068/84 Invercargill City Council Transport Department: Application to amend Continuous Passenger Service Licence No. 04325 to include the operation of an Urban Public Passenger Transport Licence—Clifton No. 9, Kingswell No. 5, Hawthorndale No. 4 as follows:

APPENDIX I

Route No. 4 Hawthorndale

Present City Terminal—Dee Street corner Tay Street.

New City Terminal—Tay Street, approximately 50 metres east of Dee Street.

Route No. 5 Kingswell

Present City Terminal—Tay Street, approximately 50 metres east of Dee Street.

New City Terminal—Dee Street, corner Tay Street.

The change in City Terminal for these 2 services is necessary because of the closure of Esk Street, West of Dee Street. This has resulted in several services at present having to travel via Leven Street, Spey Street and Dee Street to arrive at their respective Dee Street terminals. This change will make it possible for:

- Buses from Kingswell to Hawthorndale to turn around at the roundabout in Leven Street/The Crescent.
- Buses from Hawthorndale to Kingswell will have sufficient time to travel via Leven Street, Spey Street, Dee Street to the terminal at Dee Street corner Tay Street.

No other services will need to travel this way as they are all North/South connections which is directly linked to the introduction of the Waikiwi Service.

Route No. 9 Clifton

Delete Clifton No. 9—*8.10 a.m. to City Terminal.

* Does not operate during School Holidays.

With the closure of Lower Esk Street, it was found that all city connection had to be altered. The Clifton, at present connected to the Newfield service, has to be disconnected and tied to a north-bound service. At present the 8 a.m. from Clifton carries about 20–25 High School students to Cargill High School, Verdon College. By disconnecting the service as explained, problems arise for these children. The 8.10 a.m. from Clifton was originally a School Bus but because it ran over a normal service route it was decided to incorporate it into the normal service, thus enabling adult passengers to be uplifted. Experience has shown us for this to happen very seldom. It is therefore proposed to turn this into a School Bus departing Clifton at 8.05 a.m. via Standard No. 9 route, Conon Street to St Joseph's School (Eye Street), Community College (Forth Street), then on via Tweed Street to Girls' High School, Cargill High School and Verdon College. This will give a better service to the school children as well as eliminate problems on the 8 a.m. Clifton No. 9 depart, caused at times because of overloading.

A061/84 Gordon Harold Wilson: Application for a new Continuous Goods Service Licence.

Details of the above applications are available upon application to the Ministry of Transport, Private Bag, Invercargill.
