The Alternative Fuels Vehicle Conversion Loan Scheme Financial Statements

THE Alternative Fuels Vehicle Conversion Loan Scheme is an incentive scheme designed to promote the use of alternative fuels such as CNG, LPG and Biogas.

The scheme commenced operations in January 1983, providing no deposit loans at 12 percent, for periods of up to 3 years. As at 31 March 1983 there had been 1,451 loans drawn down.

In September 1983 the interest rate was reduced to 10 percent, to retain the existing margin of incentive in line with the general reduction in interest rates at that time. As at 31 March 1984 there had been 14 489 loans drawn down since commencement.

The financial statements set out below are as at 31 March 1985. During that year a substantial advertising programme was carried out in conjunction with the alternative fuels industry, and this helped to make the consumers aware of the benefits of alternative fuels. Another feature of the year was the growing problem with doubtful debtors. The provision as at 31 March 1985 is \$3 million and this is a matter for some concern.

Since then 2 major changes have taken place in the scheme.

(1) With effect from 4 June 1985 a new scheme was introduced whereby a 25 percent equity contribution is required from the customer, interest was increased from 10 percent to 17 percent, a compulsory credit check takes place, and the maximum loan term was reduced to 2 years.

(2) With effect from 1 August 1985 a ceiling of 1 600 new loans per month was introduced.

These 2 changes are intended to tighten financial management of the scheme, and dampen demand for the scheme to a manageable level.

Dated at Wellington this 21st day of October 1985.

R. M. JANES, Deputy Secretary of Energy.

Report of the Audit Office

THE Audit Office, having been appointed in terms of section 97, Public Finance Act 1977, has audited the financial statements of the Alternative Fuels Vehicle Conversion Loan Scheme.

The audit was conducted in accordance with generally accepted auditing standards and practices.

In the opinion of the Audit Office, the attached financial statements fairly reflect the financial position as at 31 March 1985 and financial results of operations for the year ended on that date.

Dated at Wellington this 31st day of October 1985.

P. G. GLENTON, for Controller and Auditor-General.
