Decision No. 2/85
BRO. 158/84

Before the Broadcasting Tribunal

IN the matter of the Broadcasting Act 1976, and in the matter of an application by the BROADCASTING CORPORATION OF NEW ZEALAND to amend warrant in relation to a relay station at Reefton:

Chairman: B. H. Slane.

Members: Ann E. Wilson, R. H. Boyd-Bell.

DECISION

THE Reefton area of Westland is served by a 100 watt repeater transmitter co-sited with the television translator which also serves that community. The transmitter, operating on 1521 kHz carries the 3ZA Greymouth community programme.

The BCNZ has applied for an amendment to the warrant for 3ZA in relation to the relay station to increase the power from 100 watts to 200 watts.

The existing transmitter is now obsolete and a new 200 watt transmitter constructed by the BCNZ is to replace it.

The more powerful transmitter will increase the field of strength by 3dB nearly one and half times the existing field strength. It will extend the coverage area to add approximately 100 people to the existing population of 1415.

Having considered the evidence of W. J. W. Allan, Divisional Engineer, Radio Transmission, the Tribunal is satisfied that the replacement transmitter proposed will result in an improvement in the service to the area and that it is in the public interest that the amendment be approved.

The amendment will come into effect on a date to coincide with the commissioning of the new transmitter. The Registrar should be advised of that date by the applicant.

Dated the 25th day of June 1985.

Signed for the Tribunal:

B. H. SLANE, Chairman.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 1985

1. General Accounting Policies

(a) The measurement base adopted is that of historical cost. Reliance is placed on the fact that the Bank is a going concern.

(b) Accrual accounting is used to match expenses and revenues.

2. Particular Accounting Policies

Particular accounting policies used which significantly affect the measurement of the Bank's profit and its financial position, are set out below:

(a) Recognition of Income

Interest on investments is recognised as income for the period in which it is earned, rather than the period in which it is received. Interest charged on personal loans is apportioned over the term of the loan, using the "Rule of 78" method.

(b) Depreciation

Fixed assets are being depreciated on a straight line basis at rates which will write off the cost over their estimated useful lives to estimated residual values. The principal write off periods are:

Buildings	40-100 years
Computer and Office	
Calculating Equipment	5- 10 years
Furniture and Fittings	10- 15 years
Other Fixed Assets	3- 15 years

(c) Taxation

Taxation charged against net profit is the estimated expense relating to the result of the year. It includes an amount for taxation, the payment of which is deferred to future periods, because taxation practice differs from accounting policies in the treatment of:

- (i) Interest accrued on investments
- (ii) Depreciation charges
- (iii) Interest accrued included in the purchase price of New Zealand Government securities.

(d) Current Assets and Investments

All current assets and investments are shown at cost. The cost is calculated after adjusting for interest accrued in the purchase price. Government and Local Authorities Securities are regarded as long term investments and are redeemable at maturity at their face value.

The realisable value of fixed interest securities fluctuates with movement in market yields and it is customary for such fluctuations to be disregarded in the recording of the results of the long term institutional investor.

3. Changes in Accounting Policies

There have been no material changes in accounting policies.

4. Government and Local Authorities Securities

	Government \$000	Local Authorities \$000
Face value at 31 March 1985	457,244	5,049
Less unamortised discounts	6,970	786
Book value	<u>\$450,274</u>	<u>\$4,263</u>

Original cost \$450,274,000. Estimated market value of Government Securities as at 31 March 1985 was \$370,587,000.

The Government Guarantee of Depositors' Funds including accrued interest in terms of section 44 of The Trustee Banks Act 1983 and subsequent amendments was in force at balance date and continues to remain in force. However the requirement to hold New Zealand Government Securities was removed on 11th February 1985.

The loss on New Zealand Government Securities recorded this year resulted from the sale of low yielding securities, the proceeds from which were re-invested in higher yielding securities.

5. Interest in Partnerships

	Total Assets \$000	Total Liabilities \$000	Share in Partnerships \$000
A.S.B. Travel	502	365	25
Trusteebank Electronic Banking Authority	932	1	450

			<u>\$7,355</u>

6. (a) Fixed Assets

	1985 \$000	1984 \$000
Land	3,287	3,281
Buildings	10,886	10,744
Accumulated depreciation	(1,814)	(1,692)
	<u>9,072</u>	<u>9,052</u>

Accumulated depreciation	(12,416)	(10,131)
	<u>14,416</u>	<u>12,117</u>
	<u>\$26,775</u>	<u>\$24,450</u>

(b) The Bank's Land and Buildings stated at net book value are \$12,359,000 (1984 \$12,333,000). The latest valuation received in respect of properties totalled \$49,149,000 (1984 \$31,882,000).

7. Supplemented Mortgages

During the year supplemented mortgages were advanced in conjunction with the Housing Corporation of New Zealand. The amount invested is included in investment mortgages, and the amount contributed by the Housing Corporation of New Zealand is recorded as a liability.

8. Commitments

AUDITORS' REPORT

We have audited the books and accounts of the Auckland Savings Bank for the year ended 31 March 1985 in accordance with generally accepted auditing standards, and have carried out such procedures as we considered necessary. In our opinion, the balance sheet and profit and loss account, together with the notes thereon, are properly drawn up so as to give using the historical cost method, a true and fair view of the financial affairs of the Auckland Savings Bank as at 31 March 1985 and the results of its operations for the year ended on that date, in accordance with section 43 (2) of the Trustee Banks Act 1983.
