*The Local Government Commission (Extension of Time) Order
1984*

DAVID BEATTIE, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington this 17th day of
December 1984

Present:

THE HON. G. W. R. PALMER PRESIDING IN COUNCIL

WHEREAS the Local Government Commission is required by section 125A (6) of the Local Government Act 1974 (as applied by section 61A (9) of the Auckland Regional Authority Act 1963 that was inserted by section 41 (2) of the Urban Transport Act 1980) to determine any objection received by it to any decision of the Auckland Regional Authority under section 125A (4) of the Local Government Act 1974 (as so applied) on any objection against a resolution of the Authority under section 125 (1) of that Act determining the basis on which the net urban transport expenditure of the Authority is to be assessed and charged to local authorities:

And whereas the Local Government Commission is required to make its determination within 1 month after receiving the objection:

And whereas an objection to such a decision made on the 19th day of November 1984 was received from the Rodney County Council on the 10th day of December 1984:

And whereas other objections could be received not later than the 19th day of December 1984:

And whereas the Local Government Commission has sought an extension of the time within which it must determine the objection from the Rodney County Council and any other objections that it may receive:

And whereas it appears that, having regard to the time available, the complexity of the matter, and the need to allow all interested parties sufficient time to prepare submissions and appear before the Commission, the Local Government Commission cannot determine, within the period required by the Local Government Act 1974, the objection that it has received and any other objections that it may receive:

Now, therefore, pursuant to section 719 of the Local Government Act 1974, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. Title and commencement—(1) This order may be cited as the Local Government Commission (Extension of Time) Order 1984.

(2) This order shall come into force on the day after the date of its publication in the *Gazette*.

2. Extension of time—The time within which the Local Government Commission is required by section 125A (6) of the Local Government Act 1974 to determine the objection received from the Rodney County Council and any other objections that it may receive to any decision of the Auckland Regional Authority made on the 19th day of November 1984 under section 125A (4) of the Local Government Act 1974 relating to an objection against a resolution of the Authority under section 125 (1) of that Act determining the basis on which the net urban transport expenditure of the Auckland Regional Authority is to be assessed and charged to local authorities is hereby extended until the close of the 8th day of March 1985.
