ANZCERTA

The following goods are tendered under the ANZCERT Agreement. Goods imported with licences issued under these tenders must meet the rules of origin. Tenderers are referred to the guide notes for ANZCERT published in March 1985.

These licences with one exception will be valid until 30 June 1986. Licence issued for item code 58.120 Carpet, carpeting, rugs, mats, etc. will be valid to 31 December 1985 but where it can be shown that there are firm supply arrangements, the licence may be extended to 30 June 1986.

ANZCERTA Licences are not available for most motor vehicles (access is instead provided for under the Motor Vehicle Industry Plan licence tenders) and many parts for those vehicles. The only item code effected in this tender round is I.C. 83.010. Licences in this item code will have attached an 'Appendix B' which will exclude the importation of seat recliner mechanisms for use with:

- (a) Tractors for articulated vehicles, being tractors that are designed for operation solely or principally on the highway; or
- (b) Vehicles of Tariff Heading 87.02, other than air-cushioned vehicles or convertible road rail motor coaches.

These amounts for tender are the Manufacturers Exclusive Australian Licences (MEALS) taken up and not used in the 1984/85 Licensing period. Manufacturers are permitted to tender in the same item codes in which they currently hold MEALS provided they used at least 75 percent of any MEAL they held in 1984/85.

Unused 1984/85 MEALS are being tendered in those item codes that were over subscribed in the principal 1985/86 ANZCERTA tender round (Round 23). Unused 1984/85 MEALS in undersubscribed item codes have been added to the residual pool /or those item codes and are available on application.
