TARIFF DECISION LIST No. 706—continued

APPROVALS—continued

Port	Tariff Item No.	Goods	Rates of Duty		Part II Ref.	Concession Code	Effective	
			Normal	Pref.			From	To*

There are no suitable means whereby the duty paid in such cases may be refunded if at some later date the articles are installed within the confines of a place of worship

This does not, however, limit the right of an importer to warehouse goods, and goods entered for home consumption ex bond for supply to a church or other place of worship for installation therein may, in accordance with the foregoing provision of this circular, be granted a concession under Reference 90.

*Approvals lapse on the dates indicated, the goods thereafter being dutiable according to their substantive Tariff classification. If continuation of an approval is desired for a further period, formal application should be made to the Collector at least 6 weeks prior to the date of expiry.
