*Import Licence Tendering—Results for Round 16*

THE following are the official results originally obtained for Round 16 of Import Licence Tendering. This Supplement repeats the Call for Tenders for that Round to allow ease of reference.

The opening and closing of this Round straddled the devaluation decision. For this reason successful tenderers have subsequently been given the option of uplifting 25 percent more licence than that originally won on payment, however, of a pro-rata premium.

## ROUND 16: CALL FOR TENDERS WHICH CLOSED 20 AUGUST 1984
