Central Canterbury Electric Power Board Electricity Supply Licence 1986

I, Robert James Tizard, Minister of Energy, acting pursuant to section 20 of the Electricity Act 1968, hereby license Central Canterbury Electric Power Board hereinafter called the Electrical Supply Authority to supply electricity, and to lay, construct, put up, place and use all electric lines and works which may from time to time be required for the distribution and supply of electricity within the area specified in the Schedule hereto.

This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "Central Canterbury Electric Power Board Electricity Supply Licence 1986".

2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the Electrical Supply Authority shall be sufficient if sent by registered post letter to the offices of the Electrical Supply Authority.

4. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

6. This licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the Electrical Supply Authority is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister of Energy at the request of or with the consent of the Electrical Supply Authority.

10. At the expiry or cancellation of this licence, the Electrical Supply Authority shall as required by notice in writing by the Minister of Energy remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the Electrical Supply Authority fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister of Energy in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the Electrical Supply Authority to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or works may be situated.

12. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f), (h) and (j) of Regulation 13 of the Electrical Supply Regulations 1984. The system of supply authorised under paragraph (j) aforesaid shall be a single conductor earth-return system of 11 000 volts between conductor and earth, and the use thereof shall be subject to such terms and conditions as are from time to time laid down by the Deputy Secretary of the Electricity Division of the Ministry of Energy at Wellington.

13. The Electrical Supply Authority shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

distribution and supply of electricity within the area specified in the Schedule hereto.

This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "Timaru City Council Electricity Supply Licence 1986".
2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.
3. Any notice to be given to the Electrical Supply Authority shall be sufficient if sent by registered post letter to the offices of the Electrical Supply Authority.
4. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.
5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.
6. This licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.
7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.
8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the Electrical Supply Authority is in breach of the provisions contained in clause 2 of these conditions.
9. This licence may be cancelled by the Minister of Energy at the request of or with the consent of the Electrical Supply Authority.
10. At the expiry or cancellation of this licence, the Electrical Supply Authority shall as required by notice in writing by the Minister of Energy remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the Electrical Supply Authority fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister of Energy in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.
11. Nothing contained in this licence either expressly or by implication shall be deemed to authorise the Electrical Supply Authority to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or works may be situated.
12. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f) and (h) of regulation 13 of the Electrical Supply Regulations 1984.
13. The Electrical Supply Authority shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

Consent to Generation of Electricity by Use of Water

I, Robert James Tizard, Minister of Energy, hereinafter called "the Minister" acting pursuant to section 25 of the Electricity Act 1968 hereby consent to Egmont Electric Power Board generating electricity by the use of water subject to the following conditions:

CONDITIONS

1. This consent is subject to compliance with the Electricity Act 1968 and the Water and Soil Conservation Act 1967 and the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976, the Water and Soil Conservation Regulations 1968, and all Acts or Regulations hereinafter made in amendment of or substitution for any of those regulations together with all other enactments and regulations which may be in force.
2. The generation of electricity by the use of water pursuant to this consent shall be carried out only by means of the works described in the Schedule hereto.
3. This consent shall, unless it is sooner lawfully determined, continue in force until 31st day of March 2007, or until such time as the grantee disposes of the works or ceases to hold a current and valid right to use the water for the works described in the Schedule hereto.
4. This consent confers no rights to water under the Water and Soil Conservation Act 1967 or otherwise.
5. Except so far as may be expressly set out in this consent, this consent shall not be deemed to authorise the generation of electricity by the use of water for consumption by any person other than the grantee or consumption on any premises other than premises occupied by the grantee.
6. The grantee shall at all times maintain all works for the time being in use so as to be in good and proper working order in accordance with the requirements of the regulations and at all times maintain all works erected by the grantee pursuant to the consent whether in use or not in such good and safe condition as in the opinion of the Minister to be unlikely to cause any danger to life or property.
7. It shall be lawful for any person acting as an Inspecting Officer of the Ministry of Energy (Electricity Division) at all times after the grant of the consent whether during or after the construction of any works to enter upon and inspect such works for the purpose of ascertaining whether these conditions are complied with, and for that purpose to require that any motive machinery be set in motion and to take specimens of material, make tests and measurements, and do all other things reasonably necessary or convenient for the purposes of such inspection, and the grantee will at all times comply with the reasonable requirements of any such person.
8. If the parties so agree it shall be lawful at any time for the grantee to surrender this consent and the Minister to accept such surrender subject to such terms and conditions as may be agreed upon.
9. Neither the granting of the consent nor anything in the consent expressly or by implication contained shall affect or prejudice any liability imposed by law on the grantee to pay compensation or

damages to any person arising by reason of the exercise by the grantee of the powers conferred by the consent.

