\$15.75 plus \$1.50 p & p

The Path to Reform, derived from the 1981 Convention of the New Zealand Institute of Public Administration is about the path to administrative reform in the State Services in New Zealand. It continues the exploration of the States Services begun in "State Servants and the Public in the 1980's" and continued in the "Accountability of Executive." Like its predecessors, "The Path to Reform" reads like a Who's Who of New Zealand public administrators.

STATE SERVICES COMMISSION**

51 p. 1981. Discussion Paper No. 1.

\$3.95 plus 55c p & p

This report, addressed to the central question: "What is manpower planning?", opens with the philosophy of manpower planning, what it is, its aims and objectives. This is followed by a discussion of what is involved in forecasting the supply and demand for people and skills in the public service. The essentials of departmental manpower is then discussed followed by a chapter devoted to the practice of career development and concluding with a statement on the future development of manpower planning in the public service.
