Decision No. 26/84
 Reference No. Ind. 15/84

Before the Indecent Publications Tribunal

IN THE MATTER of the Indecent Publications Act 1963, and IN THE MATTER of an application by the Comptroller of Customs for a decision in respect of the following publications:

Sex and the Married Woman published by Dianne Grosskopf and *Playgirl Posters—Men of the Decade*, published by Playgirl Inc., U.S.A.

Chairman: Judge W. M. Willis.

Mesdames: H. B. Dick and L. P. Nikera.

Messrs: J. V. B. McLinden and I. W. Malcolm.

Hearing: Wellington, 8 November 1984.

Appearances: Written submissions from Importer, Waverley Publishing Co. Ltd. R. A. Simpson for Comptroller of Customs.

DECISION

THESE publications were imported in May 1984 and were seized. Forfeiture has been disputed so that they are referred for classification.

The publication *Playgirl Posters* has 12 photographs of nude males with all but 2 displaying genitalia. There is no accompanying text except that statistical data relating to each model is present. The publication has no literary or artistic qualities but by the same token there is nothing really offensive about it.

Sex and the Married Woman covers sexual activity from a married woman's point of view. It is compiled from interviews and the result of a questionnaire. There is ample statistical data. The book is written in plain terms and is tastefully presented. It does not dwell on psychological and technical aspects and would have some appeal to female readers. In some respects it resembles sex manuals which we have classified as indecent in the hands of persons under the age of 18.

In the Tribunal's view there is no reason to classify these publications as indecent. Accordingly they are each classified indecent in the hands of persons under the age of 18.

Dated at Wellington this 14th day of December 1984.

JUDGE W. M. WILLIS, Chairman.

3

Decision No. 25/84.
 Reference No. Ind. 20/84

Before the Indecent Publications Tribunal

IN THE MATTER of the Indecent Publications Act 1963, and IN THE MATTER of an application by the Comptroller of Customs for a decision in respect of the following publications:

Eros Catalogue, Publisher unknown.

Companion (October 1983), published by Gentleman's Companion Inc., U.S.A.

Chic. (Volume 8, Nos 1, 4, 5, 6, and 7), published by L. F. P. Inc., U.S.A.

Men Only (Volume 48, Nos 8, 9, 10, 11, 12) (Volume 49, No. 2), published by Paul Raymond Publications Ltd., London.

Genesis (Volume 11, Nos 6, 8, 9, 10, 11), published in Cycle Guide Publications Inc., U.S.A.

Chairman: Judge W. M. Willis.

Mesdames: H. B. Dick and L. P. Nikera.

Messrs: J. V. B. McLinden and I. W. Malcolm.

Hearing: Wellington, 8 November 1984.

Appearances: No appearance for Importer, A. R. Paton. G. H. Ellis for Gordon and Gotch (N.Z.) Ltd. in respect of Genesis. R. A. Simpson for Comptroller of Customs.

DECISION

ALL these publications were imported by one man through Hamilton during the past 18 months. All have been seized but the importer has not disputed seizure. However, the Comptroller has decided to prosecute under section 48 of the Customs Act 1966. This of course necessitates a classification as a preliminary.

Eros Catalogue is a mail order catalogue for the various sex products and aids available from Eros Products, Australia. It contains many photographs depicting heterosexual and homosexual activities. Some of them are gross and would have appeal only for the lewd and the prurient. There can be no claim to literary or artistic merit.

Companion (October 1983) is similar in style to *Hustler* having the usual collection of nude models, letters and jokes. These are generally orientated towards sex. The pictorial section contained in pages 77 to 89 are, as Mr Simpson said, particularly graphic. None of the articles have any serious content whilst the cartoons are in bad taste. We agree with Mr Simpson that this publication is on a par with *Hustler*.

Chic magazines have been considered by the Tribunal on earlier occasions and by Decision Nos 1041 and 2/84 two earlier volumes were classified as indecent. The five copies now submitted are not significantly different. All contravene the standards laid down in Decision Nos 1053 and 1054.

Men Only magazines have been considered by the Tribunal previously (Decision Nos 876, 1034 and 1041). In each case they have been classified as indecent. The current editions are not greatly different from earlier issues but Volume 48, Nos 12 and 49 No. 2 are using multiple model lesbian scenes. This is a new development. We see no reason for changing our earlier stance so far as these magazines are concerned.

Genesis: We had occasion to consider several earlier issues of this publication when they were classified as indecent in the hands of persons under the age of 18. The importer in this case is not Gordon and Gotch (N.Z.) Ltd. which had caused the earlier editions to be submitted to the Tribunal for classification. Having learnt of this hearing Mr Ellis appeared on behalf of Gordon and Gotch (N.Z.) Ltd. and sought leave to make submissions as a 'person likely to be affected'. Apparently the company is considering importing further issues of this publication so that if it is to be classified as indecent that order will have to be cancelled. Leave was granted to Mr Ellis who made submissions along the lines made earlier and with the submission that the issues now before us are not significantly different from those submitted earlier. We agree.