10. The rights granted by the consent shall be subject to all existing rights theretofore granted and validly held and enjoyed under any enactment or otherwise.

11. If at any time during the continuance of the consent the grantee fails or neglects to observe, perform, and comply with any of the provisions in the consent expressly or by implication contained, or fails to comply with the acts and regulations set out in clause 1 of this consent, or otherwise makes default in complying with the terms of the consent, then the Minister may forthwith by notice in writing to the grantee revoke and determine the consent.

12. The grantee of this consent must give notice as hereinafter provided to the Minister of Energy of any change of address of the grantee, or of the registered office, or usual place of business of the grantee.

13. (a) Any notice to be given to the grantee shall be sufficient if served personally on the grantee or (in the case of the grantee being a corporate body) delivered at the registered office or usual place of business of the grantee to a person appearing to have for the time being the control of such premises, or sent by registered post letter addressed to the grantee at the postal address set out in the application for a consent or any subsequent address notified by the grantee to the Minister.

(b) Any notice to be given on the part of the Minister shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

(c) Any notice to be given to the Minister shall be sufficient if given in writing delivered to or sent by registered post letter addressed to the Deputy Secretary, Ministry of Energy, Electricity Division, Private Bag, Wellington.

Nelson City Council Electricity Supply Licence 1986

I, Robert James Tizard, Minister of Energy, acting pursuant to section 20 of the Electricity Act 1968, hereby license Nelson City Council hereinafter called the Electrical Supply Authority to supply electricity, and to lay, construct, put up, place and use all electric lines and works which may from time to time be required for the distribution and supply of electricity within the area specified in the Schedule hereto.

This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "Nelson City Council Electricity Supply Licence 1986".
2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the Electrical Supply Authority shall be sufficient if sent by registered post letter to the offices of the Electrical Supply Authority.

4. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

6. This licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the Electrical Supply Authority is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister of Energy at the request of or with the consent of the Electrical Supply Authority.

10. At the expiry or cancellation of this licence, the Electrical Supply Authority shall as required by notice in writing by the Minister of Energy remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the Electrical Supply Authority fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister of Energy in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence, either expressly or by implication shall be deemed to authorise the Electrical Supply Authority to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or works may be situated.

12. The systems of supply shall be as described in paragraphs (a), (b), (d), (f) and (h) of Regulation 13 of the Electrical Supply Regulations 1984.

13. The Electrical Supply Authority shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

Electric Lines Licence

I, Robert James Tizard, Minister of Energy, acting pursuant to section 21 of the Electricity Act 1968, hereby license the Christchurch City Council hereinafter referred to as "the licensee", to lay, construct, put up, place or use the electric lines described in the Schedule hereto.

This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "Christchurch City Council Electric Lines Licence 1986".

2. The licensee shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment to or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment or substitution for any of those regulations.

3. Any notice to be given to the licensee shall be sufficient if sent by registered post letter to the offices of the licensee.

4. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

5. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

6. The licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister at the request of or with the consent of the licensee.

10. At the expiry or cancellation of this licence, the licensee shall if so required by notice in writing by the Minister remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect, construct or use any electric lines or works except subject to such conditions (not inconsistent with the conditions of this licence and the Electricity Act 1968 and regulations made thereunder) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or work may be situated.

12. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e) and (f) of regulation 13 of the Electrical Supply Regulations 1984.

13. The licensee shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

*The Standards Act 1965—Draft New Zealand Amendment
Available for Comment*

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft amendment is being circulated.

Number and Title of Specification

DZ 5439/A1 Draft Amendment No. 1 to NZS 5439:1985 Lightweight protective helmets for pedal cyclists. \$10.00

This draft amendment will be available for comment for 1 month only.

