(REALS)—CALL FOR APPLICATIONS

## ANZCERT MANUFACTURERS EXCLUSIVE AUSTRALIAN LICENCES (MEALS)

The following are the official results of the allocation of Manufacturers Exclusive Australian licences for the 1984-85 period.

MEALS are issued for the period 1 July 1984 to 30 June 1985. Goods imported with these licences must meet the criteria for products of Australian origin as contained in the amended Customs Regulations 1968. The New Zealand/Australian Rules of Origin are detailed in Article 3 of the ANZCERT Treaty.

MEALS for 1984-85 that were not taken up were transferred in 1984-85 permanently to the tender pool.

In applying for MEALS, manufacturers were required to undertake to use any MEAL obtained fully, and consistent with the principles of CER, viz: rationalising existing production by substituting Australian imports for higher cost domestic lines or by complementing existing licences.

For 1985-86 it should be noted that applicants for a share of MEALS will be required to have their applications with the Department of Trade and Industry by 1 October 1984. There will be no extensions to this deadline.

In order to receive a share of MEALS in 1985-86 applicants will in general terms need to meet the MEAL guidelines set out in the supplement to the *New Zealand Gazette* dated 3 February 1984.

It should be stressed that there is no automatic renewal of MEALS held in 1984-85 for 1985-86. Applicants will need to show that they are using their MEALS in 1983-84 and 1984-85 in accordance with the MEAL provisions.

Applicants will need to provide the following specific details for each item code where MEALS are sought:

- (i) Name of confirmed Australian manufacturing source(s) of supply for 1984-85 and 1985-86;
- (ii) details of MEAL usage in 1983-84 and estimated usage for 1984-85;
- (iii) full details of the product rationalisation and/or complementation with the Australian manufacturer(s) concerned;
- (iv) details of increased New Zealand exports arising from the arrangement (detailing specific products) to Australia and/or third countries for 1983-84 with projected export figures for 1984-85 and 1985-86;
- (v) detail the level of MEALS sought for 1985-86;
- (vi) value of production for the domestic market of goods within the item code in the company's last financial year valued at ex-factory prices excluding freight. N.B.: Production for export to be excluded.

All applications to be addressed to:

The Executive Officer,  
General Industries (2),  
Department of Trade and Industry,  
Private Bag,  
Wellington.

N.B.: All applications to be with the Department by 1 October 1984.

For any queries please contact John Diamond or Nick Bennie, General Industries (2), Department of Trade and Industry, Wellington, Telephone: 720-030.

MEALS are obtained by way of:

- (a) Entitlement (100% pro rated annual value of 1983-84 MEALS); or
- (b) Allocation of new 1984-85 MEALS; or
- (c) Both.

These results do not distinguish between the types.

## ANZCERT TENDERED EXCLUSIVE AUSTRALIAN LICENCES (TEALS)—AUTOMATIC ENTITLEMENTS

Detailed below are the 1984/85 TEALS obtained by 1983/84 TEAL holders by way of automatic entitlement.

These TEALS are valid for the period 1 July 1984 to 30 June 1985. Goods imported with these licences must meet the criteria for products of Australian origin as contained in the amended Customs Regulations 1968. The New Zealand/Australian Rules of Origin are detailed in article 3 of the ANZCERT Treaty.

Entitlements for TEAL holders are 50 percent of the prorated annual value of their 1983/84 licences (1983/84 licence amounts were for a 18 month period). Entitlements were only given on request. All TEAL holders were contacted and the deadline for requests was 15 February 1984. Premiums are payable on a proportionate basis.

## ANZCERT TENDERED EXCLUSIVE AUSTRALIAN LICENCES (TEALS)—TENDER ROUND 13

The following are the official results of Round 13 of the Import Licensing Tendering Scheme. This round of tendering was for goods under ANZCERT.

TEALS obtained in this round are valid from 1 July 1984 to 30 June 1985. Goods imported with these licences must meet the criteria for products of Australian origin as contained in the amended Customs Regulations 1968. The New Zealand/Australian Rules of Origin are detailed in article 3 of the ANZCERT Treaty.

In submitting these tenders, tenderers have been required to sign an undertaking which states that the tenderer is domiciled in New Zealand and does not act in this matter on behalf of any other persons.

*Explanatory Notes:*

1. Allocations were completed in 2 stages. In both stages allocation was in order of the premiums bid. Where demand exceeded availability the initial allocation in the item code was limited to the initial share detailed in the *New Zealand Gazette* of 9 March 1984 for each company. The remaining licence was then allocated in the second stage in order of premiums bid without any limitations on the amounts an individual firm could receive.

2. In those item codes where not all of the licence available was taken up by tender and a residual balance remains, premiums have been waived.

**Tender No: 1356—Item Code: 02005**

179 licence units. Initial allocation limited to \$12,000
