*General Notes*

TENDERS for Round 27 of import licence tenders closed on 19 August 1985. The Round was for both Global and ANZCERTA import licences.

Results of the tender were notified to individual bidders and invoices and licences were printed on 5 September 1985. Invoices are therefore payable by 4 March 1986. The import licences are valid from 5 September 1985 to 4 September 1986.

A five-day period was allowed between the notification of individual results and their confirmation. During that time some bidders notified the Registrar that incorrect bids had been made and where these explanations were accepted adjustments were made to the results. The results published here are therefore as amended.

*Residual Licence*

At the foot of the results of those tenders numbers where all the licence put up for tender was not all taken, the Residual number of units and the price is printed. Applications for any residual licence should be made on the "Request for Residual Licence" forms available from any office of the Department of Trade and Industry (Auckland, Wellington, Christchurch and Dunedin) and should be sent to the Registrar of Tenders, P.O. Box 3146, Wellington and the envelope should be marked "Round 27 Residual" on the bottom right hand corner.

Where demand for residual licence exceeds supply the computer is programmed to make a random selection.

Results of residual licence allocation will be made known as soon as possible by letter after the 3-week period for applications to be made following publication of these results.

Payment should not be made until invoices are received. Payment should be made by bank cheque preferably to avoid the 15 working days clearance for other cheques.

Licences still left over after this allocation of residuals will be available on request. Please refer to paragraphs 38 to 44 inclusive in the Guide Notes.