Technical adjustments are being made to NZS 5439 to facilitate testing. The requirements being amended are for the retention system, ventilation openings, day-time and night-time conspicuity, accessories (mirrors and peaks) test-sites, peripheral vision clearance, the helmet marking and the test for resistance to slip in the retention system. New tests are introduced for the flexibility of peaks and for the effectiveness of the retention system.

A new edition of NZS 5439 will be published to incorporate all the agreed changes. Publication is anticipated July/August.

Those interested in commenting are asked to order copies of DZ 5439/A1 as soon as possible to avoid delays.

All persons who may be affected by this publication and who desire to comment thereon may obtain copies from the Standards Association of New Zealand, Wellington Trade Centre, 181-187 Victoria Street (formerly known as 15-23 Sturdee Street) (or Private Bag), Wellington.

The closing date for receipt of comment is 9 May 1986.

Dated at Wellington this 4th day of April 1986.

GENERAL PUBLICATIONS

ELECTRICITY FOR MOTOR MECHANICS

N.Z. TECHNICAL CORRESPONDENCE INSTITUTE

256 p. 1986 reprint. Illustrated. \$15.00 plus \$1.60 p & p

Now in paper-back, this popular publication provides a basis for the study of automotive electricity for apprentice motor mechanics. Car owners, too, and persons interested in the general maintenance of motor engines will find the book a reliable guide to the detection and remedy of minor electrical faults.

VISUAL WAYS

By Geoff Moss

46 p. 1982. Illustrated. \$5.75 plus \$1.05 p & p

Too often people find themselves having to speak in public, to train new employees, to teach various skills, or to give advice on arranging displays and exhibits without having had any relevant basic training. If you are such a person, this book was written to help in getting a message across more effectively by using visual aids.

WHERE TO START

By Vincent Burke

DEPARTMENT OF INTERNAL AFFAIRS

61 p. 1982. Illustrated. \$5.95 plus \$1.05 p & p

This publication has been designed to help New Zealanders in the initial stages of getting a club, group, or organisation off the ground. The information it contains will be of assistance to a wide variety of different community groups, sporting, cultural, and recreational clubs. Included are suggestions for various administrative frameworks; legal structure, meetings, public relations, finance, and the constitution of the organisation.

WHAKAREWAREWA FOREST PARK

Edited by John Boyd

80 p. 1983.

\$6.00 plus \$1.05 p & p

This handbook is a guide to the recreational facilities, forestry operations, history and wildlife of the park, unique in that it borders on to a large city, just 5 kilometres from the city centre of Rotorua. Visitors to the park may stroll midst trees and ferns; study trees, shrubs and ferns; watch birds; look for insects; picnic in shady glades; cycle or ride a horse on old logging tracks.

GUIDELINES FOR AUTHORS: Preparing Manuscripts for Publication

Edited by Paula J. Wagemaker

52 p. 1984.

\$7.50 plus \$1.05 p & p

Submitting a manuscript to a publisher is not simply a matter of handing over a sheaf of paper. Publishers usually insist that a manuscript and its accompanying illustrative material be presented to defined standards of preparation. The standards of preparation required are detailed in these guidelines which have been produced in the interest of ensuring harmonious relationship between authors and their publishers.

PUBLIC AND PRIVATE ENTERPRISE IN NEW ZEALAND

Edited by R. C. Mascarenhas

133 p. 1984.

\$15.00 plus \$1.60 p & p

This volume is the result of a conference "Public enterprise and Private enterprise: Protagonist or Partners?" sponsored by the New Zealand Institute of Public Administration. The conference took place from 23-25 August 1982, at Dunedin, and its purpose was to examine the relative roles of the public and private sectors and to identify the social and political issues which are likely to have significant implications for public administration.

TRAINING WAYS

By Geoffrey Moss

119 p. 1983. Illustrated.

\$12.95 plus \$1.60 p & p

'Training Ways' is the third and last book in the series of Advisory Aid Books. Like 'Way with Words' and 'Visual Aids' it is a book to help the supervisor, training manager, the tutor and the extension worker provide a successful training programme and a learning experience for adults.

INTRODUCING MANAGEMENT SERVICES IN THE PUBLIC SERVICE

STATE SERVICES COMMISSION
