", and "enclosed please find" it is almost certainly time to change your attitude to writing Living Letters.

TREES AND SHRUBS OF NEW ZEALAND

By A. L. Poole and Nancy M. Adams

275 p. 1979 fourth impression with amendments. \$15.95 plus \$1.50 p & p

This book has been designed especially to assist many people who lack a formal botanical training yet are deeply interested in New Zealand's trees and shrubs and want to be able to identify them and name them correctly. There is a complete coverage of the native trees and shrubs and over 400 species have been illustrated.

AFTER WORK
