TARIFF INDUSTRY ASSISTANCE (ADVERTISEMENT) NOTICE NO. 1985/5  
Applications Advertised for Objection  
Closing Date for Objections 13.6.85

1 Notice is hereby given that the following applications have been made in respect of the goods advertised in the Schedule to this notice. Any person wishing to lodge an objection must do so in writing, to the \*\* Port of lodgement indicated by the reference number, before 13.6.85. All submissions must include:

- the Tariff Duty Variation Notice number;
- the Tariff item;
- the Port; and
- Reference number.

2 All submissions from local manufacturers must include:

- the range of alternative goods made locally;
- the grounds on which objection is made (including reasons why the local product is a suitable alternative);
- present and potential output;
- details of factory cost in terms of materials, labour, overheads, including the proportion of domestic and imported content.

3 All submissions objecting to a request for the imposition of duty must include:

- reasons why the local product on which protection is sought is not a suitable alternative;
- full technical details of the goods against which tariff protection is sought.

4 Where further information is required in order to make a submission an objector should contact the applicant in writing and refer a copy of the enquiry to the port where the application was lodged quoting the details in paragraph 1 above.

5 Any submission not supported by the information required in the paragraphs above will not be regarded as a valid objection.
