*Import Licence Tendering—Results for Tenders of Round 12*

THE following are the official results originally obtained for Round 12 of the Import Licence Tendering Scheme.

This Supplement repeats the Call for Tenders issued for Round 12 to allow ease of cross reference with the results.

In submitting these tenders each tenderer has signed a declaration that the enterprise concerned is domiciled in New Zealand; has been actively trading throughout the immediately preceding 12 months; does not act in this matter on behalf of any other person; and has not submitted tenders in excess of the maximum number of tenders specified in the Call for Tenders.

NOTE:

1. Tenderers should refer to the Customs Tariff and the Import Licensing Schedule for a definite description of the goods included in the list above.
2. Tenderers should be conversant with the various statutes and regulations which importing enterprises are obliged to comply with, such as the Food and Drug Regulations 1973, Safety Standards, Duties and Sales Tax, etc., where relevant.

PLASTICS INDUSTRY DEVELOPMENT PLAN

NOTE: Successful tenderers under the Plastics Industry Development Plan are required to return the import licence usage forms which will be posted to them. Failure to do so may lead to no further bids being accepted.