Eros Catalogue, *Companion*, *Chic* and *Men Only* are classified as unconditionally indecent. So far as *Chic* and *Men Only* are concerned there will be a restriction order under section 15A for a period of 2 years.

Genesis will be classified as indecent in the hands of persons under the age of 18.

Dated at Wellington this 14th day of December 1984.

JUDGE W. M. WILLIS, Chairman.

Commerce Act 1975—Special Approval No. S. 462 (Phosphatic Fertilisers)

PURSUANT to the Commerce Act 1975, I, Alistair John Hardy, pursuant to a delegation from the Secretary of Trade and Industry, hereby make the following Special Approval:

1. This approval may be cited as Special Approval No. S. 462 and shall come into force on the 1st day of January 1985.
2. (1) Special Approval No. S. 410 is hereby revoked.
- (2) The revocation of the said order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this approval.

APPLICATION OF THIS APPROVAL

3. (1) Subject to the next succeeding subclause, this approval applied with respect to phosphatic fertilisers of the following kinds manufactured or prepared in New Zealand and sold for use in New Zealand:

- (a) Superphosphate, including granular.
- (b) Serpentine reverted superphosphate.
- (c) Lime reverted superphosphate.

(2) Nothing in this approval shall apply with respect to any phosphatic fertilisers sold in a quantity of less than one tonne.

FIXING MAXIMUM PRICES OF PHOSPHATIC FERTILISERS TO WHICH THIS APPROVAL APPLIES

4. (1) The prices of phosphatic fertilisers fixed by this approval are fixed in respect of sales to purchasers of the following classes, namely:

- (a) Sales to a user—that is to say, to a person purchasing for his own and not for the purpose of resale.
- (b) Sales to a merchant—this is to say, to a person purchasing for resale to storekeepers or to users.
- (c) Sales to a dairy company, as defined in section 2 of the Dairy Industry Act 1952, purchasing solely for resale to persons being suppliers of milk or cream to the company.
- (d) Sales to an incorporated farmers' organisation, having a retail department conducted on a co-operative basis, and purchasing phosphatic fertilisers solely for the purpose of resale to its members.

(2) The prices for phosphatic fertilisers fixed by this approval are fixed in respect of sales for cash or for credit until a date not later than the 20th day of the month next following the month of delivery.

(3) Where any sale is made on terms allowing credit for a longer period than that mentioned in the last preceding subclause, the purchaser shall be entitled, notwithstanding anything to the contrary in the contract of sale, to the benefit of the prices fixed by this order if in fact payment is made not later than the 20th day of the month next following the month of delivery.

5. (1) Where any phosphatic fertilisers are sold for delivery "ex works" or "free on rail", the maximum price that may be charged or received for any such fertilisers shall be the price specified in the appropriate Schedule to this approval in relation to the class of purchaser to whom the fertilisers are sold.

(2) Where any phosphatic fertilisers are sold on delivery terms other than "ex works" or "ex rail" the maximum price that may be charged or received shall be the price specified in the Schedule hereto, in relation to the class of purchaser, increased by the amount of the freight charges between the place of manufacture and the place of delivery:

Provided that the amount added to the price in respect of freight charges shall not in any case exceed the amount that would have been incurred had delivery been effected by the holder of a goods-service licence under the Transport Act 1962 at authorised rates.

(3) In every invoice, debit note, or similar document issued by the vendor to a user in respect of the sale of any phosphatic fertiliser, there shall be shown separately:

- (a) The price of the phosphatic fertilisers fixed in accordance with this approval, and
- (b) The additional amount (if any) payable by the purchaser in respect of freight charges.

SPECIAL PRICES WHERE EXTRAORDINARY CHARGES INCURRED

6. Notwithstanding anything in the foregoing provisions of this approval and subject to such conditions if any, as he thinks fit, the Secretary on application by any vendor of phosphatic fertiliser to whom this approval applies, may authorise special prices in respect of any phosphatic fertiliser to which this approval applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by such vendor. Any authority given by the Secretary under this clause may apply with respect to a specified lot or consignment of phosphatic fertiliser or may relate generally to all phosphatic fertiliser to which this approval applies sold by such vendor while the approval remains in force.

P. G. GILBERT and

Bases of Accounting:

These financial statements have been prepared in accordance with historical cost principles. There have been no material changes in accounting policies during the year.

(a) Amortisation and profits and losses on investments—Premiums and discounts on New Zealand Government and local securities are amortised from the date of purchase to maturity on a straight line basis.

As the majority of redeemable quoted investments are normally held to or near maturity, no provision is considered necessary for any difference between the book values and market values.

As from 1 October 1983, realised profits and losses on sales of New Zealand Government and local authority securities are taken to the profit and loss account in the year of sale. Prior to 1 October 1983, realised profits and losses on sales of such securities were

taken to profit and loss account in equal instalments over five years commencing with the year of sale and amounts outstanding at 30 September 1983 will continue to be spread over the remaining years.

(b) Provision for doubtful debts—The charge for the provision for doubtful debts reflects the current volume of lending. A general provision is maintained in relation to the average level of loans and advances. This provision is deducted from loans in the balance sheet.

(c) Taxation—Tax effect accounting procedures are applied under the liability method on all timing differences.
