WELLINGTON CITY COUNCIL

NOTICE OF INTENTION TO TAKE LAND FOR SERVICE LANE
AT 151-155 RIDDIFORD STREET, NEWTOWN

NOTICE is hereby given that the Wellington City Council proposes to take the land described below for service lane, being an essential work, pursuant to section 23 of the Public Works Act 1981.

The registered proprietors of the land to be taken are Thakor Lakha Vasan and Manju Thakor Vasan and the registered mortgagee is GAULT MITCHELL NOMINEES LIMITED.

The land is the rear part of the property known as 151-155 Riddiford Street and comprises 111 square metres, being parts of certificate of title C2/557 (Wellington Registry), depicted as areas A, D, and G, on S.O. Plans 34227.

The land is required as a final step in the creation of a Council designated service lane, running north from Wilson Street, Newtown, along the rear of properties known as 151-161 Riddiford Street, as shown on that S.O. Plan. The Council has reached agreement to acquire the balance of the land (areas B, C, E, and F) on the plan, and has already acquired the land in the adjoining title 401/60 (S.O. 11103), and it is essential to acquire these final portions of land to achieve the Council's plan for rear-servicing of properties fronting Riddiford Street, which is a heavily-trafficked main suburban road.

Any person having an estate or interest in the land, or any other person, may object pursuant to sections 23 (3) and 23 (1) (b) of the Act respectively, to the taking of the land, by lodging a written objection to the Registrar of the Planning Tribunal, Tribunals Division, Justice Department, Private Bag, Wellington postal centre, within 20 working days of the date of the first publication of this notice, namely the 21st day of November 1985.

If in doubt over your rights, please consult a solicitor immediately. A plan of the land which the Council proposes to take is available for free inspection during normal office hours at the office of the City Solicitor, Seventh Floor, Municipal Office Buildings, Mercer Street, Wellington.

Dated at Wellington this 14th day of November 1985.

NOTES OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 1985

Statement of Accounting Policies—

- (a) *General Accounting Policies*—The accounting policies recognised as appropriate for the measurement and reporting of results and financial position under the historic cost method of accounting have been adopted on a basis consistent with the previous year.
- (b) *Recognition of Income*—The income earned is recorded on an accrual basis and includes the amortization of premiums and discounts on the purchase of Government and local authority stock. Interest on personal loans is calculated according to the Rule of 78.
- (c) *Expenditure*—Interest on depositor's accounts represents interest paid, credited or accrued for the financial year ended 31st March 1985. Other expenses, including computer development costs, are charged to the accounts in the year in which the expenditure is incurred.
- (d) *Fixed Assets and Depreciation*—Fixed assets are valued at cost less accumulated depreciation. Depreciation has been charged using the straight line method based on the economic life of the assets.
The current market value of land and buildings is \$2,058,000.
- (e) *Taxation*—Taxation charged against net profit is the estimated expense relating the result of the year. It includes an amount for taxation, the payment of which is deferred to future periods, because taxation practice differs from accounting policies in the treatment of:
 - (i) Interest accrued on investments,
 - (ii) Depreciation charges,
 - (iii) The amortization of profits and losses in respect of Government and local authority stock purchases and sales.

(f) *Valuation of Investments*—All investments are shown at cost with the exception of New Zealand Government stock.

On the basis that Government stock will normally be held to maturity the bank considers it appropriate to record such stock at nominal value. Discounts and premiums on nominal value of Government stock are amortised over the term of the investment on a straight line basis.

The market value of Government Stock as at 31 March 1985 was \$15,448,351.

The Government Guarantee of Depositors' Fund including accrued interest in terms of Section 44 of the Trustee Banks Act 1983 and subsequent amendments was in force at balance date and continues to remain in force. However, the requirement to hold New Zealand Government Stock pursuant to the same Act was removed on 11 February 1985.

(g) Mortgages approved but not uplifted as 31st March 1985 totalled \$311,500.
